A Shakespeare Manual for Schools W. A. Illsley, 2015-10 Originally published in 1957 this book aimed to provide a self contained introduction to the works of William Shakespeare assessing his works thematically structurally and linguistically The first half of the book covers themes such as the tragic hero comic relief and the part of the fool as well as more technical topics such as the structure of the plays and figures of speech whilst the latter half contains study and examination materials supplying copious context questions character studies and inquiries into plot The book also discusses the Modern and Elizabethan theatres and supplies a full list of Shakespeare s plays as well as recommendations for further reading Intended as a reliable introduction to Shakespeare for students this book will also be useful for Shakespearean scholars and scholars in cognate fields such as education and history Catalog of the Shakespeare Collection Folger Shakespeare Library, 1972

a shakespeare manual W. A. Illsley, *The Words of Others* Gary Saul Morson, 2011-06-28 In this lively gambol through the history of quotations and quotation books Gary Saul Morson traces our enduring fascination with the words of others Ranging from the remote past to the present he explores the formation development and significance of quotations while exploring the verbal museums in which they have been collected and displayed commonplace books treasuries and anthologies In his trademark clear witty and provocative style Morson invites readers to share his delight in the shortest literary genre The author defines what makes a quote quotable as well as the unexpected differences between quotation and misquotation He describes how quotations form transform and may eventually become idioms How much of language itself is the residue of former quotations Weaving in hundreds of intriguing quotations common and unusual Morson explores how the words of others constitute essential elements in the formation of a culture and of the self within that culture In so doing he provides a demonstration of that very process captured in the pages of this extraordinary new book **The Publishers' Circular and Booksellers' Record** ,1925 **Bookseller and the Stationery Trades' Journal** ,1909
