dismissed It can be as sloppy as the sewer mixture you pump out of your bleep every morning Nonetheless it wasn't written for other people to enjoy It's just a journal so in that case you can't really put a price on it But yeah it's about a bunch of crazy stuff Including but not limited to art corruption mental illness and the insanity of making sense But most importantly mocking the reader for ever observing it So make sure to never read it or mention it to your friends Just kidding you can do it if you want but I'm not asking you to Wow this description turned out kinda funny *Beginning PHP 5.3* Matt
