features a scholarly introduction which examines their escape and early convict absconding in New South Wales more generally and drawing on primary records presents new research which sheds light on the fate of the escapees after they reached Kupang The introduction also assesses the voluminous literature on this most famous escape and critically examines the myths and fictions created around it and the escapees myths which have gone unchallenged for far too long Finally the introduction briefly discusses Jeremy Bentham s views on convict transportation and their enduring impact The Sphere,1903 **Introduction to Radiologic Technology - E-Book** William J.
