*The Other Side of Nice* Gailanne Grosso, 2010-03 Some of today's pop novelists can be relied upon to serve up a steady supply of the kind of zip and zing the snappy wicked wit that can make it easier to get through the day To others we turn for the deeper insights and human feeling we need to get through life Somehow Gailanne Grosso in *THE OTHER SIDE OF NICE* manages to deliver royally on both counts We start the book thinking we're popping pistachios and end up realizing we've just polished off a gourmet meal of sublime delicacy Bruce Bawer literary critic social commentator author of *A Place at the Table* While Europe Slept and *Surrender* SHE has become my best friend my alter ego the one I want to turn to at 3 AM when I am scared and confused SHE is who I want to run through fire with and will when this place starts to burn She is who we have all been waiting for Gailanne Grosso has given us the next important voice in literature Ms Grosso writes the way we think and wish we could write say behave and she does it in a style that is new and yet thousands of years old SHE is wise and wary SHE is miraculous Read this now or you will regret not reading it forever Jamie Lee Curtis We all grew up knowing we are supposed to do two things in life Be nice and tell the truth But we quickly learn it's almost impossible to do both at once *The Other Side of Nice* is the tale of a smart observant and somewhat intractable girl who won't be cowed or coerced into living according to others' rules Through her observations we begin to recognize and share her frustration with how ridiculously complicated we humans make the simplest things And as we begin to see how her chaos actually makes sense we start to wonder about our very selves Spanning the globe this one girl's life and that of the woman she becomes is an exciting exploration of life's curiosities and complications a bumpy boundless and joyful ride from the 1960s to present day In the end we come to believe we must strive to be truthful to ourselves once we figure out who in the world that might actually be Author Gailanne Grosso is an advertising creative director She lives with her husband Gerard in Manhattan East Hampton New York and Puerto Vallarta Mexico Publisher's website [www.strategicbookpublishing.com/TheOtherSideOfNice.html](http://www.strategicbookpublishing.com/TheOtherSideOfNice.html)

Congress. House. Committee on Appropriations,1949 Growing up in the Rockies Janice N. Richards,2011-07-05 My heart drifts back to the Rocky Mountains as I sit and look out the window I see the snow that once brought such joy to my heart I remember the days when I would have been known as a snow bunny I think of my poor mother and how difficult it was for her to keep me indoors for I was a mountain girl I climbed the mountains I chased the animals I found all of Gods creatures beautiful I was my fathers child He roamed the wilderness and I learned from him I loved to live life and I was very very happy It makes me very sad when I think of children who have not experienced such happiness for I was one of the lucky ones That is why I wish to share my life with you I hope that in this day and age of single parents that maybe someone who reads this can get hope from the true meaning of family I had a family that surrounded me with love and I never understood the meaning of poverty even though we were very poor I always felt like our life was normal and that was how the whole world was It would not be till my adult years that I would find this not to be true and to experience the pain of a life that I had never known It is hard for me to know where to begin as I remember back on the life that I loved and miss so much However I wish to share the memories that made me who I am today
