Everyone Can Cook Scott R. Taylor,2012-09 Hello my name is Scott R Taylor For many years I have wanted a cook book that not only gives me recipes but shows and tells me the things I need to know to make food items I could be proud to serve So I decided to make my own One of the things I love in life is to eat good food When I m growing up mom and dad s along with grandmas cooking was always the world s best and in my mind nobody could top them I was born in the early 1950 s in a middle class family on the south side of Chicago Father was from Tennessee and Mother from Ohio So that gave me my first look at fusion cooking as I knew it By the time I hit my early teens I learned I could not eat out every meal so I desired to learn to cook My passion for food grew into a 45 year career By trial and error cooking with other chefs learning from friends

and trying many types of cooking jobs I have learned something new As many of us do many things in our life my time in the Navy working in diners fine food major hotels offshore oil rigs and even retirement homes have taught me every aspect of food I could not afford to go to culinary school so I learned by doing Read a cook book taste the spices ask friends but if you like to cook and eat GET UP AND DO IT Living in Las Vegas to me is the best World class food and chefs food from around the world This is good life for me I hope you enjoy this book and that it answers what or want to know about cooking Please enjoy cooking eating and life the way that I have
