some or all of these communication signs and manifestation experiences from loved ones who have passed But few have had continuous communications without a medium as to record them in book form as Sue and I have Sue also said that this Higher Intelligence wanted our happenings put into writing Why Sue and I were picked to do this we at this point don t know Perhaps it is to show that love always prevails and lasts into eternity In fact most of Sue s information is thoughts completely new to me and beyond any ideas I have ever had about spiritually our universe electromagnetic energy and vibrational frequencies This has completely changed my thinking or wondering to knowing without a doubt that there is a Higher Intelligence that created and is still involved with all of life
