Men Don't Listen Wayne L. Misner, 2000-03 Men do listen They don t

feel As they grow up an anesthetizing of feelings takes place They re suppressing not only negative emotions but also the positive emotions This book is written for anyone who has been frustrated by male female relationships and wants guidance in understanding the opposite sex Head off misunderstanding Finally help for the male and female interested in improving or saving their relationship If you re filing for divorce separated looking for a mate alone and trying to understand what went wrong all is carefully covered The author is very very good with word pictures and uses them frequently throughout the book Another technique is using little vignettes based on true stories to illustrate a point The Author uses extensive lists to get the readers ideas flowing Within each chapter are jokes and popular quotations from a wide variety of sources to add a little punch Some are humorous and others profound Marriage which makes two one is a lifelong struggle to discover which is that one Dozens of case studies demonstrating where things went wrong and how they could erode your relationship The Sex-Starved Wife Michele Weiner Davis,2008-01-01 Michele Weiner Davis bestselling author of The Sex Starved Marriage offers a groundbreaking guide to creating intimacy in your relationship In 2003 bestselling author and relationship expert Michele Weiner Davis s groundbreaking book The Sex Starved Marriage described the problems that occur in marriage when one spouse is vastly more interested in sex than the other and more importantly what the couple could do to fix things The book created quite a stir but no one expected what happened next Weiner Davis was flooded with e mails letters and phone calls from women not with headaches and other predictable excuses for avoiding sex but from women who were desperately unhappy because their husbands weren t the least bit interested in sex Nothing these women said or did got their men to understand the pain and isolation that comes from a sexual void and despite heartfelt pleas they were unable to convince their husbands to seek professional help Add to this the unspoken taboo about discussing low libido in men and these women were left to believe that they were the only ones dealing with this problem If this sounds like your situation Weiner Davis wants to tell you that you are not alone and it is not your fault there is a whole host of reasons why your husband might be experiencing low desire Although Weiner Davis explains reasons men lose interest in sex biological issues personal troubles and relationship problems she s convinced that understanding the cause of a problem won t make your sex life any juicier doing something about it will The Sex Starved Wife gives you the tools you need to present the information in the book so that your husband will not become defensive You ll even learn methods for overcoming sexual dysfunctions such as performance anxiety premature ejaculation and effective ways for dealing with pornography or infidelity If you and your spouse need additional support Weiner Davis offers concrete advice on how to get your man to visit his doctor or seek other professional help When it comes to marriage Weiner Davis has seen it all She knows how important loving satisfying sex is to a healthy marriage The straightforward psychobabble free advice in this book will help you create the intimacy and connection for which you ve been longing **Why Men Don't Listen and Women Can't Read Maps** Allan Pease,Barbara Pease,2004-01-13 Have you ever wished your partner came with an instruction booklet This international bestseller is the

answer to all the things you've ever wondered about the opposite sex. For their controversial new book on the differences between the way men and women think and communicate, Barbara and Allan Pease spent three years traveling around the world collecting the dramatic findings of new research on the brain, investigating evolutionary biology, analyzing psychologists, studying social changes, and annoying the locals. The result is a sometimes shocking, always illuminating and frequently hilarious look at where the battle line is drawn between the sexes, why it was drawn, and how to cross it. Read this book and understand at last why men never listen, why women can't read maps, and why learning each other's secrets means you'll never have to say sorry again.

What Women Should Know about Men Herb Goldberg, 2003

What Every Woman Should Know About Men This stimulating and provocative book by best-selling author Herb Goldberg is about the power women potentially have in their relationships with men and the way to use that power to bring out the best in men's relationship behaviors while creating for women the kind of love experience they grew up to believe was possible. The way women have traditionally been socialized to relate to men, to men actually brings out many men's worst personal features. The end result is a woman who becomes increasingly bitter toward men who can't figure out what they are doing wrong. What Every Woman Should Know About Men explains woman's amazing power over men. It explains why men won't open up, how to handle your man's top 12 blind spots, what he won't say but wants you to know, and how to change him. Most importantly, this book explains why men need women more than women need men. One of the most valuable books ever written in terms of helping women understand men. Simple, easy to read, and understand, and full of priceless tips and suggestions.

About The Author Dr. Herb Goldberg is an internationally recognized relationship specialist and best-selling author of The Hazards Of Being Male and seven other widely selling books. His ground-breaking work on the failure of many traditional relationships has stimulated a great deal of work and discussion. He is a Professor Emeritus at Southern California State University and lives in Los Angeles.

What Men Know That Women Don't Rich Zubaty, 2001-10

Here's a book for both men and women that is guaranteed to start some heated discussions. **FOR WOMEN** Eavesdrop on the secret codes of masculinity. Discover what makes men tick. Penetrate the brain fog of masculine thinking. Peel the cerebral onion of guy hood. Find out how to get your way with your man. **FOR GUYS** Here's a fishing trip down the river of your natural self. A vacation from relationships. A holiday from all things feminine. A trout stream for your brain, naturally cleansed of shopping, feminism, and other female-borne viruses. A chance to drain the blackened oil from your cerebral engine and fill it with five clean quarts of good feelings.
