Akers,2014-03-18 There are many devotional books available containing brief daily inspirations that benefit all who read them This book is different in two respects The first is obvious it contains two readings per day 732 in all The second more important difference is that the author wanted to do more than offer inspiration this would make this book no different than so many others The messages in the book are study sketches in that the content is not only inspirational but also educational challenging and encouraging Most of these writings were based on author Michael J Akers s teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God Disciple Beyond Mediocrity Brian Byrne,2020-08-27 Disciple Beyond Mediocrity addresses the problem of mediocrity found in many churches that are locked into the status quo In this book Dr Byrne portrays the life of a disciple in strict accordance with what the scriptures teach and as an essential element in the renewal of our faith before the Lord returns At the heart of Dr Byrne s examination is the question of mediocrity as it has plagued churches and Christians without number Dr Byrne exposes the nature of mediocrity and on that foundation builds his study of a disciple whose life can be beyond mediocrity Dr

Byrne explores the seven characteristics of being a disciple based on the Lord's own words: Denying oneself, taking up his cross, following the Lord, forsaking attachments to all he has, abiding in His word, bearing much fruit, and loving one another. Central to his study of the life of a disciple are the twin spiritual skills: living by faith and living in the Spirit, with the subject that is central to both being able to hear what the Spirit is saying to the churches. Dr. Byrne then presents his readers with a step-by-step instruction on how to live by faith and includes a memorable parable that reflects his own relationship with the Lord: the Garden of My Heart. The final part of the book takes a leap into the future with Dr. Byrne exploring four events in the life of a disciple in the end of days: being caught up to meet the Lord in the air and being transformed in a brief moment of time into His immortal image, giving account at the judgment seat, the marriage of the bride of Christ with the Lord, and the return of the Lord to the earth with His transfigured disciples to reign with Him for a thousand years. The book concludes with an examination of the destiny of the Lord's disciples in the New Jerusalem that descends to the earth at the end of time. There can be no doubt that Dr. Byrne knows what he is writing about. Each chapter bears the distinctive stamp of personal knowledge and experience. This book should be required reading for all Christians, for those who lead churches, and for those who train leaders in colleges and universities round the world.

Pro Rege Abraham Kuyper, Albert Gootjes, Jordan J. Ballor, Melvin Flikkema, 2017-03-22. Abraham Kuyper firmly believed that Jesus Christ was King, not just of Christians but of the entire cosmos. In volume two of *Pro Rege*, he continues his analysis of the extent to which Christ rules: first in the human heart, then in the life of the church, and continuing to the life of the Christian family. Kuyper believed that it was nonsense to distinguish between life inside and outside of church walls. Here he shows that although the Jesus kingship has been denied and denigrated, Christ still exerts his power in the world through his people. This new translation of *Pro Rege*, created in partnership with the Abraham Kuyper Translation Society and the Acton Institute, is part of a major series of new translations of Kuyper's most important writings. The *Abraham Kuyper Collected Works in Public Theology* marks a historic moment in Kuyper studies aimed at deepening and enriching the church's development of public theology.

How to Develop an Intimate Relationship with God Cedric Iglehart, 2021-08-20. Salvation is the greatest thing that can happen to any human. At the very moment that you wholeheartedly surrender everything to the Lord Jesus Christ, the old things pass away as you become a new creature and are truly set free from the bondage and dominion of sin. But salvation isn't the end; it's only the beginning. It's an entryway into the process of sanctification, which is the means through which every Christian becomes transformed into the very image of Jesus. Following the path from salvation to sanctification can only be done under the guidance of the Lord, and His guidance is only made totally available to those who are close to Him. This means that having a relationship with the Most High God is His intention for you; it's the reason He extended His grace toward you in the first place. This book will show you how to navigate from salvation into service and from there into sanctification by enlightening your understanding of what it means to be spiritually mature. This book will take you through the truths of Scripture and

reveal God's will for your life to you. It will show you how to develop an intimate relationship with God by making you aware of your responsibilities in your interactions with Him and by showing you how to keep them through the practical application of the Word to your everyday life.

The Diatessaron Apostle Arne, 2015-02-18 The Diatessaron c. 160-175 is the most prominent early Gospel harmony and was created by Tatian a nearly Christian Assyrian apologist and ascetic Tatian sought to combine all the textual material he found in the four gospels Matthew Mark Luke and John into a single coherent narrative of Jesus's life and death However and in contradistinction to most later gospel harmonists Tatian appears not to have been motivated by any aspiration to validate the four separate canonical gospel accounts or to demonstrate that as they stood they could each be shown as being without inconsistency or error Tatian's harmony follows the gospels closely in terms of text but in order to fit all the canonical material in he created his own narrative sequence which is different from both the synoptic sequence and John's sequence and occasionally creates intervening time periods that are found in none of the source accounts

Pandemic Preaching David H. Garcia, 2021-10-21 The year of the COVID pandemic was a time like no other in modern history A historical pandemic a racial reckoning a tense and bitterly divided political election an insurrection at the capital and the Texas record freeze created a year that will be long remembered Preachers were charged with making some sense of what was happening and at the same time giving hope that the community would make it through this time together Through a year of homilies based on the Catholic readings of Sundays and Feast days Father David Garcia connects the stories of this historic year to the light of Scripture The homilies weave human experiences with Hispanic culture and traditions as well as moral lessons and Catholic spirituality Pandemic Preaching helps inspire all who have been through this difficult time with powerful stories and sound theological reflection At the same time these writings challenge us to learn the lessons of this unique and difficult year for ourselves

Proximity Rick Spelce, 2017-05-10 What's your distance to God Does the daily grind and distractions in your world have you on a floating raft drifting too far from the shore without you even realizing it Perhaps you have found yourself in a spiritual desert knowing that you are miles and miles away and needing a compass in order to find fertile ground Or maybe you're a maturing disciple who is looking to maintain that spiritual edge in your life For centuries mankind has been on a quest to draw closer to God trying every kind of means and method available to move toward him Proximity turns our attention to the practical applications we all experience on a daily and hourly basis when the struggle is real and where the

disconnect often occurs God pursues us yet he is the constant the one who remains stationary It is up to us to cover this distance and fully experience the love peace and comfort God provides when we are right by his side Are you ready to move in closer proximity to him **Catalog of Copyright Entries.
