**Burning Desire** Paul Linke, 2020-08-19 The book provides some of the information everyone is unconsciously looking for It mentions subjects only a philosopher would know about and more It provides an idea to change the age old belief that there is not enough to go around and therefore we war about the most fundamental resources we can find on Earth The book explains to the best of my knowledge that the universe is a giving entity and all we have to do is learn how this is possible This giving entity is fundamentally two particles in union which is a self contained unit at every scale This union is a dynamic entity which looks like a Torus that generates everything Ancient arts like sacred geometry and others are testimony that there is a fundamental geometric structure in all things and the book highlights this sacred structure known as the Metatron's Cube which is governed by a conscious mind that generates all physical things we are so familiar with It also mentions motion which relates to the golden ratio and how algorithmic functions can explain some of the infinite possibilities we are confronted with

**WILLIAM WALKER ATKINSON Ultimate Collection - 58 Books**

**in One Volume** William Walker Atkinson, 2024-01-10 The William Walker Atkinson Ultimate Collection 58 Books in One Volume is a comprehensive anthology that encapsulates the diverse and transformative contributions of one of the most enigmatic figures in the New Thought movement. Atkinson's work spans a variety of genres including philosophy, self-help, and metaphysics, marked by a unique blend of clarity and engaging prose. This volume examines vital topics such as personal development, mental power, and the workings of the mind, distilled into practical insights that reflect both the optimistic spirit of the early 20th century and the emerging psychological paradigms of his time. Atkinson's insightful explorations challenge readers to harness their inner potential and navigate the complexities of life with resilience and positivity.

William Walker Atkinson was a prolific writer, attorney, and business consultant who embraced and promoted the concepts of mentalism and the law of attraction during a transformative era in American thought. Shrouded in mystery due to his use of multiple pseudonyms, Atkinson sought to disseminate esoteric knowledge to the masses, drawing from various influences such as Eastern philosophy, psychology, and metaphysical teachings. His life experiences propelled him to develop a rich body of work that aims to empower individuals toward achieving their aspirations and understanding their place in the universe.

This anthology is a must-read for anyone interested in self-improvement, spirituality, and the foundations of modern psychological thought. Atkinson's timeless wisdom resonates with contemporary readers, inviting them to embark on a journey of self-discovery and enlightenment. Whether you are a seeker of knowledge or a devotee of New Thought philosophy, this ultimate collection is poised to inspire and transform your understanding of the mind and the art of living.
