Scripture and the relevance of the audience spoken or written to in God's Word *The Four Keys to the Millennium* Jay Rogers, 2010-03-29 All Christians believe that their great God and Saviour Jesus Christ will one day return. Although we cannot know the exact time of his return, what exactly did Jesus mean when he spoke of the signs of his coming? Matthew 24. How are we to interpret the prophecies in Isaiah regarding the time when the earth will be full of the knowledge of the LORD as the waters cover the sea? Isaiah 11:9. Should we expect a time of great tribulation or reformation and revival before the Lord returns? How do we approach this inspired prophetic book? In what way do these approaches affect our interpretation of the thousand years of Revelation 20? Is the devil bound now, and are the saints reigning with Christ? These and many more questions are dealt with by the four authors in *The Four Keys to the Millennium*. The editor Michael Meiring also makes an analysis of the four essays, identifying the strengths and weaknesses of each view. **Fortress Commentary on the Bible** set Gale A. Yee, Cynthia Briggs Kittredge, David A. Sanchez, Hugh R. Page Jr., Margaret Aymer, Matthew J. M. Coomber, 2015-06-02 *The Fortress Commentary on the Bible: The Old Testament and Apocrypha* and *Fortress Commentary on the Bible: The New Testament* present a balanced synthesis of current scholarship on the Bible, enabling readers to interpret scripture for a complex and pluralistic world. Introductory articles in each volume discuss the dramatic challenges that have shaped contemporary interpretation of the Bible. Commentary articles set each book of the Old and New Testaments and the Apocrypha in its historical and cultural context, discuss the themes in each book that have proven most important for the Christian interpretive tradition, and introduce the most pressing questions facing the responsible use of the Bible today. The writers are renowned authorities in the historical interpretation of the Old and New Testaments, sensitive to theological and cultural issues arising in our encounter with the text, richly diverse in social locations and vantage points, representing a broad array of theological commitment: Protestants, Catholics, Jews, and others, and alive to the ethical consequences of interpretation today. A team of six scholar editors and seventy contributors provides clear and concise commentary on key sense units in each book of the Old Testament, Apocrypha, and New Testament. Each unit is explored through the lenses of three levels of commentary based on these critical questions. The result is a commentary that is comprehensive and useful for gaining insights on the texts for preaching, teaching, and research. In addition to the commentary essays on each book, the volumes also contain major essays that introduce each section of Scripture and explore critical questions as well as up-to-date and comprehensive bibliographies for each book and essay. **ESV Global Study Bible** Crossway Bibles, 2012 *The ESV Global Study Bible* is a one-volume study resource for globally minded Christians everywhere. It has been designed to be highly accessible and priced for distribution on a global scale. *The Journey We Must All Take* Al Perez, 2014-11-19 Are the Allah of Islam and the God of the Bible one and the same? Do Mormons, Catholics, and Protestants share the same beliefs? What's the difference between the Christian Bible and the Islamic Quran? What is a Christian? *The Journey We Must All Take* by author Al Perez provides clear and concise answers to these and many more questions in straight-forward, plain, layman's

language In addition to answering basic questions concerning religion Perez looks at the different world belief systems from Atheism to Pantheism and Monotheism and compares their beliefs in seven common key areas He offers clear rational arguments to help ascertain the validity of each religion and their specific beliefs The Journey We Must All Take provides brief histories on Islam and Judaism and concludes with a comprehensive discussion on the Bible and Christianity Using personal examples from his own spiritual journey Perez presents a Christian apologetics written for the layman that will guide them through the maze of religions and beliefs
