Fry,2005-11 A New Vision of God for the 21st Century Discovering the Essential Wesley for Pastors and Other Seekers STANLEY A FRY The need for a book focused on John Wesley as a preacher has been apparent for some time However as fascinating as such an historical work would have been its value for the preaching and teaching ministries of the church in the 21st century would have been very limited The author has turned this study of Wesley s preaching into a search for the preachable and teachable essence of Wesley s message That effort has required a bit of surgery on Mr Wesley which is designed to fit his doctrine of salvation with a new vision of God and another vocabulary responsive to the spiritual sensitivities of the 21st century The result includes a critique not only of Wesley but of some of the orthodox doctrines promulgated very early in the church s history Rather than write a memoir in his retirement the author has chosen to write this homiletical essay as a testimony to his own spiritual journey It is not a method book but rather a message book **The History of the Rise, Increase, and Progress, of the Christian People Called Quakers** ,1795
