## **Evidence Answers And Christian Faith:**

Evidence, Answers, and Christian Faith James F. Williams, 2002 Straightforward answers for the difficult questions families face about God faith and the Bible      **Evidence for Hope** Robert Valiant, 2008-01-01 Do you ever wonder if there really is a God Do you want to know once and for all whether we evolved or were created Do you ask yourself if the Bible really contains truth or is loaded with errors And what about Jesus Did he really walk the earth Was he a good man and teacher or God on earth who died and rose from the dead If you have questions on any of these you've come to the right place Evidence for Hope boldly asks and answers the tough questions building the case for biblical truth based on historical scientific and eyewitness evidence If you've read other books on this subject but came away with questions you'll get them answered here in a way that is easy to understand Whether you are a skeptic a searcher or a Christian this book will bring you face to face with Jesus and the truth about who he is And it will provide you with concise memorable facts and references to back up what you learn here The author Robert Valiant has gone through skeptical periods in his own life A graduate of Gettysburg College in Pennsylvania he has been gathering evidence to strengthen his own faith for over twenty years The results of his research and discovery are contained in this book      **The Evidences of the Christian Religion** Archibald Alexander D.D., 2017-02-09 While dealing with theological liberalism a foothold was needed in order to define how to use reason when looking at the scriptural texts Alexander made a huge leap forward in this work to justify how to use reason to defend the faith and also justify the miracles that are contained with the Bible Although even today these works are still under attack this work is a step forward      **An Answer to a printed paper entitled "Manifesto of the Christian Evidence Society;" the third edition. To which is annexed, A rejoinder to a pamphlet by the same author ... R. Taylor ... entitled "Syntagma of the Evidences of the Christian Religion."** John Pye Smith, 1829      *The Evidences of the Christian Religion* Archibald Alexander, 1832      **Evidence of the truth of the Christian religion, derived from the literal fulfilment of prophecy. Stanley's poetical interpretations ... Thirty-seventh edition, much enlarged. With daguerreotype views** Alexander Keith, 1873      *The Reasonableness of the Christian Religion ... Paley's Natural Theology.].* 1815      A Layman's Faith: being a review of the principal evidences of the truth of the Christian Religion ... By a Free-thinker and a Christian [i.e. J. Mawer]. John MAWER, 1732      An inquiry into the

evidence of Christianity, in question and answer. By a layman, etc. [Signed: B.], 1823      Skeptics Answered Dr. James Kennedy, 2011-10-05 D James Kennedy takes on some of the most asked questions regarding the validity of the Christian faith in Skeptics Answered In clear unassuming language Dr Kennedy examines the reliability of the Bible the nature of God and Christian faith in the face of life s harsh realities Skeptics Answered uses factual well reasoned arguments to affirm the faith of Christians everywhere Ideal for both personal and group study it makes an excellent gift for any non believer who as a matter of intellectual integrity is willing to consider the clear evidence for the Christian faith      **Evidence that Demands a Verdict, eBook** Josh McDowell, 1999-10-13 Among important books in the defense of Christianity this one has few equals Evidence That Demands a Verdict is an easy to read front line defense for Christians facing the tough questions of critics and skeptics Using secular evidences and other historical sources Josh McDowell s faith building book is a must read for every Christian      *Syntagma of the Evidences of the Christian Religion. Smith, etc* Robert TAYLOR (A.B., M.R.C.S.), 1828      WHY GOD IS KILLING RELIGION CHARLES MORGAN, 2014-04 Charles Morgan a confirmed atheist argues that the Christian church does in fact have a vital message and could play a major role in modern society However it insists of making itself inaccessible to modern people with its layers of mumbo jumbo and strange and unlikely beliefs In this book he maps out just how the church might apply the philosophy of Jesus Christ in a secular world order Morgan also shows how from the point of view of a scientist the intelligent design and Creation theories have some of the truth in them and goes on to show how meditation and the use of designer mood drugs could fit into modern society and Christian ethics      **A Brief Outline of the Evidences of the Christian Religion, etc** Archibald Alexander, 1830  
*Reason & the Contours of Faith* Richard Rice, 2013-05-17 Can reason and religion get together Should believers think Can thinking people believe Does religion have to make sense Does careful thinking help or hinder religious experience People have wrestled with such questions for hundreds of years and they are just as perplexing today as ever *Reason the Contours of Faith* explores the wide ranging issues these questions raise from biblical interpretation and proofs for God s existence to the nature of religious conversion Its central purpose is to find an alternative to both fideism the idea that reason has nothing to do with faith and rationalism the conviction that reason has everything to do with it Part One Reason and the Contents of Faith argues that reason contributes in important but limited ways to our understanding of religion Part Two Reason and the Experience of Faith shows that reason can support religious commitment but never produces it
