The Evidential Force of Religious Experience

Caroline Franks Davis

Evidential Force Of Religious Experience

Caroline Franks Davis

Evidential Force Of Religious Experience:

The Evidential Force of Religious Experience Caroline Franks Davis, 1989 With this volume Caroline Franks Davis provides a sensitive assessment of the value of religious experiences as evidence for religious beliefs *Religious Experience and the Knowledge of God* Harold A. Netland, 2022-02-08 For many Christians personal experiences of God provide an important ground or justification for accepting the truth of the gospel But we are sometimes mistaken about our experiences and followers of other religions also provide impressive testimonies to support their religious beliefs This book explores from a philosophical and theological perspective the viability of divine encounters as support for belief in God arguing that some religious experiences can be accepted as genuine experiences of God and can provide evidence for Christian beliefs

The Evidential Force of Religious Experience Caroline Franks Davis, 1987 **Religious Experience and Religious Lives** Walter Scott Stepanenko, 2023-08-01 Religious Experience and Religious Lives An Epistemology defends a moderate approach to religious experiences in which they can contribute to the justification of central religious beliefs most importantly belief in God Epistemologists of religion disagree about what evidential value religious experiences have Some argue that religious experiences have no evidential value while others argue that religious experiences constitute proof of God's existence However Walter Scott Stepanenko argues that religious experiences can contribute to these justificatory cases in several distinct ways and that several justificatory cases are philosophically viable This book contends that this joint justificatory viability is best explained by the diversity and development of religious lives as religious believers grow in a faith tradition their access to an evidential base can develop and the contributory work religious experiences provide in defense of religious belief can change This suggests that various epistemologies of religious experience implicitly emphasize different life stages or different prototypical religious believers and that a fully adequate epistemology of religious experience will be expansive pluralistic and responsive to the diversity of religious believers and their development in a religious tradition

The Roots of Religion Roger Trigg, Justin L. Barrett, 2016-02-24 The cognitive science of religion is a new discipline that looks at the roots of religious belief in the cognitive architecture of the human mind The Roots of Religion deals with the philosophical and theological implications of the cognitive science of religion which grounds religious belief in human cognitive structures religious belief is natural in a way that even scientific thought is not Does this new discipline support religious belief undermine it or is it despite many claims perhaps eventually neutral This subject is of immense importance particularly given the rise of the new atheism Philosophers and theologians from North America UK and Australia explore the alleged conflict between truth claims and examine the roots of religion in human nature Is it less natural to be an atheist than to believe in God or gods On the other hand if we can explain theism psychologically have we explained it away Can it still claim any truth This book debates these and related issues

The Epistemology of Religious Experience Keith E. Yandell, 1994-11-25 Arguing against the notion that religious experience is

ineffable while advocating the view that it can provide evidence of God's existence this text contends that social science and nonreligious explanations of religious belief and experience do not cancel out the force of the experience *Religious Experience* Amber L. Griffioen, 2021-12-23 This Element looks at religious experience and the role it has played in philosophy of religion It critically explores the history of the intertwined discourses on mysticism and religious experience before turning to a few specific discussions within contemporary philosophy of religion One debate concerns the question of perennialism vs constructivism and whether there is a common core to all religious or mystical experience independent of interpretation or socio historical background Another central discussion concerns the epistemology of purportedly theophanic experience and whether a perceptual model of religious experience can provide evidence or justification for theistic belief The Element concludes with a discussion of how philosophy of religion can productively widen its treatment of religious experience in the service of creating a more inclusive and welcoming discipline *Intuitive Knowing as Spiritual Experience* Phillip H. Wiebe, 2015-09-16 This book is Wiebe's defense of the claim that a significant form of spiritual experience is found in knowing something we have no right to know He selects forty five first hand accounts from a data base at the University of Wales to make his case and in solidarity with those people recounts something of his own experience *SCM Studyguide to Religious and Spiritual Experience* Jeff Astley, 2020-02-28 This Studyguide provides a succinct and lucid introduction to the subject for those studying and teaching religion at both undergraduate and GCE AS A level By exploring the key areas of both the empirical and theoretical study of religious and spiritual experience the Studyguide will serve as an accessible and nonpartisan guide to enable its readers to explore the range of challenging data debates approaches and issues that relate to the study of this widespread and significant phenomenon *Probability in the Philosophy of Religion* Jake Chandler, Victoria S. Harrison, 2012-04-26 These specially written essays show that philosophy of religion is fertile ground for the application of probabilistic thinking The authors examine central topics in the field the status of evidence relating to the question of the existence of God the rationality of religious belief and the epistemic significance of religious disagreement **Philosophy of Religion** Keith E. Yandell, 2016-05-20 Keith Yandell's *Philosophy of Religion A Contemporary Introduction* was one of the first textbooks to explore the philosophy of religion with reference to religions other than Christianity This new revised edition explores the logical validity and truth claims of several world religions Christianity Judaism Islam Hinduism Buddhism and Jainism with updated streamlined discussions on important topics in philosophy of religion such as Religious pluralism Freedom and responsibility Evidentialist Moral Theism Reformed Epistemology Doxastic Practice Epistemology The problem of evil Ontological and cosmological arguments Other new features include updated Questions for Reflection and new Annotated Bibliographies for each chapter as well as an updated Glossary This exciting new edition much like its classic predecessor is sure to be a classroom staple for undergraduate students studying philosophy of religion as well as a comprehensive introductory read for anyone interested in the subject *Religious Experience Reconsidered* Ann

Taves,2011-10-23 Annotation Ann Taves addresses the subject of religious experience directly and the problems of reductionism and humanistic fears of the sciences indirectly and by example The orientation of this book is practical more than philosophical

Religious Experience of the Pneuma Clint Tibbs,2012-04-26 This book explores the Christian religious experience of the pneuma given in 1 Corinthians 12 and 14 The experience Paul mentions in these texts as well as the mention of spirits in three different places suggest that Paul was actually writing about communicating with the spirit world

WJEC/Eduqas A Level Religious Studies Key Thinkers: Philosophy Ruth Marx,Rebecca Neale,2024-02-23 An essential companion to help students master one of the most important areas of their Religious Studies course in Philosophy knowing the key thinkers Provides an overview of each thinker s life and their ideas with key dates social context and why they are important Helps students understand the thinkers main arguments and how they justified their approach to philosophy allowing students to evaluate the theories them for themselves Exam guidance section in each chapter provides a focus for revision and includes advice on how different types of questions could be tackled Encourages students to explore each area of scholarly knowledge required by the specification from grasping key ideas to knowing how to best criticise a thinker s approach Puts ideas and theories into contemporary contexts to help students build their evaluation skills Timeline displaying an overview of the key dates for each thinker in relation to world events

Scripture and Knowledge Biderman,1995-11-01 At the core of Scripture and Knowledge lies the problem of the nature of religious knowledge The author argues that religion is a particular framework rather than a particular content or defined set of performances He sees this framework as epistemological that is as one that furnishes believers with a conception of knowledge alternative to that of philosophical reasoning The thesis on the epistemological nature of religion will be developed by the examination of the concept of scripture as a body of authoritative and even infallible texts The concept of scripture is presented as one of the constitutive concepts of the epistemological framework of religion The author argues that the various scriptures and their commentaries should be understood as the arena within which the epistemological process of religion takes place and the central epistemological means by which religious knowledge is made possible

The Rationality of Theism Paul Copan,Paul Moser,2004-07-31 The Rationality of Theism is a controversial collection of brand new papers by thirteen outstanding philosophers and scholars Its aim is to offer comprehensive theistic replies to the traditional arguments against the existence of God offering a positive case for theism as well as rebuttals of recent influential criticisms of theism

Analytic Philosophy of Religion James Franklin Harris,2013-03-14 When Gene Long editor of Kluwer s Handbook of Contemporary Philosophy of Religion Series first invited me to write the volume on Analytic Philosophy of Religion I accepted with great enthusiasm My only explanation for that enthusiasm now is that I was younger and more naive at the time Soon after starting work on the volume my enthusiasm was dampened by the daunting magnitude of the task I began as a sprinter and quickly settled into the pace of a long distance runner Although I considered myself well read in the subject I soon discovered that I

had a great deal of research to do to be confident that I had considered all of the major contributions to the various discussions issues and of religion As I read more and more problems found within analytic philosophy books and articles I realized that I had rushed into a territory already well trodden by the angels I am greatly impressed by the sophistication and subtlety of philosophical argument that characterize the different debates in contemporary analytic philosophy of religion This volume covers a vast amount of material I have endeavored to provide the fairest possible reading of different authors and in cases where I include my own critical evaluations and develop my own positions I have endeavored to provide the strongest possible interpretations of the positions I criticize Understanding Philosophy of Religion Edexcel Text Book

Libby Ahluwalia,2008-06 This new approach to the Philosophy of Religion option is perfect for the all new revised AS and A2 Religious Studies qualification A thorough and detailed approach to the material makes this subject accessible for all AS and A2 students and will particularly help ensure higher achieving students attain their best grades William James and The

Varieties of Religious Experience Jeremy Carrette,2004-11-05 This new companion to William James The Varieties of Religious Experience offers contemporary responses to James s seminal book from key international experts

Contemporary Arguments in Natural Theology Colin Ruloff,Peter Horban,2021-06-17 In recent years there has been a bold revival in the field of natural theology where natural theology can be understood as the attempt to demonstrate that God exists by way of reason evidence and argument without the appeal to divine revelation Today s practitioners of natural theology have not only revived and recast all of the traditional arguments in the field but by drawing upon the findings of contemporary cosmology chemistry and biology have also developed a range of fascinating new ones Contemporary Arguments in Natural Theology brings together twenty experts working in the field today Together they practice natural theology from a wide range of perspectives and show how the field of natural theology is practiced today with a degree of diversity and confidence not seen since the Middle Ages Aimed primarily at advanced undergraduates and graduate students the volume will also be of interest to researchers in philosophy theology biblical studies and religious studies as an indispensable resource on contemporary theistic proofs

Decoding **Evidential Force Of Religious Experience**: Revealing the Captivating Potential of Verbal Expression

might not be the Evidential Force Of Religious Experience full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Evidential Force Of Religious Experience eBooks, including some popular titles.

FAQs About Evidential Force Of Religious Experience Books

What is a Evidential Force Of Religious Experience PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Evidential Force Of Religious Experience PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Evidential Force Of Religious Experience PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Evidential Force Of Religious Experience PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Evidential Force Of Religious Experience PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. **How do I compress a PDF file?** You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. **Can I fill out forms in a PDF file?** Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
