Evil Days The

John Milton

Evil Days The:

In Evil Days Stephen E. Baiden, 2011-10 As the news of natural disasters war and economic upheavals blanket the media the looming prospect that the end times are upon us heavily on many For Christians it is imperative to use Scripture to deal with these challenging days Based on years of research and in depth study of the Scriptures In Evil Days presents step by step guidelines for living a righteous life during these last days on Earth Baiden uses the tools of the Scripture to help Christians understand their divine call to be shining beacons of light for the lost of this world especially during these tumultuous times In clear concise language Baiden discusses how Christians should prepare to do daily battle with the evil that continues to permeate society and shows the error of those Christians who have turned to the ways of the world thereby weakening their faith Baiden explains how Christians should enter by the narrow gate by putting their trust in Christ Jesus and his divine power alone thus becoming victorious over sin and avoiding the calamities of the end times As Baiden notes As evil and ungodliness increase so do God s love mercy and grace This is his message to Christians in In Evil Days

Redemption of Time, the duty and wisdom of Christians in evil days. Or, a practical discourse, shewing what special opportunities ought to be redeem'd, etc John WADE (Minister of Hammersmith.), 1692 Scriptural Matters a Collection of Titles that Form the Heart of the Christian Faith Rev. Babatunde Ezekiel Ajibola, 2011-03-19 This book is a collection of write ups that deals with scriptural matters that are very important and need to be thoroughly explained for the enlightenment of believers and unbelievers alike **Paradise Lost** John Milton, 1749 **The Commentaries of Origen and Jerome on St. Paul's Epistle to the Ephesians** Ronald E. Heine, 2002-12-05 This important study provides the first English translation of both the surviving fragments of Origen s Commentary on Ephesians and of the complete text of Jerome s Commentary on Ephesians The two translations are placed parallel to one another where they treat the same texts in Ephesians thus showing Jerome s extensive dependence on Origen s commentary By using collateral texts from other works of Origen Jerome and Rufinus the author is able to show Jerome s dependence on Origen in numerous passages in his commentary where the Greek text of Origen s commentary is lost The translation is accompanied by Heine s illuminating commentary and a substantial introduction sets the works in their historical context The book makes a significant contribution not only to scholarship on Origen and Jerome but also to the wider question of the interpretation of scripture in the early Christian centuries The Works of the British Poets with Prefaces, Biographical and Critical, by Robert Anderson Robert Anderson, 1795 **The Works of the British Poets** Robert Anderson, 1795 *Christ's Famous Titles, and A Believer's Golden Chain* William Dyer, 1698 Select Works of the British Poets, in a Chronological Series from Ben Jonson to Beattie John Aikin, 1843 The Homilist David Thomas, 2023-11-18 Reprint of the original first published in 1875
