Okafor ran wildly through the jungle the phantom captain and his ghoulish platoon in hot pursuit The faster he ran the more they gained on him The earth suddenly became marshy and slippery under his feet impeding speed and balance He came to an intersection where the jungle paths crossed and saw a mound of earth about four feet high Just beyond the mound stood a giant Iroko tree Intuitively he knew that if he jumped over the mound and quickly climbed up the tree the ghostly captain and his soldiers would lose him Eons merge in interstellar whirls Realism science fiction and fantasy fuse to drive this drama of transition cross civilisation and self discovery *Nnedi Okorafor* Sandra J. The Monster Baru Cormorant Seth Dickinson,2018-10-30 A breathtaking geopolitical epic fantasy The Monster Baru Cormorant is the sequel to Seth Dickinson s fascinating tale The Washington Post The Traitor Baru Cormorant Her world was shattered by the Empire of Masks For the power to shatter the Masquerade She betrayed everyone she loved The traitor Baru Cormorant is now the cryptarch Agonist a secret lord of the empire she s vowed to destroy Hunted by a mutinous admiral haunted by the wound which has split her mind in two Baru leads her dearest foes on an expedition for the secret of immortality It s her chance to trigger a war that will consume the Masquerade But Baru s heart is broken and she fears she can no longer tell justice from revenge or her own desires from the will of the man who remade her At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied *Total Recall I* Anagba Jibunor,2015-03-13 Total Recall 1 is not a one story coherent book though This is to say that it does not zero in on one story from beginning to the end Rather it is a collection of different stories put together into a small book From the story of a

kingdom a small town that divides against itself when the British brings their system of government in which political parties are formed to contest against each other Members of the different political parties begin to fight Members of one party would attack members of another party both physically and diabolically Then the military intervenes by staging a coup The nation plunges into war The same actors in the political party wars begin to use the military to try to destroy their erstwhile political enemies by inventing false accusations against one another To the story of a woman who marries into a land thats far away from her own In the new environment she is just like an orphan No mother no father no near next of kin Circumstances of life play it well to take advantage of her helplessness by accusing her of murder by witchcraft To stories of African mysticism The stories are as diverse as they are many Total Recall 1 is a new kid in the block The stories are so unique there is a good chance you have not read any story like some of them before It is written to introduce the world to Africa the real everyday Africa Not the Africa of fiction or the Africa of twisted tales that early European explorers fed their kinsfolk at home Strangely enough these tales have stuck and refused to die It is my hope that through the knowledge gained from this book the world will begin to understand why Africans do their things the way the world has become accustomed to The stories in this book will introduce the world to the factors that shape the everyday thinking process of the average African This I hope will introduce a little respect in the arena of international politics

The Invasion of the Funky Pastors Harry N Agina,2010-03-15 When I left Nigeria as a

boy for the USA in search of the proverbial greener pastures there was Christianity and there was the African Culture in Nigeria both of which I had grown up in Christianity fed me with the word of God while my African Culture made me desirably and proudly different from a white man an Indian Mexican or Asian That was many years ago in the mid1900s Today when I visit my little remote African village to enjoy some of the cultural values that I have missed so much while in the western world my brethren in the village tell me that the culture is no more Indeed the entire Christian community of Nigeria seems to be heading towards the notion that the African Culture is suddenly out of fashion The people s excuse is that they have seen the light in their new wave Christianity Some traditionalists are not taking the culture abuse lying down and with their fire for fire response to the Christian zealots there is truly a war of cultures in Nigeria I am right in the middle of it and this is my story I must prepare my reader s mind for my general hardnosed criticism of Nigerian Commercial Church in this story I lament that too many Christians are willfully making mischief and a whole lot of money all in the name of God I am a devout Christian and would never advertently say one bad word against Christianity or any religion for that matter My grouse is with the growing number of mischievous funky pastors their zombie like followers their gross misinterpretation of the Holy Bible and the war that they have declared against the African Culture One might even say that my criticism is venomous but I call it brutally frank or frankly brutal
