Evil Shepherd:

Bad Shepherds Rod Bennett, 2018-11-16 Shocked to find corruption widespread in the ranks of their shepherds today too many good Catholics are tempted to leave the Church unaware that ever since the days when Jesus own treasurer Judas Iscariot had his hand in the till the Good Shepherd and His faithful followers have regularly been betrayed by bad shepherds

The Good Shepherd Kenneth E. Bailey, 2014-11-18 Kenneth Bailey with his celebrated insights into Middle Eastern culture traces the theme of the good shepherd from its origins in Psalm 23 through the prophets and into the New Testament observing how it changed developed and was applied by the biblical writers over a thousand year span **Israel's Only**

Shepherd Wayne Baxter, 2012-01-26 A comparison of the shepherd metaphor in Matthew s Gospel with its use in early Jewish Christian and Graeco Roman writings shedding light on Matthew s socio religious location *Zechariah* William Lindsay Alexander, 1885 *Christ, Shepherd of the Nations* Jon Morales, 2017-12-28 Does John s Apocalypse envision

destruction or salvation for the nations of the world Scholarly views on this issue range from extreme total destruction to extreme universal salvation Jon Morales maintains that the question must be reframed to highlight not only the destiny of the nations but also their dilemma within the drama of world history Using narrative methodology Morales asks four key questions concerning the nations What is John s story of the nations How does he tell this story What is John s message to the nations And what is his message to the church concerning the nations Literary characters cannot be understood in the abstract but must be rather discovered sequentially in the development of an entire narrative The nations in Revelation are no exception Understanding that previous studies have neglected to situate the nations within Revelation s larger plot or in interaction with other narrative characters Morales concludes that John s purpose is to show that the nations belong to God John achieves his purpose in part by deploying a novel metaphor virtually unexplored until now Christ shepherd of the nations **The Evil Shepherd** Edward Phillips Oppenheim, 1940 **Shepherds** Daniel C. Fredericks, 2017-04-27 How does

God manage his entire creation Has he had a plan a theme a metanarrative or something else which he follows that gives a unity to all of his efforts Shepherds describes the relationship between the Creator and his creation a relationship that is structurally integrated by the very core of who God is There is a design within creation that radiates from his personal unique being What God created and how he manages it is a marvelous extension of who he is and how he acts This relationship between God and his creation is not patterned only on his essence or being but on his powerful and loving will and acts Rather than a literary grid to which theme and metanarrative attempt to subject God s relationship with humanity Shepherds recognizes that all of creation bears the eternal design emanating from God s very nature Scripture is not a story about Israel or the church it is not simply a story of redemption it is a window into the eternal design by which God created reality and will eternally sustain that creation *Zechariah* George L. Klein, 2008 One in an ongoing series of esteemed and popular Bible commentary volumes based on the New International Version text **The Moody Handbook of Messianic**
