*The Evolution of Soviet Security Strategy, 1965-1975* Avigdor Haselkorn, 1978      **The Evolution of Soviet Security Strategy, 1965-1975** Avigdor Haselkorn, 1978      **Professional Journal of the United States Army**, 1980-07

**Strategy Paper** ,      **A History Of Russia Volume 2** Walter G. Moss, 2004-10-01 Moss has significantly revised his text and bibliography in this second edition to reflect new research findings and controversies on numerous subjects He has also brought the history up to date by revising the post Soviet material which now covers events from the end of 1991 up to the present day This new edition retains the features of the successful first edition that have made it a popular choice in universities and colleges throughout the US Canada and around the world      **Quarterly Review of Military Literature**, 1980      *Soviet Power* James Sherr, 1987-06-18      **Soviet Power: The Continuing Challenge** James Sherr, 1991-06-18 Representing the culmination of an RUSI main theme study Soviet Power and Prospects this volume is based on the Institute's proposition that military power exerts a profound influence on the course of world politics and that such power cannot be divorced from its social and political context      **Reassessing Russia's Security Policy** Nurlan Aliyev, 2023-12-11 This book provides a detailed analysis of the evolution of Russia's security policy Based on extensive original research including an analysis of official documents political and military elite speeches interviews and reports and considering the subject from the early 20th century onward the book evaluates how far Russia's security policy is underpinned by strategic asymmetry the acceptance by Russia of its inferior military position and the pursuit of its strategic aims through the application of a variety of methods military and non military including the manipulation of public opinion the use of economic leverage and external security approaches known as Russia's hybrid war operations to gain the advantage over a militarily and economically superior adversary The book discusses how Russia's security policy has been and is being applied in specific cases including the present war in Ukraine the Russian anti satellite program and Russia's contemporary Afghan policy The aim of the book is to explain how and why Russia uses different security strategies and methods using these three cases      National Security and International Environmental Cooperation in the Arctic — the Case of the Northern Sea Route Willy Østrem, 2012-12-06 The basic objective of this report is to place the debate about the future of the Northern Sea Route into the larger picture of Arctic politics and the emerging agenda of the Arctic as a developing region in international society National security and international environmental cooperation are the objects of study employed both separately and in various conceptual combinations to realize this purpose To help me in this I was privileged to draw on the profound expertise of my highly esteemed co authors Professor Franklyn Griffiths at the University of Toronto and Senior Researchers at IMEMO in Moscow Raphael Vartanov Alexei Roginko and Alexander Kolossov To their cooperative spirit friendship and solid contributions to this report am deeply indebted The report is the result of multiple contributions both in terms of substance and funding extending far beyond the inputs of the team of authors The professional input and thorough work behind the

scene done by Liv Astrid Sverdrup Researcher at FNI at an early stage of the project has been invaluable Senior Consultant Kjell Moe at the Norwegian Polar Institute also provided valuable comments and improvements to the biological parts of the Introductory chapter whilst Senior Consultant Ann Skarstad at FNI worked wonders with the language for those of us not having English as our mother tongue Claes Lykke Ragner Deputy head of the NSROP secretariat and Dr **Security Dynamics in the Former Soviet Bloc** Graeme P. Herd, Jennifer D.P. Moroney, 2013-06-17 *Security Dynamics in the Former Soviet Bloc* focuses on four former Soviet sub regions the Baltic Sea region the Slavic republics the Black Sea region and Central Asia to explore the degree to which democratic security which includes de politicisation of and civilian oversight of the military resolution of conflicts by international cooperation and involvement in international organisations It examines how far states in these regions have developed cooperative foreign and security policies towards their immediate neighbours and key Western states and organisations explores the interplay between internal and external aspects of democratic security building and uses case study examples to show how inter state bi lateral and multi lateral relations are developing

**Strategic Review**, 1978 dedicated to the advancement and understanding of those principles and practices military and political which serve the vital security interests of the United States *The Treaty on Conventional Armed Forces in Europe* Mark Wilcox, 2024-03-04 This work examines the CFE Treaty as a factor in Russia's foreign and security policy Moscow showed amazing persistence in their relationship with the cornerstone of European security Their approach to the treaty was a genuine attempt to shape the security environment in Europe and the former USSR The treaty also enabled the dismantling of large conventional forces as they returned from Eastern Europe and transitioned into the armies of the newly independent states of the former USSR The CFE Treaty though proved ineffective at constraining the enlargement of NATO Simultaneously Moscow's foreign and security policy evolved from one that focused on the domestic development of the country to that of a more confident state reasserting itself as a great power Drawing extensively on primary sources and analyses by Russian authors this book employs two historical narratives case studies and a conceptual framework to show that while Moscow remained engaged with the CFE Treaty undesired effects on Russia's national interests gradually accrued at the expense of desired ones leading Vladimir Putin to withdraw Russia from the treaty as an act of decoupling from the collective West This book is relevant to scholars and policymakers who want to understand Russia's approach to arms control as an element of military security **The Columbia Guide to the Cold War** Michael Kort, 2001-03-08 The Cold War was the longest conflict in American history and the defining event of the second half of the twentieth century Since its recent and abrupt cessation we have only begun to measure the effects of the Cold War on American Soviet post Soviet and international military strategy economics domestic policy and popular culture The Columbia Guide to the Cold War is the first in a series of guides to American history and culture that will offer a wealth of interpretive information in different formats to students scholars and general readers alike This reference contains narrative essays on key events and issues and also

features an A to Z encyclopedia a concise chronology and an annotated resource section listing books articles films novels web sites and CD ROMs on Cold War themes
