Past and Present of Macomb County, Michigan Robert F. Eldredge, 1905 **West Coast Creepy Buildings: Their Storied Past** Marques Vickers, 2020-04-21 This edition showcases the effects and consequences of human depravity frailty and criminal activity The showcased and photographed remaining structures generally appear nondescript and ordinary masking their significance and infamy Throughout the West Coast these commonplace buildings silently testify to events involving violence and individuals whose acts have scarred others society and sometimes simply themselves Their stories remain compelling evidence towards the fragility of the human experience and lives severed abruptly Once you've absorbed the history behind each building you will never view them with indifference again Paranormal activity within their confines is commonly reported

Herbert,1884 **Last Chance For Victory** Scott Bowden,Bill Ward,2025-05-01 Gettysburg is the most written about battle in American military history Generations after nearly 50 000 soldiers shed their blood there serious and fundamental misunderstandings persist about Robert E Lee s generalship during the campaign and battle Most are the basis of popular myths about the epic fight Last Chance for Victory Robert E Lee and the Gettysburg Campaign addresses these issues by studying Lee s choices before during and after the battle the information he possessed at the time and each decision that was made and why he acted as he did Even options open to Lee that he did not act upon are carefully explored from the perspective of what Lee and his generals knew at the time Some of the issues addressed include Whether Lee s orders to Jeb Stuart were discretionary and allowed him to conduct his raid around the Federal army The authors conclusively answer this important question with the most original and unique analysis ever applied to this controversial issue Why Richard Ewell did not attack Cemetery Hill as ordered by General Lee and why every historian who has written that Lee s orders to Ewell were discretionary are dead wrong Why Little Round Top was irrelevant to the July 2 fighting a fact Lee clearly recognized Why Cemetery Hill was the weakest point along the entire Federal line and how close the Southerners came to capturing it Why Lee decided to launch an echelon attack on July 2 and why most historians have never understood what it was or how close it came to success Last Chance for Victory will be labeled heresy by some blasphemy by others all because its authors dare to call into question the dogmas of Gettysburg But they do so carefully using facts logic and reason to weave one of the most compelling and riveting military history books of our age Readers will never look at Robert E Lee and Gettysburg the same way again **The Human Tradition in the Civil War and Reconstruction** Steven E. Woodworth,2000-02-01 The Human Tradition in the Civil War and Reconstruction brings alive this decisive period in American history by taking the reader beyond the realm of generals presidents and the other towering figures of history and introducing fourteen individuals who represent the variety of people who made up the great mass of the nation in the middle of the nineteenth century Readers will meet women like LaSalle Pickett whose activities not only reveal a good deal about marriage and gender during the period but also offer a fascinating look at the postwar southern propaganda effort on behalf of the Lost Cause A chronicle of the home front is

offered in the piece on journalist poet and novelist Lucy Virginia French The abolition movement particularly as an outgrowth of religious conviction is covered in the sketch of Charles Grandison Finney The chapters on Robert Smalls and Willis Augustus Hodges illustrate the roles played by African Americans during the war and Reconstruction Francis Nicholls's virulent southernism is counterpointed in the sketch of Charles Henry Foster whose unionism in a southern state highlights the complexity of choices and motivations of Americans in the Civil War era Readers will also meet people like Winfield Scott Hancock and Richard S Ewell whose experiences illustrate the challenges confronted by mid ranking military commanders The naval war often a neglected aspect of the era is the focus of the piece on Raphael Semmes and a chapter on common soldier Peter Welsh reflects the important part played by immigrants in this conflict An excellent resource for courses on this tumultuous era The **Human Tradition in the Civil War and Reconstruction** examines a side of this historical period rarely seen in standard texts

The History Essays Joseph Cook, 2014-03-27 A collection of history research papers written by the author during his graduate coursework Most of the articles relate to the American Civil War The final paper included was honored by an academic conference as the top paper presented it deals with the death of U S Army General Edward R S Canby All in all this collection is a valuable resource for students of American history All material is copyrighted by the author
