Excavating Jesus Beneath The Stones Behind The Texts:

Excavating Jesus John Dominic Crossan, Jonathan L. Reed, 2009-08-11 The premier historical Jesus scholar joins a brilliant archaeologist to illuminate the life and teaching of Jesus against the background of his world There have been phenomenal advances in the historical understanding of Jesus and his world and times but also huge lesser known advances in first century Palestine archaeology that explain a great deal about Jesus his followers and his teachings This is the first book that combines the two and it does it in a fresh accessible way that will interest both biblical scholars and students and also the thousands of lay readers of Biblical Archaeology Review 150 000 circulation National Geographic and other archaeology and ancient history books and magazines Each chapter of the book focuses on a major modern archaeological or textual discovery and shows how that discovery opens a window onto a major feature of Jesus s life and teachings **Excavating Jesus - UK edition** John Dominic Crossan, Jonathan L. Reed, 2001-10-01 Jesus scholar John Dominic Crossan joins archaeologist Jonathan Reed to illuminate the life and teaching of Jesus against the background of his world Excavating Jesus John Dominic Crossan, Jonathan L. Reed, 2003-07-08 The Confrontational Wit of Jesus Catherine M. Wallace, 2016-07-27 Jesus did not die to save us from God He died because the Romans did not tolerate charismatic teachers who attracted a lively following Jesus attracted that following through his personal compassion his confrontational inclusivity and his skill in using laughter as a nonviolent weapon of mass disruption The Gospel authors picked up Jesus witty techniques They adeptly parodied the literary conventions of heroic biography laying out the kingdom of God in a point for point contrast with the empire of Caesar Augustus Most of this contrast was Jewish Prophetic Rant Standard Edition the God of the Jews had always demanded justice for workers food for the hungry care for those unable to earn a living and an end to monopolizing natural resources for private and imperial profit Jesus added a fourth and telling point God is nonviolent God smites no one God s loving kindness and compassionate presence embraces all of humanity equally We are all the children of God Then and now that s a revolutionary claim It portrays our obligation to the common good as a sacred obligation It s owed to God In cultural terms that s the most potent variety of obligation This is the cultural heritage at risk from fundamentalism which portrays God as both crazy violent and vindictive **Christ Actually** James Carroll, 2014-11-13 A New York Times bestselling and widely admired Catholic writer explores how we can retrieve transcendent faith in modern times Critically acclaimed and bestselling author James Carroll has explored every aspect of Christianity faith and Jesus Christ except this central one What can we believe about and how can we believe in Jesus in the twenty first century in light of the Holocaust and other atrocities of the twentieth century and the drift from religion that followed What Carroll has discovered through decades of writing and lecturing is that he is far from alone in clinging to a received memory of Jesus that separates him from his crucial identity as a Jew and therefore as a human Yet if Jesus was not taken as divine he would be of no interest to us What can that mean now Paradoxically the key is his permanent Jewishness No Christian himself Jesus actually transcends Christianity Drawing on

both a wide range of scholarship as well as his own acute searching as a believer Carroll takes a fresh look at the most familiar narratives of all Matthew Mark Luke and John Far from another book about the historical Jesus he takes the challenges of science and contemporary philosophy seriously He retrieves the power of Jesus profound ordinariness as an answer to his own last question what is the future of Jesus Christ as the key to a renewal of faith **Who Was Jesus?** D. M. Murdock,Acharya S,2007-10 In this fascinating CSI style investigation Murdock author of the controversial book The Christ Conspiracy examines evidence for the life of Jesus Christ revealing that with Christianity what is seen is not always what one gets Christian **The Three Pillars** Barbara J. Sivertsen,2010-05-10 The Three Pillars How Family Politics Shaped the Earliest Church and the Gospel of Mark examines how family relationships played a key role in the earliest Christian church By disentangling the two disparate genealogies of Jesus the author reconstructs the families of Joseph and Mary Presented here for the first time is the full ancestry of Jesus mother Mary who was descended from the anti Hasmonean high priest Alcimus The author suggests that Mary and her daughter Mary played a hitherto unrecognized role in the church s earliest leadership struggle and that a composite of these two women not Mary Magdalene was the basis for the Gnostic Mary of later Christian works The author next explores how this early leadership conflict shaped the Gospel of Mark which she argues was written by Peter s son She discusses Mark s footprint in this Gospel and how Mark s resentment of the relatives of Jesus his ambivalence toward his father and his anger at the disciples for ceding leadership to these relatives is at the heart of some of the most distinctive features of the Second Gospel features that have perplexed biblical scholars and laymen for centuries The last section examines the mysterious Beloved Disciple in the Gospel of John The author concludes that the many unlikely elements in the account of the arrest and interrogation of Jesus can only be explained by seeing the Beloved Disciple as a close relative of the high priest Caiaphas and that this family relationship was crucial to the protection of the early Christians in Jerusalem The book s final chapter offers reflections on how kinship played an important role in Jesus ministry and how the high priestly leadership responded to him in part because of his family lineage **Help My Unbelief!** J. Timothy Allen,2017-08-04 Help My Unbelief is for a small but growing number of Christians who are asking critical questions about their faith their church s history and the Bible Around the 60s CE doubts arose as tensions within Judaism escalated questions about Jesus and his delayed return were voiced and Roman persecutions intensified Jesus was one of a number of itinerant preachers miracle workers and insurrectionaries What set him apart from others Using the Gospel of Mark the author demonstrates that doubts existed within the early Christian community Doubting Christians can take comfort that Mark addressed these issues then and thus provides a guide for living in today s ever questioning world of faith **Galilee in the Late Second Temple and Mishnaic Periods, Volume 2** David A Fiensy,James Riley Strange,2015-11-01 This second of two volumes on Galilee in the Late Second Temple and Mishnaic Periods focuses on the site excavations of towns and villages and what these excavations may tell us about the history of settlement in this important period The important

Theology of the New Testament Udo Schnelle, 2009-11 For a few decades jet packs seemed to be everywhere on Gilligan's Island Lost in Space Thunderball and even the opening ceremony of the 1984 Olympics Inventors promised we'd all be flying with them now enabling us to zoom around effortlessly in the sky and getting us to work without traffic jams and trains What happened to the jet pack In The Great American Jet Pack Steve Lehto gives us the definitive history of this and related devices explaining how the technology arose how it works and why we don't have them in our garages today These individual lift devices as they were blandly labeled by the government men who financed much of their development answered man's desire to simply step outside and take flight No runways no wings no pilot's license were required Soaring through the air with the wind in your face and landing anywhere there was room to stand could this be done Yes it could be and it was But the jet pack was perhaps the most overpromised technology of all time From the rocket belt to the jet belt to the flying platform and all the way to Yves Rossy's 21st century free flights using a jet powered wing this book profiles the inventors and pilots the hucksters and cheats the businessmen and soldiers who were involved with these machines And it finally tells a great American story of a technology whose promise may one day yet come to fruition

Matthew R. Alan Culpepper, 2022-03-01 In this new critical commentary for the New Testament Library series R Alan Culpepper sets the Gospel of Matthew in the context of the competing Jewish and early Christian voices of the first century bringing greater clarity to Matthew's own proclamation of the gospel and inviting readers to give up perhaps long held assumptions about the book In Culpepper's treatment Matthew emerges as a Gospel for a Jewish community distinguishing itself from the Pharisees on one side and other early Christian traditions and leaders especially Paul and his followers on the other side In this framework Matthew calls his community to faithful observance of the law a law observant mission to both Jews and Gentiles and repentance and the practice of forgiving in preparation for the coming judgment Accordingly Matthew takes readers back to an early period before the separation of Jewish Christians from the synagogues By taking seriously Matthew's Jewishness this volume also enables readers to hear the historical Jesus more clearly Excursuses on Matthew's social setting include Jesus as healer Sabbath observance Roman taxation the Pharisees the tithes ancient weddings and the Sanhedrin as well as many shorter units on Second Temple Judaism synagogues and first century Galilean society The New Testament Library series offers authoritative commentary on every book and major aspect of the New Testament providing fresh translations based on the best available ancient manuscripts critical portrayals of the historical world in which the books were created careful attention to their literary design and a theologically perceptive exposition of the biblical text The contributors are scholars of international standing The editorial board consists of C Clifton Black Princeton Theological Seminary John T Carroll Union Presbyterian Seminary and Susan E Hylen Candler School of Theology Emory University

Kaiphaz. Der Hohepriester jenes Jahres Rainer Metzner, 2010-06-30 The high priest Caiaphas is one of the important figures in biblical history who received little attention or sympathy in the judgement of posterity Since the time of the old church the highest representative of the Jewish society in the time of Jesus was assessed as a wicked enemy of Jesus and the leading apostles in Jerusalem This image obscures the religious and political efficiency of a man who worked with great success in his office for a long period of eighteen years What do we know about the historical Caiaphas And what is the image of this man in the New Testament and afterwards The present study tries to answer these questions in view of the history the exegesis and the reception history *Der Hohepriester Kaiphaz* geht zu den bedeutenden Figuren der biblischen Geschichte denen im Urteil der Nachwelt eine geringe Aufmerksamkeit oder Sympathie entgegengebracht wurde Seit der alten Kirche wurde der höchste Repräsentant des jüdischen Tempelstaates zur Zeit Jesu als bösartiger Feind Jesu und der frommen Apostel in Jerusalem betrachtet Dieses Bild verdeckt

die religiösen und politischen Leistungen eines Mannes der achtzehn Jahre lang mit Erfolg amtiert hat Was wissen wir über den historischen Kaiphas Und welches Bild hat sich von ihm im Neuen Testament und in der Zeit danach ausgeprägt Die vorliegende Studie versucht diese Fragen historisch exegetisch und wirkungsgeschichtlich zu beantworten **Green Kingdom Come!** Joe Grabill, 2009 Imagine Jesus walking throughout Galilee's lushness Hear him speak about rain falling on an Earth containing no enemies Laugh at the wit of Jesus Enter stories about his best friend Mary Magdalene Jesus used snakes and crows as teachers Wonder at the intelligence of animals including chimpanzees The Aramaic language of Jesus reveals earthy meaning His teachings examined in seventy sayings are compatible with sustainability Green Kingdom Come shows that the lifestyle and ministry of Jesus is green This book is the first to connect Jesus with our ecological crises today It features sustainable principles based on his sayings It suggests green practices and attitudes Green Kingdom Come weaves together science and religion A cross cultural appendix lists sixty sacred and secular names for the oneness of both Earth and universe systems Help create an Earth Community livable for all species a green kingdom come About the Author Joe Grabill is a retired professor of history and director of peace studies at Illinois State University He has made seven research trips to the Holy Land and has written the prize winning Protestant Diplomacy and the Near East He gives leadership to a project of planting trees called Children Elders Forest www.ceforest.org and to a community group Imagine Green Bloomington Normal www.bn.green.org
