## **Excavating Jesus:**

**Excavating Jesus** John Dominic Crossan, Jonathan L. Reed, 2009-08-11 The premier historical Jesus scholar joins a brilliant archaeologist to illuminate the life and teaching of Jesus against the background of his world There have been phenomenal advances in the historical understanding of Jesus and his world and times but also huge lesser known advances in first century Palestine archaeology that explain a great deal about Jesus his followers and his teachings This is the first book that combines the two and it does it in a fresh accessible way that will interest both biblical scholars and students and also the thousands of lay readers of Biblical Archaeology Review 150 000 circulation National Geographic and other archaeology and ancient history books and magazines Each chapter of the book focuses on a major modern archaeological or textual discovery and shows how that discovery opens a window onto a major feature of Jesus s life and teachings **Excavating Jesus - UK edition** John Dominic Crossan, Jonathan L. Reed, 2001-10-01 Jesus scholar John Dominic Crossan joins archaeologist Jonathan Reed to illuminate the life and teaching of Jesus against the background of his world **Excavating the Evidence for Jesus** Titus M Kennedy, 2022-03-15 Examine the Evidence Surrounding Jesus No other figure has impacted history like Jesus Yet today he s often seen as a mythical character whose legend increased over time So what does the historical and archaeological evidence say about Jesus Archaeologist Dr Titus Kennedy has investigated firsthand the discoveries connected to Jesus birth ministry crucifixion and resurrection He has visited and excavated where Jesus walked and examined the artifacts connected to Jesus life Here he presents an up to date and comprehensive overview of the research and findings that illuminate the historicity of Christ as presented in the Bible Excavating the Evidence for Jesus progresses chronologically through the Gospels noting the many relevant archaeological historical geographic and literary findings As you read you ll be able to decide for yourself whether the evidence confirms the existence and story of Jesus and determine whether the Gospels are worthy of being approached not as legends but as history Further you ll gain a deeper understanding of the historic basis of Christianity a richer knowledge of the ancient world and an evidence based perspective on the reliability of the Bible **Excavating the Land of Jesus** James Riley Strange, 2023-06-20 How do archaeologists unearth the daily life of people from Jesus s time Contrary to popular belief archaeology of first century Roman Galilee is not about illustrating or proving the Gospels drawing timelines or hunting treasure Rather it is about understanding the lives of people just like us who lived in the time of Jesus How do we understand Jesus and his mission as part of a larger world How do we interpret material culture alongside textual evidence from the Gospels How do we know where and how to dig James Riley Strange teaches students how to address these problems in this essential textbook Drawing on professional experience as a scientific archaeologist in Israel Strange explains current methodology for ground surveying excavating evidence and interpreting data Excavating the Land of Jesus is the ideal guide for students seeking answers in the dirt of the Holy Land **Excavating Jesus** John Dominic Crossan, Jonathan L. Reed, 2003-07-08 **The Political Aims of Jesus** Douglas E. Oakman, 2012 Amid

competing portrayals of the cynic Jesus the peasant Jesus and the apocalyptic Jesus the political Jesus remains a marginal figure Oakman argues that advances in our understanding of the political economy of Roman Galilee warrant a revival of Reimarus's understanding of Jesus as an instigator of revolutionary change

**Of Widows and Meals** Reta Halteman Finger, 2007 Though community has become a common byword in the contemporary Western church the practice of communal sharing has effectively fallen by the wayside Unfortunately it is often the poor who are left wanting because we no longer come together Reta Halteman Finger finds a solution to this modern problem by learning from the ancient Mediterranean Christian culture of community In the earliest Jerusalem church in holding the responsibility for preparing and serving communal meals women were given a place of honor With the table fellowship and goods sharing of the early church Luke says there were no needy persons among them Acts 4:34 Finger thoroughly examines this agape meal tradition challenging traditional interpretations of the community of goods in the Jerusalem church and proving that the communal sharing lasted for hundreds of years longer than previously assumed *Of Widows and Meals* begins a discussion of need in community that can revolutionize the contemporary church's interaction with the world at large

**Christology and Global Ethics** Martins, Alexandre A., 2023 This book offers a Christological account developed among the poor in Latin America and their experience of a God incarnated in history It places two realities together the academia where faith is object of studies and the grassroots community where faith is embodied The author introduces the reader to a contemporary Christological discussion from a Latin American liberating perspective with three essential characteristics first it is a Christology created from the reality of the poor and marginalized and at the same time oriented toward this reality as a pastoral resource Second its method goes beyond the polarization Christology from below and Christology from above Third it is a Christological essay that has a biblical text at its center Lk 4:16-30 as a starting point from where important theological disciplines are stressed such as systematic theology moral theology and liturgy In this way this book presents to the readers how different areas of theology are related and form a unity around the mystery of Christ and the faith experience of a Christian community Therefore it is an excellent book to initiate people in theological studies and method that can be used in theological classes in colleges schools and Catholic communities

**Jesus, a Jewish Galilean** Sean Freyne, 2010-06-15 In his latest book Sean Freyne draws on his detailed knowledge of Galilean society in the Roman period based on both literary and archaeological sources to give a fresh and provocative reading of the Jesus story within its Galilean setting Jesus a Jewish Galilean focuses on the religious as well as the social and political environment and examines the ways in which the Jewish religious experience had expressed itself in Galilee It examines the ways in which the Jewish tradition in both the Pentateuch and the Prophets had constructed notions of an ideal Galilee These provided the raw material for Jesus own response to the issues of the day from which he fashioned his own distinctive views of Israel's restoration and his own role in that project Although Freyne is in touch with all recent scholarship about the historical Jesus he brings his own distinctive take on the issues both

with regard to Galilean society and Jesus grounding in his own religious tradition His Jesus is both Jewish and yet distinctive in his concerns and the ways in which he responds to the ecological social and religious issues of his own time and place Freyne seeks to retrieve the theological importance of Jesus own message something that has been lost sight of in the trend to present him primarily as a social reformer while acknowledging the dangers of modernising Jesus

**The Jesus Legend** Paul Rhodes Eddy, Gregory A. Boyd, 2007-08-01 Christianity Today 2008 Book Award Biblical Studies Even mature Christians have trouble defending the person and divinity of Christ The Jesus Legend builds a convincing interdisciplinary case for the unique and plausible position of Jesus in human history He was real and his presence on the planet has been well documented The authors of the New Testament didn't plant evidence though each writer did tell the truth from a unique perspective This book carefully investigates the Gospel portraits of Jesus particularly the Synoptic Gospels assessing what is reliable history and fictional legend The authors contend that a cumulative case for the general reliability of the Synoptic Gospels can be made and boldly challenge those who question the veracity of the Jesus found there

**What Was Jesus Thinking?** Frank R. Stirk, 2023-06-13 No one could ever get fully inside the mind of Jesus but we can gain important insights through a better understanding of the contexts in which he spoke and acted For example with whom was he speaking and interacting in that moment Where did this take place How can the events of the history of the period in general and the many new and often unexpected archaeological discoveries in particular from the time of Jesus enhance our understanding of what he was thinking And what light can the answers to these and related questions shed on what we already know about Jesus from the Four Gospels This book attempts to provide some answers to these questions with the intent of leading the reader toward a deeper understanding of his wholly human yet wholly divine character This in turn will hopefully create a deeper and more grounded faith

Recovering Jesus Thomas R. Yoder Neufeld, 2007-08-01 In Recovering Jesus Thomas R Yoder Neufeld leads you through an honest and careful study of the testimony of Jesus's first century followers as well as more recent scholarly and popular witnesses The result is a journey that will challenge you to move beyond the Jesus you think you know to a deeper understanding of who he was and why he matters This text will be a valuable tool in academic settings as well as for believers and nonbelievers alike who want to know the real Jesus

**Jesus as Mirrored in John** James H. Charlesworth, 2018-12-13 James H Charlesworth begins from a burgeoning point of scholarly consensus More and more scholars are coming to recognize that the Fourth Gospel is more historically complex than previously thought Charlesworth outlines two historical horizons within John On the one hand there is the Jewish background to the text complete with the evangelist's knowledge of Palestinian geography and Jewish customs which Charlesworth perceives as offering a window into pre 70 Palestinian Judaism On the other hand the gospel also reflects a post 70 world in which non believing Jews with more unity begin to part definitely with those who identified Jesus as the Messiah Split into four sections this volume first examines the origins of the Fourth Gospel its evolution in several editions and its setting in Judea and Galilee Charlesworth then looks

specifically at the figure of Jesus and issues of history He proceeds to consider this Gospel alongside earlier and contemporaneous Jewish literature most notably the Dead Sea Scrolls Finally the volume engages with John s symbolism and language looking closely at key aspects in which John differs from the Synoptic Gospels and raising such provocative questions as whether or not it is possible that Jesus married Mary Magdalene From one of the New Testament s most noted scholars this book allows deeper understanding of the ways in which the Gospel of John is a vital resource for understanding both the origin of Christianity and Jesus position in history

*Radical Philosophy of Life* Ernst Baasland,2021-01-13 The Sermon on the Mount never ceases to challenge readers in every generation New methods and new insights into new surroundings have to be applied to the most influential speech ever given In this study Ernst Baasland takes a fresh look at the history of research done on it both on its broad influence and on the variety of interpretations The historical questions are seen from new perspectives Is orality the key to a better understanding To what extent can we reconstruct a pre text and the question of authenticity be answered These questions are seen through historiographical lenses The author argues in favour of a universal addressee and maintains that the speech contains radical philosophical thinking The first audience consisted of Jews and the religiously based understanding of life is conceived within Judaism However its ethics of wisdom is developed in a Hellenistic setting and provides a radical philosophy of life

#### **Jesus and the Politics of Roman Palestine Richard A.**

Horsley,2021-11-11 In *Jesus and the Politics of Roman Palestine* Richard A Horsley offers one of the most comprehensive critical analyses of Jesus of Nazareth s mission and how he became a significant historical figure Horsley brings a fuller historical knowledge of the context and implications of recent research to bear on the investigation of the historical Jesus Breaking with the standard focus on isolated individual sayings of Jesus Horsley argues that the sources for Jesus in historical interaction are the Gospels and the speeches of Jesus that they include read critically in their historical context This work challenges the standard assumptions that the historical Jesus has been presented primarily as a sage or apocalyptic visionary In contrast based on a critical reconsideration of the Gospels and contemporary sources for Roman

imperial rule in Judea and Galilee Horsley argues that Jesus was fully involved in the conflicted politics of ancient Palestine Learning from anthropological studies of the more subtle forms of peasant politics Horsley discerns from these sources how Jesus as a Moses and Elijah like prophet generated a movement of renewal in Israel that was focused on village communities This paperback edition is updated with a new preface bibliography and indexes

**How to Ruin Your Education and TV Viewing** Spencer D. Gear, 2022-03-31 What will you do as a parent if your fourteen year old comes home from school and says You and the teachers have been telling me Columbus discovered the Americas You ve lied to me because that isn t true There are no such things as facts and I decide the meaning of what is written in my textbooks I m the one who chooses the interpretation of any writing including history and the stories of Columbus How are you going to answer especially in light of what the Encyclopaedia Britannica states about Columbus This book examines how historical Jesus scholar John Dominic Crossan has dismantled education TV viewing by application and religious studies with his postmodern deconstruction of the text His theme is I formulate it here as I see it Texts and interpretations are out of the mind of Crossan Using a hypothesis testing technique the author challenges Crossan s perspective that Jesus s resurrection was an apparition and not a bodily resurrection Even though he calls on others to First read the text that is not what he does The philosophical crusher has found him out to be contradictory in his assessment of history in his autobiography and his own writings on the historical Jesus

**Windows on Early Christianity** James W. Aageson, 2016-03-18 This book is introductory but it is not an introduction to biblical content or to the history of early Christianity in the typical sense Each of the chapters addresses a different aspect of the material and provides its own perspective on the origin of the church and early Christianity The chapters begin with questions that in turn focus the discussions The chapters can be read as independent freestanding arguments and can be mixed and matched enabling readers to investigate the respective topics independently However the chapters also follow a logical narrative line In addition images and diagrams are used to assist in making critical points and to enrich the visual sense of the material The image of the window serves to give readers lines of sight into the material where historical intersections and patterns begin to emerge
