Arab Israeli conflict has become an example of total disregard for international law by all parties involved including the United Nations to the detriment of a regional and global lasting peace The conflict has contributed considerably to the erosion of the moral and legal authority of the United Nations while the international community has failed to take prompt advantage of the East West detente Peoples with statehood the Iraqis Somalis Yugoslavs and even more those without the Palestinians paid a high price for the international lack of decisiveness Dynamics of Self Determination in Palestine discusses the Palestinian conflict in the light of the protection of peoples under international law Chapter One treats the fact that the Arab states and the Palestinians have overlooked the element of negotiation in the keeping of international order Chapter Two discusses the International Bill of Rights in which the UN included self determination in order to protect peoples against oppression while Chapter Three expounds on the fact that in doing so it shaped the framework for the settlement of conflicting territorial claims to Palestine The final chapter sets forth the desired UN participation in the creation of Palestine

A Region's Fortune: Economics Redefined Pasquale De Marco,2025-07-06 In a world increasingly defined by interconnectedness it is easy to assume that globalization is a universal phenomenon However in his groundbreaking book A

Region s Fortune Economics Redefined Pasquale De Marco argues that globalization is not a monolithic force but rather a complex and dynamic process that varies across regions Drawing on decades of research Pasquale De Marco reveals that the global economy is actually made up of a series of regional blocs each with its own unique characteristics and dynamics This new understanding of globalization has profound implications for businesses governments and individuals For businesses it means that they need to tailor their strategies to the specific regions in which they operate For governments it means that they need to develop policies that are responsive to the needs of their own regions And for individuals it means that they need to be aware of the economic and social forces that are shaping their lives A Region s Fortune Economics Redefined is a must read for anyone who wants to understand the true nature of globalization and its impact on our world Pasquale De Marco provides a clear and concise analysis of the complex forces that are shaping the global economy and he offers practical advice for businesses governments and individuals on how to navigate the challenges and opportunities of globalization In the chapters that follow Pasquale De Marco explores the regional dynamics of globalization in depth He examines the factors that drive regional economic growth the challenges that regions face and the policies that governments can implement to promote regional development Pasquale De Marco also discusses the role of regional cooperation in addressing global challenges such as climate change and poverty A Region s Fortune Economics Redefined is a timely and important book that offers a new perspective on globalization Pasquale De Marco s insights are essential reading for anyone who wants to understand the world we live in and the challenges we face If you like this book write a review on google books
