Economic History Of Puerto Rico Institutional Change And Capitalist Development

Carrie Gibson

Economic History Of Puerto Rico Institutional Change And Capitalist Development:

Economic History of Puerto Rico James L. Dietz, 1986 This is a comprehensive and detailed account of the economic history of Puerto Rico from the period of Spanish colonial domination to the present. Interweaving findings of the new Puerto Rican historiography with those of earlier historical studies and using the most recent theoretical concepts to interpret them, James Dietz examines the complex manner in which productive and class relations within Puerto Rico have interacted with changes in its place in the world economy. Besides including aggregate data on Puerto Rico's economy, the author offers valuable information on workers' living conditions and women workers, plus new interpretations of development since Operation Bootstrap. His evaluation of the island's export-oriented economy has implications for many other developing countries.

Puerto Rico Proceso Plebiscitario 1989-1991: General Accounting Office (GAO) briefings and reports on the status of Puerto Rico, 1992 **Puerto Rico Proceso Plebiscitario 1989-1991: Estudios oficiales de la Contraloría General de los Estados Unidos sobre el estatus político de Puerto Rico**, 1992 *The Last Colonies*

Robert Aldrich, John Connell, 1998-07-13 This comprehensive and authoritative book is about the last colonies: those remaining territories formally dependent on metropolitan powers. It discusses the surprisingly large number of these territories: mainly small, isolated islands with limited resources. Yet these places are not as obscure as might be expected. They may be major tourist destinations, military bases, satellite tracking stations, tax havens, or desolate, underpopulated spots that can become international flashpoints, such as the Falklands. The authors find that at a time of escalating nationalism and globalization, these remnants of empire provide insights into the meanings of political, economic, legal, and cultural independence, as well as sovereignty and nationhood. This book provides a broad-based and provocative discussion of colonialism and interdependence in the modern world from a unique perspective.

El Norte Carrie Gibson, 2022-03-30 A sweeping saga of the Spanish history and influence in North America over five centuries from the acclaimed author of *Empire's Crossroads*. Because of our shared English language as well as the celebrated origin tales of the Mayflower and the rebellion of the British colonies, the United States has prized its Anglo heritage above all others. However, as Carrie Gibson explains with great depth and clarity in *El Norte*, the nation has much older Spanish roots, ones that have long been unacknowledged or marginalized. The Hispanic past of the United States predates the arrival of the Pilgrims by a century and has been every bit as important in shaping the nation as it exists today. *El Norte* chronicles the dramatic history of Hispanic North America from the arrival of the Spanish in the early 16th century to the present, from Ponce de León's initial landing in Florida in 1513 to Spanish control of the vast Louisiana territory in 1762 to the Mexican American War in 1846 and up to the more recent tragedy of post-hurricane Puerto Rico and the ongoing border acrimony with Mexico. Interwoven in this narrative of events and people are cultural issues that have been there from the start but which are unresolved to this day: language, belonging, community, race, and nationality. Seeing them play out over centuries provides vital perspective at a time when it is

urgently needed In 1883 Walt Whitman meditated on his country's Spanish past We Americans have yet to really learn our own antecedents and sort them to unify them predicting that to that composite American identity of the future Spanish character will supply some of the most needed parts That future is here and El Norte a stirring and eventful history in its own right will make a powerful impact on our national understanding This history debunks the myth of American exceptionalism by revisiting a past that is not British and Protestant but Hispanic and Catholic Gibson begins with the arrival of Spaniards in La Florida in 1513 discusses Mexico's ceding of territory to the U S in 1848 and concludes with Trump's nativist fixations Along the way she explains how California came to be named after a fictional island in a book by a Castilian Renaissance writer and asks why we ignore a chapter of our history that began long before the Pilgrims arrived At a time when the building of walls occupies so much attention Gibson makes a case for the blurring of boundaries New Yorker A sweeping and accessible survey of the Hispanic history of the U S that illuminates the integral impact of the Spanish and their descendants on the U S's social and cultural development This unusual and insightful work provides a welcome and thought provoking angle on the country's history and should be widely appreciated Publishers Weekly starred review PW Pick **The Myth Of The Male Breadwinner** Helen I Safa, 2018-02-06 First Published in 2018 This book examines the debate about the effects of paid employment on women through studies of women industrial workers in Puerto Rico the Dominican Republic and Cuba It focuses on following areas of women's lives wages and working conditions the family life cycle and household composition

New American Destinies Darrell Hamamoto, Rodolfo D. Torres, 2012-11-12 The essays gathered here discuss theoretical and policy issues and themes such as the political and economic context of migration job competition labor organizing changing ethnic and race relations immigrant women in the economy and contemporary immigration politics and contribute to our understanding of the historical and contemporary dimensions of Asian and Latino migration in a changing global economy **Families in the U.S.** Karen V. Hansen, Anita Iltis Garey, 1998 Attempts to do justice to the complexity of contemporary families and to situate them in their economic political and cultural contexts This book explores the ways in which family life is gendered and reflects on the work of maintaining family and kin relationships especially as social and family power structures change over time

Hispanic Americans in Congress, 1822-2012 Matthew Andrew Wasniewski, Albin Kowalewski, Laura Turner O'Hara, Terrance Rucker, 2013 A compilation of historical essays and short biographies about 91 Hispanic Americans who served in Congress from 1822 to 2012 Provided by publisher *Exposing Federal Sponsorship of Job Loss* Julia C. Abedian, 2018-07-27 Originally published in 1995 this book explores a number of subjects of significance for labor and economic policy especially the role of U S tax policy in the relocation of jobs from the continental USA to Puerto Rico The book demonstrates the problems for the USA because of inadequate adjustment policies to protect the interests of communities and workers when plants close and production is relocated It disproves the myth that markets will take care of workers and communities showing that basic economics is concerned with market forces and not

with equity environmental and worker protections The Whitehall plant closing case is documented and the economic and political context analyzed which caused that case to be instructive for broader economic and labor policy purposes In a new age of American Protectionism this book has enduring relevance **Holding Aloft the Banner of Ethiopia** Winston James,2020-03-03 A major history of the impact of Caribbean migration to the United States Marcus Garvey Claude McKay Claudia Jones C L R James Stokely Carmichael Louis Farakhan the roster of immigrants from the Caribbean who have made a profound impact on the development of radical politics in the United States is extensive In this magisterial and lavishly illustrated work Winston James focuses on the twentieth century s first waves of immigrants from the Caribbean and their contribution to political dissidence in America Examining the way in which the characteristics of the societies they left shaped their perceptions of the land to which they traveled Winston James draws sharp differences between Hispanic and English speaking arrivals He explores the interconnections between the Cuban independence struggle Puerto Rican nationalism Afro American feminism and black communism in the first turbulent decades of the twentieth century He also provides fascinating insights into the impact of Puerto Rican radicalism in New York City and recounts the remarkable story of Afro Cuban radicalism in Florida Beach Politics Setha Low,2025-01-21 What do confrontations over beach use the various restrictions justifications and access conflicts tell us about contemporary politics They remind us that shorelines especially their most coveted parts sandy beaches are a reflection and refraction of contemporary political and economic struggles In the most general terms this book focuses on these struggles especially as they are grounded in a particular time and space that is beach politics **Hispanic Americans in Congress, 1822-2012** Congress,2014-04-14 A compilation of historical essays and short biographies about 91 Hispanic Americans who served in Congress from 1822 to 2012 Provided by publisher *Colonialist Photography* Eleanor M. Hight,Gary D. Sampson,2013-06-17 Colonialist Photography is an absorbing collection of essays and photographs exploring the relationship between photography and European and American colonialism The book is packed with well over a hundred captivating images ranging from the first experiments with photography as a documentary medium up to the decolonization of many regions after World War II Reinforcing a broad range of Western assumptions and prejudices Eleanor M Hight and Gary D Sampson argue that such images often assisted in the construction of a colonial culture **Hispanic Americans in Congress, 1822-2012** Matthew Andrew Wasniewski,Albin Kowalewski,Laura Turner O'Hara,Terrance Rucker,2012 A compilation of historical essays and short biographies about 91 Hispanic Americans who served in Congress from 1822 to 2012 Provided by publisher *Puerto Rico Past and Present* Serafín Méndez-Méndez,Ronald Fernández,2015-07-14 Recently revised to include the latest current events this classic reference presents the historical social political and cultural aspects of Puerto Rico Puerto Rico an island rich with culture and national pride continues to inspire debate over its designation as a commonwealth of the United States This updated edition of a popular encyclopedia captures important historical social political and cultural developments of the

oldest colony in the world up to and including the region's current status in relation to the United States The fascinating work is full of facts figures and narratives of the struggles achievements and creations of the Puerto Rican people Essays highlight the area's economy geography religion education language radio television social media and films A focus on the contributions of key historical figures showcase the stories of Ramon Power y Giralte the first envoy to the Spanish Courts and Juan Mari Brás founder of the Puerto Rican Socialist Party among others The second edition features recent developments in the commonwealth including the election of its first female governor the introduction of the first sales tax and the financial crisis that shut down schools

Where "Something Catches" Victoria I. Munoz, 1995-10-12 Helps people working with youth think in new ways about the relationships between work love and identity and how these interact within the socio political processes of class race gender and sexuality

Migration and Economy Lillian Trager, 2005-10-13 Trager and her coauthors focus on migration not as a single event but as a dynamic process that responds to and is shaped by broader economic cultural and social forces Individual essays consider issues of international and internal migration of voluntary migration and forced movements due to civil conflicts and environmental degradation and of macro level forces and micro level institutions The authors investigate a wide variety of types of mobility describe transnational and multilocal networks through which remittances and other flows take place focus on migrants as active agents and examine the impacts of ethnicity and assimilation They offer original studies on Mexico Puerto Rico West Africa Kazakhstan and Mozambique This new volume will be a valuable resource for researchers and practitioners in development anthropology migration studies and international planning and policy

The Challenge of Priestless Parishes Edward L. Cleary, 2014 This book traces the origins of priestless regions of the Catholic Church in five Latin American countries and demonstrates that the situation was far more common than previously described

Hispanic New York Claudio Iván Remeseira, 2010-06-11 Over the past few decades a wave of immigration has turned New York into a microcosm of the Americas and enhanced its role as the crossroads of the English and Spanish speaking worlds Yet far from being an alien group within a mainstream and supposedly pure Anglo America people referred to as Hispanics or Latinos have been part and parcel of New York since the beginning of the city's history They represent what Walt Whitman once celebrated as the Spanish element of our nationality Hispanic New York is the first anthology to offer a comprehensive view of this multifaceted heritage Combining familiar materials with other selections that are either out of print or not easily accessible Claudio Iván Remeseira makes a compelling case for New York as a paradigm of the country's Latinoization His anthology mixes primary sources with scholarly and journalistic essays on history demography racial and ethnic studies music art history literature linguistics and religion and the authors range from historical figures such as José Martí Bernardo Vega or Whitman himself to contemporary writers such as Paul Berman Ed Morales Virginia Sánchez Korrol Roberto Suro and Ana Celia Zentella This unique volume treats the reader to both the New York and the American experience as reflected and transformed by its Hispanic and Latino components

Unveiling the Magic of Words: A Review of "**Economic History Of Puerto Rico Institutional Change And Capitalist Development**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance.
