EBOOK: The European Union: Economics, Policy and History SENIOR,2011-11-16 EBOOK The European Union Economics Policy and History *German Annual of Spatial Research and Policy 2009* Heiderose Kilper,2009-09-18

Preface Introduction 1 Heiderose Kilper New Disparities in Spatial Development in Europe several topics are included in both the title and theme of the German Annual of Spatial Research and Policy for the Year 2009 We are first of all concerned with the concept of spatial disparities which has its roots in national spatial planning and spatial development policy Regional development as interregional equalisation policy for example is well anchored in the German constitution through fundamental legal standards and the division of powers among the respective federal states The establishment of uniform living conditions within the federal territory and securing the uniformity of living conditions beyond the borders of any single federal state Section 72 Paragraph 2 of German Basic Law GG are expressly specified as aims of government action in the constitution of the Federal Republic of Germany With the major reform of Germany's financial system in 1969 and incorporation of the joint task Improvement 1 of the Regional Economic Structure in Section 91a of German Basic Law GG interventions on the part of the federal government and the wealthy federal states for the benefit of states and regions with less economic success were legitimised in constitutional terms as well All of this would be inconceivable without the concept of spatial disparities Handbook on Cohesion Policy in the EU Simona Piattoni,Laura Polverari,2016-08-26 This Handbook covers all major aspects of EU Cohesion policy one of the most significant areas of intervention of the European Union Over five parts It discusses this policy's history and governing principles the theoretical approaches from which it can be assessed the inter institutional and multi level dynamics that it tends to elicit its practical implementation and impact on EU member

states its interactions with other EU policies and strategies and the cognitive maps and narratives with which it can be associated An absolute must for all students of the EU

Guiding Principles for Spatial Development in Germany Wendelin Strubelt, 2009-08-09 As an annual of the five leading German institutes working in the field of the analysis of spatial development and policies this book will present discussions about the guiding principles for spatial development being a virulent new approach to the future development of Germany in spatial differentiation The papers will discuss these guiding principles theoretically and empirically *European Spatial Planning and Territorial Cooperation* Stefanie Dühr, Claire Colomb, Vincent Nadin, 2010-10-18 There is a strong international dimension to spatial planning European integration strengthens interconnections development and decision making across national and regional borders EU policies in areas such as environment transport agriculture or regional policy have far reaching effects on spatial development patterns and planning procedures Planners in the EU are now routinely engaged in cooperation across national borders to share and devise effective ways of intervening in the way our cities towns and rural areas develop In short the EU has become an important framework for planning practice research and teaching Spatial planning in Europe is being Europeanized with corresponding changes for the role of planners Written for students academics practitioners and researchers of spatial planning and related disciplines this book is essential reading for everybody interested in engaging with the European dimension of spatial planning and territorial governance It explores spatial development trends and their influence on planning the nature institutions and actors of the European Union from a planning perspective the history of spatial planning at the transnational scale the planning tools perspectives visions and programmes supporting European cooperation on spatial planning the territorial impacts of the Community s sector policies the outcomes of European spatial planning in practice

Changing Europe David Dunkerley, Lesley Hodgson, Stanislaw Konopacki, Tony Spybey, Andrew Thompson, 2003-08-29 Europe has changed significantly and is now facing even more dramatic transformations with the enlargement of the European Union the introduction of the euro and its increased role as a global actor in world affairs This clear and accessible textbook provides an introduction to the key issues now shaping the new Europe and its citizens The book features a history of the idea of Europe and the development of the European nation state analysis of European identity and the challenges posed by citizenship migration human rights regionalism and nationalism examination of the enlargement process and the impact of globalisation key learning points text boxes and guides for further reading to help students

The Process of Territorial Cohesion in Europe Luisa Pedrazzini, 2006

New Governance in European Social Policy Milena Büchs, 2007-10-11 B chs analyses the goals and instruments of the Open Method of Coordination discusses approaches which theorize its functioning examines its policy content and develops a framework for its evaluation Through the examination of a case study the author demonstrates how policy actors apply the OMC in employment in Germany and the United Kingdom

Sustainable Urban Development Volume 4 Ian Cooper, Martin Symes, 2008-08-22 This new book explores how the professions responsible for enhancing the built environment's sustainability seek to deliver this new agenda offering multi perspective case studies and discussion to argue for a rethinking of the role of urban development professional Showing how sustainability is rapidly becoming the norm for practitioners the authors consider new types of professional knowledge relationships between planning systems and property development links between public and private sector organisations ideas about long term responsibilities and new working practices for engaging with the public Integration of the Greater European Spaces Council of Europe, 2002-01-01 This volume contains the proceedings in English and French of the International seminar Integration of the greater European spaces about the sustainable spatial organisation of the Greater European area Topics range from geopolitical considerations to territorial impact assessment of concrete projects and comprehensive reports on the activities undertaken under various European initiatives and programmes of cross border transnational and inter regional co operation Particular attention was paid to the presentation of successful regional and local spatial development projects New Social Policy Agendas for Europe and Asia Katherine Marshall, Olivier Butzbach, 2003 The East Asia crisis of 1997-98 highlighted the need for new models for social policy A joint project between European and Asian governments brought together over a two year period the experience of social policy experts from Europe and Asia This project was financed by the ASEM Asia Europe Meeting This document looks at a wide range of issues social security reform links between macroeconomics and social policy labour market policies gender relations and cross border migration Inspired by European experience in similar fields and focusing on ideas and knowledge exchange the project worked to develop papers and seminars to produce this book *A Dictionary of the European Union* Lee McGowan, David Phinnemore, 2015-04-10 This unique collection of data includes concise definitions and explanations relating to all aspects of the European Union It explains the terminology surrounding the EU and outlines the roles and significance of the institutions member countries foreign relations programmes and policies treaties and personalities It contains over 1 000 clear and succinct definitions and explains acronyms and abbreviations which are arranged alphabetically and fully cross referenced The book has been fully updated to include details of the elections to the European Parliament and the appointment of the new European Commission in 2014 together with other important revisions Among the 1 000 entries you can find explanations and background details on accession negotiations the African Union the Arab Spring the Common Agricultural Policy competition policy the European Maritime and Fisheries Fund the euro human rights Jean Claude Juncker the European Anti Fraud Office OLAF the Schengen Agreement Serbia the Single Supervisory Mechanism the single rulebook the Treaty of Lisbon Ukraine **New State Formations in Education Policy** Laura Engel, 2009-01-01 New State Formations in Education Policy Reflections from Spain explores globalization shifting state spaces and education in relation to a diverse set of processes including democratization decentralization and Europeanization The book offers a unique

perspective on education policy formation in the modern nation state in which education policy makers have to take into account and negotiate not only pressures related to devolution and regionalization but also policy ideas emanating from the developing European agenda and notions circulating within the global space In this way education policy concepts are not only formed in relation to national regional dynamics but are influenced more broadly by a complex set of supranational and global considerations While the book focuses on Spain this study reflects the growing influence of globalization on national systems of education The book therefore will be of interest to those engaged in studies of globalization and education and those with an interest in the contemporary political cultural and educational context of Europe

Core-Periphery Patterns across the European Union Adelaide Duarte, Gabriela Carmen Pascariu, 2017-08-25 In this new work Pascariu and Duarte along with an international group of acclaimed scholars delve into key challenges currently facing the European Union They Analyze the effect of peripherality across the EU regions which will be of great interest to those countries and regions facing a process of integration

Combating Poverty and Social Exclusion in European Union Law Ane Aranguiz, 2022-03-30 This book examines the potential role of European Union law in combating poverty and social exclusion in the European Union Anti poverty strategies have been part of the European Union agenda for decades Most saliently over a decade ago the EU s Member States pledged to lift 20 million people out of poverty In spite of this commitment the EU did not even meet a quarter of this target and over 113 million people still were at risk of poverty and social exclusion by the end of 2020 This book addresses the incongruence between a quite developed EU policy strategy and a well embedded legal objective on the one hand and the lack of direct legal action on the other Analysing the role of social policy instruments fundamental rights and the constitutional framework of the European Union it makes a detailed case for a contribution of EU law to the policy objective of combating poverty and social exclusion Drawing on work in law politics social policy and economics this book will interest scholars and policymakers in the areas of EU law labour and social security human rights political science and social and public policy The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution CC BY 4.0 license
