The Welfare State in Post-Industrial Society Jason L. Powell, Jon Hendricks, 2009-06-10 In recent years major social forces such as ageing populations social trends migration patterns and the globalization of economies have reshaped social welfare policies and practices across the globe Multinational corporations NGOs and other international organizations have begun to influence social policy at a national and local level Among the many ramifications of these changes is that globalizing influences may hinder the ability of individual nation states to effect policies that are beneficial to them on a local level With contributions from thirteen countries worldwide this collected work represents the first major comparative analysis on the effect of globalization on the international welfare state The Welfare State in Post Industrial Society is divided into two major sections the first draws from

a number of leading social welfare researchers from diverse countries who point to the nation state as case studies highlighting how it goes about establishing and revising social welfare provisions The second portion of the volume then moves to a more global perspective in its analysis and questioning of the impact of globalization on citizenship ageing and marketization The Welfare State in Post Industrial Society seeks to encourage debate about the implications of the most pressing social welfare issues in nation states and integrate analyses of policy and practice in particular countries struggling to provide social welfare support for their needy populations

Community Organizing and Community Building for Health and Welfare Meredith Minkler, 2012-07-16 The third edition of *Community Organizing and Community Building for Health and Welfare* provides new and more established ways to approach community building and organizing from collaborating with communities on assessment and issue selection to using the power of coalition building media advocacy and social media to enhance the effectiveness of such work With a strong emphasis on cultural relevance and humility this collection offers a wealth of case studies in areas ranging from childhood obesity to immigrant worker rights to health care reform A tool kit of appendixes includes guidelines for assessing coalition effectiveness exercises for critical reflection on our own power and privilege and training tools such as policy bingo From former organizer and now President Barack Obama to academics and professionals in the fields of public health social work urban planning and community psychology the book offers a comprehensive vision and on the ground examples of the many ways community building and organizing can help us address some of the most intractable health and social problems of our times Dr Minkler's course syllabus Although Dr Minkler has changed the order of some chapters in the syllabus to accommodate guest speakers and help students prep for the midterm assignment she uses she arranged the actual book layout in a way that should flow quite naturally if instructors wish to use it in the order in which chapters appear
