## **Economy Of The Roman Empire Quantitative Studies:**

Economy of the Roman Empire R. Duncan-Jones, 1982-09-02      *The Economy of the Roman Empire* Richard Duncan-Jones, 1982      The Economy of the Roman Empire, 1977      **The Economy of the Roman Empire** Richard Duncan-Jones, 1982      *Richard Duncan-Jones, The economy of the Roman Empire, quantitative studies* Jean Andreau, 1974

**The Economy of Roman Religion** Andrew Wilson, Nick Ray, Angela Trentacoste, 2023-06-07 This interdisciplinary edited volume presents twelve papers by Roman historians and archaeologists discussing the interconnected relationship between religion and the Roman economy over the period c 500 BC to AD 350 The connection between Roman religion and the economy has largely been ignored in work on the Roman economy but this volume explores the many complex ways in which economic and religious thinking and activities were interwoven from individuals to institutions The broad geographic and chronological scope of the volume engages with a notable variety of evidence epigraphic archaeological historical papyrological and zooarchaeological In addition to providing case studies that draw from the rich archaeological documentary and epigraphic evidence the volume also explores the different and sometimes divergent pictures offered by these sources from discrepancies in the cost of religious buildings to the tensions between piety and ostentatious donation The edited collection thus bridges economic social and religious themes The volume provides a view of a society in which religion had a central role in economic activity on an institutional to individual scale The volume allows an evaluation of impact of that activity from both financial and social viewpoints providing a new perspective on Roman religion a perspective to which a wide range of archaeological and documentary evidence from animal bone to coins and building costs has contributed As a result this volume not only provides new information on the economy of Roman religion it also proposes new ways of looking at existing bodies of evidence      Economics and Empire in the Roman World Matthew J. M.

Coomber, 2025-01-16 Over the past few decades the study of biblical economics has developed into an important subfield of biblical studies This subfield uses textual and archaeological evidence to uncover the economic realities behind biblical literature resulting in greater understandings of the lives and possible intentions of those individuals and communities that composed these religious texts and also of their potential relevance or lack thereof to the communities that continue to receive them Economics and Empire in the Roman World has brought together eight scholars of biblical economics to create a repository of what is understood about the socioeconomic realities of those who penned and first received what were to become the Christian scriptures In addition to serving the research and teaching interests of biblical scholars this volume has also been created for the benefit of economic historians anthropologists and sociologists      **Pliny's Roman Economy** Richard Saller, 2023-12-05 Recent works by economic historians of early modern Europe have argued for a link between encyclopedias of the 18th century and the developments culminating in the Industrial Revolution Diderot and D'Alembert's great Encyclopédie aimed to disseminate useful knowledge for productive growth and was one of the most visible

contributions to what economic historian Joel Mokyr has labelled a culture of growth While the Ancient Romans didn't have anything like these encyclopedias they did have its very popular and acknowledged ancestor the thirty seven books of Pliny's Natural History Much has been written about Pliny's view of nature his scientific thought his ideology of empire and so on but there has been no comparable effort to probe Pliny's economic views and the impact if any of his history on Roman economic growth In Pliny's Roman Economy eminent Roman historian Richard Saller aims to bring together the economic observations and instances of financial reasoning scattered throughout the Natural History Taken together they do not amount to a discipline of economics but Saller argues they do provide insights into Pliny's views about different forms of production and commerce about labor and agency about price formation and profitability about investment and consumption and about technology Combined with archaeological and other evidence Pliny's work can also provide us with one of our best textual pictures of the working of the Roman economy

**Economy, Family, and Society from Rome to Islam** Simon Swain, 2013-04-25 A full edition and study of Bryson's Management of the Estate edited by a leading expert in both Classics and Arabic literature

**An Urban Geography of the Roman World, 100 BC to AD 300** J. W. Hanson, 2016-11-07 This book provides a new account of the urbanism of the Roman world between 100 BC and AD 300 To do so it draws on a combination of textual sources and archaeological material to provide a new catalogue of cities calculates new estimates of their areas and uses a range of population densities to estimate their populations

*The Cambridge Companion to the Roman Economy* Walter Scheidel, 2012-11-08 This book offers readers a comprehensive and innovative introduction to the economy of the Roman Empire Focusing on the principal determinants features and consequences of Roman economic development and integrating additional web based materials it is designed as an up to date survey that is accessible to all audiences Five main sections discuss theoretical approaches drawn from economics labor regimes the production of power and goods various means of distribution from markets to predation and the success and ultimate failure of the Roman economy The book not only covers traditionally prominent features such as slavery food production and monetization but also highlights the importance of previously neglected aspects such as the role of human capital energy generation rent taking logistics and human wellbeing and convenes a group of five experts to debate the nature of Roman trade

**The Grain Market in the Roman Empire** Paul Erdkamp, 2005-11-03 This book explores the economic social and political forces that shaped the grain market in the Roman Empire Examining studies on food supply and the grain market in pre industrial Europe it addresses questions of productivity division of labour market relations and market integration The social and political aspects of the Roman grain market are also considered Dr Erdkamp illustrates how entitlement to food in Roman society was dependent on relations with the emperor his representatives and the landowning aristocracy and local rulers controlling the towns and hinterlands He assesses the response of the Roman authorities to weaknesses in the grain market and looks at the implications of the failure of local harvests By examining the subject from a contemporary perspective this

book will appeal not only to historians of ancient economies but to all concerned with the economy of grain markets a subject which still resonates today     Carving a Professional Identity: The Occupational Epigraphy of the Roman Latin West Rada Varga,2020-11-12 This volume presents the results of long term research into occupational epigraphy from the Latin language provinces of the Roman Empire It catalogues stone epigraphs of 690 independent professionals excluding state workers imperial slaves freedmen and military personnel providing quantitative as well as qualitative analyses of the raw data     **The Roman World 44 BC-AD 180** Martin Goodman,2013-06-17 The Roman World 44 BC AD 180 deals with the transformation of the Mediterranean regions northern Europe and the Near East by the military autocrats who ruled Rome during this period The book traces the impact of imperial politics on life in the city of Rome itself and in the rest of the empire arguing that despite long periods of apparent peace this was a society controlled as much by fear of state violence as by consent Martin Goodman examines the reliance of Roman emperors on a huge military establishment and the threat of force He analyses the extent to which the empire functioned as a single political economic and cultural unit and discusses region by region how much the various indigenous cultures and societies were affected by Roman rule The book has a long section devoted to the momentous religious changes in this period which witnessed the popularity and spread of a series of elective cults and the emergence of rabbinic Judaism and Christianity from the complex world of first century Judaea This book provides a critical assessment of the significance of Roman rule for inhabitants of the empire and introduces readers to many of the main issues currently faced by historians of the early empire This new edition incorporating the finds of recent scholarship includes a fuller narrative history expanded sections on the history of women and slaves and on cultural life in the city of Rome many new illustrations an updated section of bibliographical notes and other improvements designed to make the volume as useful as possible to students as well as the general reader     Aspects of Roman History 82BC-AD14 Mark Davies,Hilary Swain,2010-04-26 Examines the political and military history of Rome and its empire in the Ciceronian and Augustan ages This book covers the lives of women and slaves the running of the empire and the lives of provincials and religion culture and propaganda in the period of 82BC AD14 It is suitable for the students of Roman history     **Daily Life in the Roman City** Gregory S. Aldrete,2004-12-30 Despite the fact that the majority of the inhabitants of the Roman Empire lived an agricultural existence and thus resided outside of urban centers there is no denying the fact that the core of Roman civilization its essential culture and politics was based in cities Even at the furthest boundaries of the Empire Roman cities shared a remarkable and consistent similarity in terms of architecture art infrastructure and organization which was modeled after the greatest city of all Rome itself In Gregory Aldrete s exhaustive account readers will have the opportunity to peer into the inner workings of daily life in ancient Rome to witness the full range of glory cruelty sophistication and deprivation that characterized Roman cities and will perhaps even gain new insight into the nature and history of urban existence in America today Included are accounts of Rome s history infrastructure government and inhabitants as well as chapters on life

and death the dangers and pleasures of urban living entertainment religion the emperors and the economy Additional sections explore two other important Roman cities Ostia an industrial port town and Pompeii the doomed playground of the rich This volume is ideal for high school and college students as well as for anyone interested in examining the realities of life in ancient Rome A chronology of the time period maps illustrations a bibliography and an index are also included

**Encyclopedia of the Roman Empire** Matthew Bunson, 2014-05-14 Not much has happened in the Roman Empire since 1994 that required the first edition to be updated but Bunson a prolific reference and history author has revised it incorporated new findings and thinking and changed the dating style to C E Common Era and B C E Before Common Era For the 500 years from Julius Caesar and the Gallic Wars in 59 51 B C E to the fall of the empire in the west in 476 C E he discusses personalities terms sites and events There is very little cross referencing

**Surviving Rome** Kim Bowes, 2025-11-04 A radical new history of the Roman economy focused on the lives and labors of the working people and the poor who made up the 90% percent of the population Provided by publisher

**Shopping in Ancient Rome** Claire Holleran, 2012-04-26 Shopping in Ancient Rome provides the first comprehensive account of the retail network of this ancient city an area of commerce that has been largely neglected in previous studies Given the remarkable concentration of consumers in ancient Rome the vast majority of which were entirely reliant on the market for survival a functioning retail trade was vital to the survival of Rome in the late Republic and the Principate In this volume Holleran provides the first systematic account of Rome s retail sector through a comprehensive analysis of the literary legal epigraphic and archaeological evidence together with wide ranging and innovative comparative studies of the distributive trades Investigating the diverse means by which goods were sold to consumers in the city and the critical relationship between retail and broader environmental factors Holleran places Roman retail trade firmly within the wider context of its urban economy In considering the roles played by shops workshops markets fairs auctions street sellers and ambulant vendors in the distribution of goods to the inhabitants of the city the volume sheds new light on the experience of living in the ancient city and explores the retail trade of Rome in its totality

**The Teacher in Ancient Rome** Lisa Maurice, 2013-08-22 The Teacher in Ancient Rome The Magister and His World by Lisa Maurice investigates a particular aspect of education in ancient Rome namely the figure of the teacher After identifying and defining the different kinds of teachers in the Roman education systems Maurice illuminates their ways of life both as both professionals and members of society This text surveys the physical environment in which teachers worked as well as the methods equipment and techniques used in the classroom Slavery patronage and the social and financial status of the various types of teachers are considered in depth Maurice examines ideological issues surrounding teachers discussing the idealized figure of the teacher and the frequent differences between this ideal and actual educators Also explored are the challenges posed by the interaction of Greek and Roman culture and later between paganism and Christianity and how these social clashes affected those responsible for educating

the youth of society The Teacher in Ancient Rome is a comprehensive treatment of a figure instantly recognizable yet strikingly different from that of the modern teacher
