**Lost Ecstasy** June McDaniel,2018-06-26 This book is a study of religious ecstasy and the ways that it has been suppressed in both the academic study of religion and in much of the modern practice of religion It examines the meanings of the term how ecstatic experience is understood in a range of religions and why the importance of religious and mystical ecstasy has declined in the modern West June McDaniel examines how the search for ecstatic experience has migrated into such areas as war terrorism transgression sexuality drug use and anti institutional forms of spirituality She argues that the loss of religious and mystical ecstasy as both a religious goal and as a topic of academic study has had wide ranging negative effects She also proposes that the field of religious studies must go beyond criminalizing trivializing and pathologizing ecstatic and mystical experiences Both religious studies and theology need to take these states seriously as important aspects of lived human experience

**The Philosophy of Ecstasy** Leonard Lewisohn, 2015-01-30 Jalal al-Din Rumi (1207-73), founder of the Mevlevi Sufi order of Whirling Dervishes, is the best-selling poet in America today. The wide-ranging appeal of his work is such that UNESCO declared 2007 to be International Rumi Year. However, his writings represent much more than love poetry. Rumi was one of the preeminent thinkers of Sufism, the esoteric form of Islam. In this groundbreaking collection of 13 essays on Rumi, many of the world's leading authorities in the field of Islamic Studies and Persian Literature discuss the major religious themes in his poetry and teachings. In addition to discussing the ideas of love, ecstasy, and music in Rumi's Sufi poetry, the essays offer new historical and theological perspectives on his work. The immortality of the soul, free will, the nature of punishment and reward, and the relationship of Islam to Christianity are all covered in order to bring Rumi's poetry properly into the context of the Sufi tradition to which he belonged. *The Art of Everyday Ecstasy* Margot Anand, 2015-02-18 Ecstasy is about waking up and finding that you are in love with life. Most people think of ecstasy in terms of sexual ecstasy, which Tantric sex expert Margot Anand wrote about in her bestselling *The Art of Sexual Ecstasy*. Now in *The Art of Everyday Ecstasy*, Anand expands our definition of ecstasy and shows how we can harness its energy to help us live, work, and love more passionately, joyfully, and with true spiritual focus. Our modern, work-obsessed, stress-filled culture, what Anand calls the anti-ecstatic conspiracy, has dulled our spirits, thrown us off balance, and alienated us from meaningful everyday experiences. In this inspirational journey toward finding the healing nature of ecstasy, Anand explains how the two types of ecstatic experiences, the moments of epiphany called Ecstatic Awakenings and Everyday Ecstasy, or the Ecstasy of Flow, a connection to our power and inner wisdom, can help us move beyond pain and doubt to reach our highest potential. Based on the spiritual path of Tantra, Anand shows how to use the natural energy system of our bodies, the seven chakras, as a map to ecstasy. As she guides us through the chakras, she explains how each one plays an important role in transforming energy into erotic passion, healing, empowerment, compassion, creativity, insight, and gratitude. Blocked chakras manifest themselves in surprising ways; wholeness can be achieved only when all of the chakras are open, with energy flowing freely. By transforming negative behavioral patterns into positive ones and strengthening ourselves physically, emotionally, and spiritually, we can improve our health, sex life, career, relationships, and find profound meaning in everyday moments. With personal anecdotes, exercises, meditations, and rituals, *The Art of Everyday Ecstasy* shows us how to bring ecstatic energy into the body, mind, heart, and spirit to embrace every moment in our totality, to respond bodily, feel from the heart, perceive with clarity, and be fully present to others and to life.
