

Edward Douglass White

William Timothy Miller

Edward Douglass White:

The Supreme Court Under Edward Douglass White, 1910-1921 Walter F. Pratt, 1999 This volume chronicles a transformation in American jurisprudence that mirrored the widespread political economic and social upheavals of the early 20th century White's tenure coincided with a shift from a rural to an urban society and the emergence of the US as a world power

Edward Douglass White Memorial Program, Unveiling of Statue Louisiana. Edward Douglass White Memorial Commission, 1961

Paths to Distinction William Dale Reeves, 1999 *Portrait of the Late Chief Justice Edward Douglass White. Communication from the President of the United States, Transmitting an Estimate of Appropriation for the Supreme Court of the United States for the Fiscal Year Ending June 30, 1923, for a Marble Bust, with Pedestal, and for an Oil Portrait of the Late Chief Justice Edward Douglass White..* United States. Congress. House. Committee on Appropriations, 1923

Edward Douglass White, Jr James Watts, 2019 A welcome addition to high school college and library collections this eBook examines the biographical facts of United States Supreme Court justice Edward Douglass White's life including his background in the law the paths

Edward Douglass White Robert B. Highsaw, 1999-03-01 Elite personable and persuasive Edward Douglass White a large and bearish man from Louisiana served on the United States Supreme Court for twenty seven years During his tenure first as an associate justice 1894 1910 and then as the ninth chief justice 1910 1921 White significantly influenced American public law Robert Highsaw's extensive judicial biography stresses White's constitutional thought and philosophy Several chapters discuss his early years in Louisiana his training in Jesuit schools there and at Georgetown University and his early legal career in New Orleans The emphasis however remains on White's theories and applications of the judicial and constitutional processes Edward Douglass White looked upon the American constitutional system as a model for a well ordered society that must be preserved White's concept of a federal system in which the national and state governments each operated within a defined sphere of powers underlay many of his opinions White considered farm issues that developed after the closing of the western frontier economic issues precipitated by a growing laboring class and tense political issues of civil liberties that emerged during World War I He played an important part in developing administrative law and was perhaps most responsible for strengthening dual federalism of commerce and taxing powers His pragmatism evidenced in the Insular cases where his doctrine of incorporated and unincorporated territories synthesized American constitutional law with the political reality of American imperialism White was a conservative but unlike the conservative justices of the 1920s and 1930s whose intransigence produced the judicial revolution of 1937 he saw that injury to the Constitution might result from its consistent use as a barrier to social progress Significantly Edward Douglass White demonstrates that the judicial revolution of 1937 and the ensuing decades of the Court's history are meaningless unless we know what happened fifty or so years earlier

The White Court Rebecca S. Shoemaker, 2004-04-05 An in depth examination of the U S Supreme Court under the 11 year reign of Chief Justice Edward

Douglass White The White Court Justices Rulings and Legacy examines the workings and legacies of the Supreme Court during the tenure of Chief Justice Edward Douglass White Through detailed discussions of landmark cases this reference work explores the role the Court played in steering the country through an era of economic growth racial discrimination and international warfare The White Court reveals how the Court established its greatest legacy the rule of reason in antitrust cases against the American Tobacco Company and Standard Oil and how it resolved controversies concerning the expansion of executive power during wartime Individual profiles of the 13 White Court justices describe their rise to prominence and controversies surrounding their nominations their work on the Court judicial philosophies important decisions and overall impact
