London's literary life as it is a revelation of an iconic literary figure Best known for his twelve volume comic masterpiece *A Dance to the Music of Time* the prolific writer and critic Anthony Powell 1905-2000 kept company between the two world wars with rowdy hard up writers and painters and painters models in the London where Augustus John and Wyndham Lewis loomed large He counted Evelyn Waugh and Henry Green among his lifelong friends and his circle included the Sitwells Graham Greene George Orwell Philip Larkin and Kingsley Amis Drawing on letters diaries and interviews Hilary Spurling herself a longtime friend of Powell's as well as an award winning biographer has produced a fresh and powerful portrait of the man and his times Thoroughly Modern Sarah Knights, 2023-06-08 The life of pioneering photographer Barbara Ker Seymour Thoroughly entertaining Knights expertly evokes this hedonistic period The Times A picturesque portrayal of a world that sounds as thoroughly maniacal as it was modern Daily Telegraph I just called myself Ker Seymour Photographs Barbara said I didn't think it was necessary to have your sex displayed on the photographs Vivacious sassy out to have fun Ker Seymour was committed to independence One of a handful of outstanding British photographers of her generation Ker Seymour's work defined a talented forward looking network of artists dancers writers actors and musicians all of whom flocked to her Bond Street studio Among her sitters were Evelyn Waugh Margot Fonteyn Cyril Connolly Jean Cocteau and Vita Sackville West Barbara Ker Seymour 1905-1993 disdained lucrative society portraits in favour of unfussy modern images Her work was widely admired by her peers among them Man Ray and Jean Cocteau Her images as a gossip column photojournalist for Harper's Bazaar were the go to representations of the aristocracy and Bright Young Things at play Yet as both a studio portraitist and a photojournalist she broke with convention Equally unconventional in her personal life Ker Seymour was prefigurative in the way she lived her life as a bisexual woman and in her contempt for racism misogyny and homophobia Fiercely independent for much of her life she rejected the idea of family preferring her wide set of creative friends with the artist Edward Burra ballet dancer William Billy Chappell and choreographer Frederick Ashton at its core Today Ker Seymour's photographs are known for whom they represent rather than the face behind the camera an irony underpinned by the misattribution of some of her most daring images to Cecil Beaton Yet her intelligence sparkle wit and genius enabled her to link arms with the surrealists the Bloomsbury Group the Bright Young Things and most gloriously the worlds of theatre cabaret and jazz With unprecedented access to private archives and hitherto unseen material Sarah Knights brings Barbara Ker Seymour and her brilliant bohemian friends vividly to life **Edward Burra** Edward John Burra, Hayward Gallery, 1985

**Edward Burra** Jane Stevenson, 2007 Edward Burra never followed the fashion in the thirties when modern art was dominated by abstraction and landscape he painted people in the sixties when landscape was completely out of fashion he started to find it interesting This is a biography of Edward Burra Edward Burra Andrew Causey, Edward John Burra, 1985 Overzicht van het werk van de Engelse kunstenaar **Vanessa Bell** Frances Spalding, 2021-04-01 The definitive and authorised biography of the artist Vanessa Bell Even through the lens of the twenty first century the story of Vanessa Bell's

life is unorthodox A powerful magnetic figure Bell lived at the heart of the Bloomsbury Group and was often the core figure around which the disparate individuals of the movement revolved Her art and designs so often overshadowed by her sister Virginia Woolf's writings and fame and by the interest in her own unconventional life made a significant contribution to the history of the Bloomsbury Group Yet until this authorised biography was written she has remained a largely silent and enigmatic figure In this captivating account acclaimed art historian and biographer Frances Spalding restores Bell to the heart of the Bloomsbury Group illuminating an exceptional life and the free spirited circle among which she lived The Letters of Conrad Aiken and Malcolm Lowry, 1929-1954 Conrad Aiken, Malcolm Lowry, 1992 From the beginning John Sutherland recognized that his literary gifts lay in criticism rather than in poetry His independence from the academy and his largely autodidactic training gave him a unique perspective as a critic of Canadian literature What these letters document beyond a purely personal struggle is a period 1942-1956 of great importance in the development of Canadian poetry and it is above all the nuts and bolts of that development that they bring into keen relief the economics of publishing books and literary magazines in the days before The Canada Council and the difficulty if not the impossibility of trying wholly to live a life in literature at that time *Guernica* James Attlee, 2017-10-05 A brilliant concise account of the painting often described as the most important work of art produced in the twentieth century as part of the stunning Landmark Library series Pablo Picasso had already accepted a commission to create a work for the Spanish Republican Pavilion in 1937 when news arrived of the bombing of the undefended Basque town of Gernika James Attlee offers an illuminating account of the genesis creation and complex afterlife of Picasso's *Guernica* He explores the historical and cultural context from which the painting sprang and the meanings it accrued during its travels across Europe and the Americas as well as its influence on artists both living and dead Finally he argues for its continuing importance as a warning of what happens when the forces of darkness go unchallenged Praise for *Guernica* Helps you appreciate *Guernica*'s daring and resonance Literary Review An impressive overview of the painting's conception and execution and its subsequent life as an exhibit and a symbol Attlee's book succeeds in showing how influential *Guernica* has been Sunday Times Attlee digs up rich examples of the debate and devotion that invariably attended the painting *Guernica* literature abounds but this book is a worthwhile addition Spectator Art and Artists, 1982 **Creative Tension** Adrian Jenkins, 2005 Oxford Dictionary of National Biography: Chandler-Cleeve Henry Colin Gray Matthew, Brian Harrison, 2004 55 000 biographies of people who shaped the history of the British Isles and beyond from the earliest times to the year 2002
