EDWARD VI OF ENGLAND

Edward VI Yale English Monarchs The English Monarchs Series

Carol-Ann Johnston

Edward VI Yale English Monarchs The English Monarchs Series:

Edward VI Jennifer Loach,2002-01-11 Edward VI was the son of Henry VIII and his second wife Jane Seymour He ruled for only six years 1547 1553 and died at the age of sixteen But these were years of fundamental importance in the history of the English state and in particular of the English church This new biography reveals for the first time that despite his youth Edward had a significant personal impact Jennifer Loach draws a fresh portrait of the boy king as a highly precocious well educated intellectually confident and remarkably decisive youth with clear views on the future of the English church Loach also offers a new understanding of Edward s health arguing that the cause of his death was a severe infection of the lungs rather than tuberculosis the commonly accepted diagnosis The author views Edward not as a sickly child but as a healthy and vigorous boy devoted to hunting and tournaments like any young aristocrat of the day This book tells the story of the monarch and of his time It supplies the dramatic context in which the short reign of Edward VI was played out the momentous religious changes factional fights and popular risings And it offers vivid details on Edward s increasing absorption in politics his consciousness of his role as supreme head of the English church his determination to lay the foundation for a Protestant regime and how his failure in this ambition brought England to the brink of civil war Edward VI

VI Jennifer Loach,2014-11-01 Edward VI was the son of Henry VIII and his second wife Jane Seymour He ruled for only six years 1547 1553 and died at the age of sixteen But these were years of fundamental importance in the history of the English state and in particular of the English church This new biography reveals for the first time that despite his youth Edward had a significant personal impact Jennifer Loach draws a fresh portrait of the boy king as a highly precocious well educated intellectually confident and remarkably decisive youth with clear views on the future of the English church Loach also offers a new understanding of Edward s health arguing that the cause of his death was a severe infection of the lungs rather than tuberculosis the commonly accepted diagnosis The author views Edward not as a sickly child but as a healthy and vigorous boy devoted to hunting and tournaments like any young aristocrat of the day This book tells the story of the monarch and of his time It supplies the dramatic context in which the short reign of Edward VI was played out the momentous religious changes factional fights and popular risings And it offers vivid details on Edward s increasing absorption in politics his consciousness of his role as supreme head of the English church his determination to lay the foundation for a Protestant regime and how his failure in this ambition brought England to the brink of civil war *Tudor and Stuart Britain* Roger

Lockyer,Peter Gaunt,2018-09-28 *Tudor and Stuart Britain* charts the political religious economic and social history of Britain from the start of Henry VII s reign in 1485 to the death of Queen Anne in 1714 providing students and lecturers with a detailed chronological narrative of significant events such as the Reformation the nature of Tudor government the English Civil War the Interregnum and the restoration of the monarchy This fourth edition has been fully updated and each chapter now begins with an introductory overview of the topic being discussed in which important and current historical debates are

highlighted Other new features of the book include a closer examination of the image and style of leadership that different monarchs projected during their reigns greater coverage of Phillip II and Mary I as joint monarchs new sections exploring witchcraft during the period and the urban sector in the Stuart age and increased discussion of the English Civil War of Oliver Cromwell and of Cromwellian rule during the 1650s Also containing an entirely rewritten guide to further reading and enhanced by a wide selection of maps and illustrations Tudor and Stuart Britain is an excellent resource for both students and teachers of this period

Constitutional History of the UK Ann Lyon,2003-03-13 First published in 2003 Routledge is an imprint of Taylor Francis an informa company

Edward VI Jennifer Loach,2002

Henry I C. Warren Hollister,2008-10-01 Henry I son of William the Conqueror ruled from 1100 to 1135 a time of fundamental change in the Anglo Norman world This long awaited biography written by one of the most distinguished medievalists of his generation offers a major reassessment of Henry s character and reign Challenging the dark and dated portrait of the king as brutal greedy and repressive it argues instead that Henry s rule was based on reason and order C Warren Hollister points out that Henry laid the foundations for judicial and financial institutions usually attributed to his grandson Henry II Royal government was centralized and systematized leading to firm stable and peaceful rule for his subjects in both England and Normandy By mid reign Henry I was the most powerful king in Western Europe and with astute diplomacy an intelligence network and strategic marriages of his children legitimate and illegitimate he was able to undermine the various coalitions mounted against him Henry strove throughout his reign to solidify the Anglo Norman dynasty and his marriage linked the Normans to the Old English line Hollister vividly describes Henry s life and reign places them against the political background of the time and provides analytical studies of the king and his magnates the royal administration and relations between king and church The resulting volume is one that will be welcomed by students and general readers alike

The Godwins Frank Barlow,2013-08-16 The family of Earl Godwin of Wessex stands among the most famous in English history whose most famous son was King Harold Frank Barlow charts the family through to Harold the last Anglo Saxon king and finally the crowning of William the Conqueror during the Norman Conquest Set against the backdrop of Viking raids and ultimately the Norman Conquest of 1066 Frank Barlow unravels the gripping history of a feuding family that nevertheless determined the course and fortunes of all the English

Henry III David Carpenter,2023-06-13 The second volume in the definitive history of Henry III s rule covering the revolutionary events between 1258 and the king s death in 1272 After coming to the throne aged just nine Henry III spent much of his reign peaceably Conciliatory and deeply religious he created a magnificent court rebuilt Westminster Abbey and invested in soft power Then in 1258 the king faced a great revolution Led by Simon de Montfort the uprising stripped him of his authority and brought decades of personal rule to a catastrophic end In the brutal civil war that followed the political community was torn apart in a way unseen again until Cromwell Renowned historian David Carpenter brings to life the dramatic events in the last phase of Henry III s momentous reign Carpenter provides a

fresh account of the king's strenuous efforts to recover power and sheds new light on the characters of the rebel de Montfort Queen Eleanor and Lord Edward the future Edward I A groundbreaking biography Henry III illuminates as never before the political twists and turns of the day showing how politics and religion were intimately connected Popular Protest in Late Medieval English Towns Samuel Kline Cohn, Douglas Aiton, 2013 Draws new attention to popular protest in medieval English towns away from the more frequently studied theme of rural revolt **AQA A-level History: The Tudors: England**

1485-1603 David Ferriby, Angela Anderson, P A Imperato, 2015-07-31 Exam Board AQA Level AS A level Subject History First Teaching September 2015 First Exam June 2016 AQA approved Enhance and expand your students knowledge and understanding of their AQA breadth study through expert narrative progressive skills development and bespoke essays from leading historians on key debates Builds students understanding of the events and issues of the period with authoritative well researched narrative that covers the specification content Introduces the key concepts of change continuity cause and consequence encouraging students to make comparisons across time as they advance through the course Improves students skills in tackling interpretation questions and essay writing by providing clear guidance and practice activities Boosts students interpretative skills and interest in history through extended reading opportunities consisting of specially commissioned essays from practising historians on relevant debates Cements understanding of the broad issues underpinning the period with overviews of the key questions end of chapter summaries and diagrams that double up as handy revision aids The Tudors England 1485 1603 A revised edition of Access to History An Introduction to Tudor England 1485 1603 this title explores the consolidation of the Tudor Dynasty under Henry VII and Henry VIII the years of instability and religious turmoil in the mid Tudor period and the period of relative stability during Elizabeth I's reign It considers breadth issues of change continuity cause and consequence in this period through examining key questions on themes such as power religion opposition relations with foreign powers and the impact of key individuals *A Lancastrian Mirror for Princes* Rosemarie McGerr, 2011-11-15 This seminal study addresses one of the most beautifully decorated 15th century copies of the New Statutes of England uncovering how the manuscript's unique interweaving of legal religious and literary discourses frames the reader's perception of the work Taking internal and external evidence into account Rosemarie McGerr suggests that the manuscript was made for Prince Edward of Lancaster transforming a legal reference work into a book of instruction in kingship as well as a means of celebrating the Lancastrians rightful claim to the English throne during the Wars of the Roses A Lancastrian Mirror for Princes also explores the role played by the manuscript as a commentary on royal justice and grace for its later owners and offers modern readers a fascinating example of the long lasting influence of medieval manuscripts on subsequent readers Henry VI Bertram Wolffe, 2001-01-01 In this widely acclaimed biography Bertram Wolffe challenges the traditional view of Henry VI as an unworldly innocent and saintly monarch and offers instead a finely drawn but critical portrait of an ineffectual ruler Drawing on widespread contemporary evidence Wolffe describes the

failures of Henry's long reign from 1422 to 1471 which included the collapse of justice the loss of the French territories and the final disintegration of his government He argues that the posthumous cult of Henry was promoted by Henry VII as a way of excusing his uncle's political failures while enhancing the image of the dynasty This edition includes a new foreword by John Watts that discusses the book and its place in the evolving literature Reviews of the earlier edition A brilliant biography that brings us as near as we are ever likely to come to this elusive personality Sunday Times London A powerful compulsively readable portrait Observer Much learning skillfully deployed as here evokes pleasure as well as admiration R L Storey Times Literary Supplement

A Hidden History of the Tower of London John Paul Davis, 2020-03-30 Famed as the ultimate penalty for traitors heretics and royalty alike being sent to the Tower is known to have been experienced by no less than 8 000 unfortunate souls Many of those who were imprisoned in the Tower never returned to civilisation and those who did often did so without their head It is hardly surprising that the Tower has earned itself a reputation among the most infamous buildings on the planet There have of course been other towers Practically every castle ever built has consisted of at least one indeed even by the late 14th century the Tower proudly boasted no less than 21 Yet even as early as the 1100s the effect that the first Tower had on the psyche of the local population was considerable The sight of the dark four pointed citadel at the time the largest building in London as it appeared against the backdrop of the expanding city gave rise to many legends ranging from the exact circumstances of its creation to what went on within its strong walls In ten centuries what once consisted of a solitary keep has developed into a complex castle around which the history of England has continuously evolved So revered has it become that legend has it that should the Tower fall so would the kingdom Beginning with the early tales surrounding its creation this book investigates the private life of an English icon Concentrating on the Tower's developing role throughout the centuries not in terms of its physical expansion into a site of unique architectural majesty or many purposes but through the eyes of those who experienced its darker side it pieces together the often seldom told human story and how the fates of many of those who stayed within its walls contributed to its lasting effect on England's and later the UK's destiny From ruthless traitors to unjustly killed Jesuits vanished treasures to disappeared princes and jaded wives to star crossed lovers this book provides a raw and at times unsettling insight into its unsolved mysteries and the lot of its unfortunate victims thus explaining how this once typical castle came to be the place we will always remember as THE TOWER

Concise Character Portraits of England's Tudor, Stuart And protectorate Rulers: 1456-1714 a . D . Chris Stubbs, 2014-05-12 This book presents character portraits of Tudor Stuart and Protectorate rulers of England from AD 1456 to 1714 The author derived the portraits following a previously described method by sorting and blending interpretations from each ruler's epoch and birth charts Please note that none of the interpretations are the author's that he has included all points obtained but that he has minimised duplication The unpolished portraits generated are impartial free from bias and consist of relatively modern expressions for appreciation and comparison purposes Concise has been added to the title

because the most speculative the more mundane and the least relevant interpretations have been relegated to smaller print but the order throughout each portrait remains unchanged Additionally Appendix 1 collects all the natal charts and comments on them In case of further interest Appendix 2 assembles the natal charts of some of Englands nearly rulers during the time frame of the book Finally Appendix 3 examines the Tudors and Stuarts separately to try and find group heredity traits among them The results obtained also start to support the idea that importantly we are members of the solar system even though naturally we are Earthlings first

Mary I John Edwards,2011-10-18 The lifestory of Mary I daughter of Henry VIII and his Spanish wife Catherine of Aragon is often distilled to a few dramatic episodes her victory over the attempted coup by Lady Jane Grey the imprisonment of her half sister Elizabeth the bloody burning of Protestants her short marriage to Philip of Spain This original and deeply researched biography paints a far more detailed portrait of Mary and offers a fresh understanding of her religious faith and policies as well as her historical significance in England and beyond John Edwards a leading scholar of English and Spanish history is the first to make full use of Continental archives in this context especially Spanish ones to demonstrate how Mary s culture Catholic faith and politics were thoroughly Spanish Edwards begins with Mary s origins follows her as she battles her increasingly erratic father and focuses particular attention on her notorious religious policies some of which went horribly wrong from her point of view The book concludes with a consideration of Mary s five year reign and the frustrations that plagued her final years Childless ill deserted by her husband Mary died in the full knowledge that her Protestant half sister Elizabeth would undo her religious work and without acknowledging her sister would reap the benefits of Mary s achievements in government

Archives ,2002 **Land and Book** Scott Thompson Smith,2012-01-01 Land and Book places a variety of texts in a dynamic conversation with the procedures and documents of land tenure showing how its social practice led to innovation across written genres in both Latin and Old English

Jane Seymour Carol-Ann Johnston,2023-10-12 Biography of the third wife of King Henry VIII of England and the mother of Edward VI who was Henry s only son Jane Seymour is the wife of Henry VIII we know the least about often written off as Plain Jane Queen of England for just seventeen months during her life Jane witnessed some of the most extraordinary events ever to take place in English history later becoming a part of them Jane ensured her place in Henry s affections by giving him his much longed for male heir only to tragically lose her life twelve days later leaving behind a motherless son and a devastated husband For the remainder of his life Henry would honor the mother of his only legitimate son and would come to regard Jane as his true and loving wife But who was Jane Seymour Throughout this illustrated book we will find a woman who was neither saint or sinner but a human being with her own beliefs and causes

The Peterborough Chronicle, Volume 1 Bernard J. Muir,Nicholas A. Sparks,2022-12-06 The book consists of three parts I Introduction including the history of research detailed paleographical and codicological analysis and discussion of the other Anglo Saxon Chronicle manuscripts and their textual relations II The Critical Edition presenting the text in its immediate seventeenth century manuscript context

with notes III The Modern English Translation including detailed historical and philological notes A bibliography indexes and extensive comparanda complete the book This edition translation and commentary greatly enhance the accessibility and research potential of one of the most important primary sources for the history language and culture of Anglo Saxon England

Cnut the Great Timothy Bolton, 2017-01-01 A seminal biography of the underappreciated eleventh century Scandinavian warlord turned Anglo Saxon monarch who united the English and Danish crowns to forge a North Sea empire Historian Timothy Bolton offers a fascinating reappraisal of one of the most misunderstood of the Anglo Saxon kings Cnut the powerful Danish warlord who conquered England and created a North Sea empire in the eleventh century This seminal biography draws from a wealth of written and archaeological sources to provide the most detailed accounting to date of the life and accomplishments of a remarkable figure in European history a forward thinking warrior turned statesman who created a new Anglo Danish regime through designed internationalism
