Effective Communication For Professionals And Executives Better Business:

Professional Development with Managerial Communication Jitendra Mhatre, 2025-02-20 Professional Development with Managerial Communication delves into how managers and superiors communicate with their employees and subordinates. We explore the pivotal role of communication in human interaction and its importance in the workplace. Our book offers a unique approach to managerial skills, emphasizing how effective communication leads to professional development. We cover topics such as public image impression management, reprimanding unproductive behaviors, effective presentation skills, employment communication, best practices, and handling crisis communication. We examine what communication managers actually do in business across planning, organizing, leading, and controlling functions when professional skills are needed. The most practical insights and real-world examples bring these concepts to life, making complex topics accessible and engaging. Our book helps managers and future managers understand essential professional development skills for management communication. We emphasize the importance of developing and molding these skills to enhance employee development. Readers will gain a thorough knowledge of managerial communication and its impact on professional growth.
