Antony & Cleopatra Pat Southern, 2009. The tragic love affair of Marc Antony and Cleopatra is a staple of popular ancient history, immortalised by Shakespeare and Hollywood and mercilessly parodied in *Clีโอ*. In this dual biography, Patricia Southern attempts to rescue both from the stereotypes portraying their alliance as a mutually advantageous one and both of them as capable political operators. Southern has a flair for this kind of narrative history with argument, but she has already written extensively on both Antony and Cleopatra as well as Caesar, and for those who have read those earlier books, there will be little new here.

Julius Caesar's Self-Created Image and Its Dramatic Afterlife Miryana Dimitrova, 2017-12-14. The book explores the extent to which aspects of Julius Caesar's self-representation in his commentaries, constituent themes and characterization have been appropriated or contested across the English dramatic canon from the late 1500s until the end of the 19th century. Caesar, in his own words, constructs his image as a supreme commander, characterised by exceptional celerity and mercifulness; he is also defined by the heightened sense of self-dramatization achieved by the self-referential use of the third person and emerges as a quasi-divine hero inhabiting a literary-historical reality. Channelled through Lucan's epic *Bellum Civile* and ancient historiography, these Caesarean qualities reach drama and take the shape of ambivalent hubris: political role-playing, self-institutionalization and an exceptional relationship with temporality. Focusing on major dramatic texts with rich performance history, such as Shakespeare's *Julius Caesar*, Handel's opera *Giulio Cesare in Egitto* and Bernard Shaw's *Caesar and Cleopatra*, but also a number of lesser-known early modern plays, the book encompasses different levels of drama's active engagement with the process of reception of Caesar's iconic and controversial personality.
