GPS Camilo J. Vargas, Leyla V Vera, 2017-09-05 Con quién me casar Quiz te hayas hecho esta pregunta una y otra vez Sin embargo más importante aún es preguntarte cuánta preparación tienes mientras navegas por esta temporada de soltero para tomar la decisión más importante de tu vida Cómo prepararte para una relación matrimonial saludable y duradera Quiero hacer para dejar las malas experiencias del pasado atrás y encontrar el verdadero amor Y mucho más **El silencio de Dios** Bruno Forte, 2005 *El Silencio de la fe* Christopher Duque, 2025-05-13 Quieres cuando Dios guarda silencio El Silencio de la fe no es simplemente un libro es una experiencia espiritual para quienes caminan en medio de la espera la incertidumbre y el eco del vacío Christopher Duque nos guía con honestidad recordándonos que el silencio de Dios no es abandono sino preparación Una preparación que se da muchas veces en los momentos en que la fe parece volverse frágil y el corazón pesado Este libro es para ti si has clamado a Dios y has sentido que el cielo guarda silencio Sientes que los procesos se repiten y el dolor del silencio no disminuye Los tiempos de espera te hacen dudar lo que creas saber de Dios Anhelas creer aun cuando el silencio sea lo único que recibes Si alguna vez te has sentido solo olvidado o confundido en tu fe aquí encontrarás compañía consuelo y guía Porque a veces el silencio es su voz más poderosa *Rediscovering John* Lesław Daniel Chrupcała, 2014-05-29 T00:00:00+02:00 The idea of dedicating a Festschrift to honor Professor Friedrich Manns on the happy occasion of his 70th birthday came to mind in the autumn of 2011 and work on this project had been continuing ever since Felicitedly achieving this goal the Faculty of Biblical Sciences and Archaeology Studium Biblicum Franciscanum and the Franciscan Custody of the Holy Land present this volume to Father Manns with gratitude for his profound scholarship and a lifetime service in the Holy Land Perusing through Father Manns writings it is easy to see a prominent and distinctive place

devoted to the Gospel of John It seemed therefore suitable to focus on this subject in the Festschrift honoring him the title Rediscovering John relates to Manns significant contribution towards the better understanding of the Fourth Gospel The volume comprises 21 studies authored by renowned scholars from various parts of the world from different institutions and denominations While the first half of the studies examines general issues history of interpretation textual transmission intertextuality theological themes archaeology the second half treats literary narrative and exegetical approaches to particular texts of the Fourth Gospel We augur that this rich collection will help to stimulate further discussion and reflection on the Gospel of John as well as constitute an incentive to an already distinguished scholar to continue writing challenging and thought provoking essays and books from the Foreword by the Editor
