El Secreto De Hitler:

El Secreto de Hitler Lothar Machtan, 2002-10 **Hitler's Secret Book** Lin Xun, Micky Barnetti, Aunt Jemima, Many secrets revealed about Adolf Hitler including 1 NEW HITLER DISCOVERY Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party's name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party's emblem The party's name had to fit in Hitler's socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise of Francis Bellamy The new discovery part is that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry's work 2 NEW SWASTIKA DISCOVERY Vladimir Lenin's swastika is revealed herein The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin Its influence upon Adolf Hitler is explained in this book 3 Hitler altered his own signature to reflect his S shapes for socialism logo branding 4 There is no evidence that Hitler ever used the word swastika in his life 5 The term swastika never appears in the original Mein Kampf 6 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Hitler's book Mein Kampf as a self description by Hitler 7 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 8 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 9 The term Nazi isn't in Mein Kampf nor in Triumph of the Will 10 The term Fascist never appears in Mein Kampf as a self description by Hitler 11 Soviet socialists and German socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 12 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler's Holocaust never ended Stalin replaced Hitler 13 Nazi salutes and Nazi behavior originated in the USA from the Pledge of Allegiance to the Flag The pledge was written by an American National Socialist named Francis Bellamy Francis Bellamy was the cousin of Edward Bellamy another infamous American National Socialist They worked together to promote their dogma in the USA 14 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 15 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 16 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 17 Fascism came

from a socialist e g Mussolini Communism came from a socialist e g Marx Fascism and Communism came from socialists Hitler s political philosophy continues to be admired by modern politicians Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly adopt and repeat the same ideas even if they are too dishonest to admit that they are socialists Every election witnesses Americans struggling to bring Germany s past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24 39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions The Deutschland s two top germs continue to spread globally China drooled over Marx the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx s birth 2018 China is humiliated by the same old German who influenced Hitler Of course China has the largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China s lethal attraction to Marx and Hitler was huge compared to the USA s That is why the books of Marx and Hitler were once considered too dangerous for the general public But Mein Kampf was a bestseller as recently as 2017 Its popularity grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the internet Germany s two top white male racist political philosophers stay in vogue despite their stale policies Ideas from the Deutschland duo are adored and repeated often on social media and by the mainstream media MSM in the USA Hitler Stalin Mao Mussolini and other tyrants were influenced by propaganda in the USA including the childish American socialists Francis Bellamy and Edward Bellamy Both Bellamy cousins wanted government to take over all schools to teach socialism to all youngsters worldwide Francis Bellamy was the author of the Pledge of Allegiance to the flag the source of the infamous stiff armed salute adopted later under German socialism and Adolf Hitler Long before the Deutschland fad began American schoolchildren were taught to chant in unison and perform the same salute each day in government schools that imposed segregation by law and taught racism as official policy Anyone who rejected the ritual in the schools was persecuted America s Nazi salute was often performed by public officials in the USA from 1892 through 1942 What happened to old photographs and films of the American Nazi salute performed by federal state county and local officials Those photos and films are rare because people don t want to know the truth about the government s past TV newspapers and other MSM will not show a historic photo or video of the early American straight arm salute nor mention its history and impact worldwide **Hitler's Foreign Policy 1933-1939**

Gerhard L. Weinberg, 2010-03-01 Hitler s path to war consisted of two different stages that paralleled the internal development of Germany From 1933 to the end of 1936 he created a diplomatic revolution in Europe From a barely accepted equal Germany became the dominant power on the continent With the remilitarization of the Rhineland the stalemate in the Spanish Civil War the forming of the Axis and the signing of the Anti Comintern Pact the first phase was completed In the

second phase the diplomatic initiative in the world belonged to Germany and its partners Germany's march toward war therefore became the central issue in world diplomacy *Hitler's Suppressed and Still-Secret Weapons, Science and Technology* Henry Stevens, 2007-08 What spooked the Allies in the closing months of the war Why they were in such a panic to win quickly Because they knew the Nazis were developing supermetals electric guns lasers and ray weapons Here are official previously suppressed reports of cold bombs the red mercury bomb oxygen bombs fuel air bombs atomic bombs and rumors of the mysterious molecular bomb The SS black alchemists delivered large mystery rockets with technology far beyond the V 2 They also invented the computer magnetic tape and computer programs refined crude oil using sound waves or produced gasoline for 11 cents per gallon as well as the synthetic penicillin substitute 3065 Includes German experiments in time sustained fusion reactions zero point energy and travel in deep space *The Secret Life of Adolf Hitler* Eldorous Lyons Dayton, 1960 *Hitler's Women* Guido Knopp, 2003 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company *1939 - the War that Had Many Fathers* Gerd Schultze-Rhonhof, 2011 **Hitler's Secret Weapon** Alexander G. Hardy, 1968 *Hitler's Japanese Confidant* Carl Boyd, 1993 In 1940 the US Army Signal Intelligence Service broke the Japanese diplomatic code In 1975 Oshima Hiroshi Japan's ambassador to Berlin during World War II died never knowing that the hundreds of messages he transmitted to Tokyo had been fully decoded by the Americans and whisked off to Washington providing a major source of information for the Allies on Nazi activities *The Soviet Colossus* Michael G. Kort, 2019-04-17 The Soviet Colossus revisits the turning points in Russia's modern history from the fall of the tsarist regime to the establishment of the Bolshevik dictatorship and Stalinist totalitarianism the reforms and counter reforms of Khrushchev and Brezhnev to the reform program of Mikhail Gorbachev and the resultant collapse of the Soviet Union and from the effort to build a democratic and free market Russia under Boris Yeltsin to the political authoritarianism and the establishment of a state capitalist economy under Vladimir Putin This eighth edition has been revised and updated to cover the latest developments from the Putin administration These revisions include added emphasis on the increasing authoritarian nature of Russia's political system the serious challenges posed by the country's unsolved economic and social problems and the growing tensions between Russia on the one hand and the United States and the European Union on the other as a result of Moscow's aggression against Ukraine Kort combines this updated account with a broad exploration of Russia's political history examining how the Soviet past has been woven into the fabric of the modern Russian state a state which plays such a major assertive role in global affairs but which simultaneously remains an allusive secretive entity With Russia's increasing influence on the global stage and the controversies that often accompany this *The Soviet Colossus* is an invaluable resource for students of history politics and international relations **Stalin's Secret War** Robert W. Battalions Edward B. Westermann, 2005 When the German Wehrmacht swarmed across Eastern Europe an elite corps followed close at its heels Along with the SS and Gestapo the Ordnungspolizei or Uniformed Police played a central role in Nazi genocide that until now has been generally neglected by historians of the war Beginning with the invasion of Poland the Uniformed Police were charged with following the army to curb resistance pacify the countryside patrol Jewish ghettos and generally maintain order in the conquered territories Edward Westermann examines how this force emerged as a primary instrument of annihilation responsible for the murder of hundreds of thousands of the Third Reich's political and racial enemies In *Hitler's Police Battalions* he reveals how the institutional mindset of these ordinary policemen allowed them to commit atrocities without a second thought To uncover the story of how the German national police were fashioned into a corps of political soldiers Westermann reveals initiatives pursued before the war by Heinrich Himmler and Kurt Dalwege to create a culture within the existing police forces that fostered anti-Semitism and anti Communism as institutional norms Challenging prevailing interpretations of German culture Westermann draws on extensive archival research including the testimony of former policemen to illuminate this transformation and the callous organizational culture that emerged Purged of dissidents indoctrinated to idolize Hitler and trained in military combat these police battalions often numbering several hundred men repeatedly conducted actions against Jews Slavs gypsies asocials and other groups on their own initiative even when they had the choice not to In addition to documenting these atrocities Westermann examines cooperation between the Ordnungspolizei and the SS and Gestapo and the close relationship between police and Wehrmacht in the conduct of the anti partisan campaign of annihilation Throughout Westermann stresses the importance of ideological indoctrination and organizational initiatives within specific groups It was the organizational culture of the Uniformed Police he maintains and not German culture in general that led these men to commit genocide *Hitler's Police Battalions* provides the most complete and comprehensive study to date of this neglected branch of Himmler's SS and Police empire and adds a new dimension to our understanding of the Holocaust and the war on the Eastern front *Hitler Strikes Poland* Alexander B. Rossino, 2003

Usually given short shrift in most histories of World War II Hitler's invasion of Poland was more than a series of opening salvos it was a testing ground for German brutalities to come This is a comprehensive study of the campaign including insights into its ideological underpinnings **The Rise of the Fourth Reich** Jim Marrs, 2008-06-24 The New York Times bestselling conspiracy theorist offers startling new evidence that the Nazis have been secretly planning a return to power in the United States *The Lost Life of Eva Braun* Angela Lambert, 2014-09-02 Eva Braun is one of history's most famous nonentities She has been dismissed as a racist feathered headed shop girl yet sixty two years after her death her name is still instantly recognizable She left her convent school at the age of seventeen and met Hitler a few months later She became his mistress before she was twenty How did unsophisticated little Fraulein Braun twenty three years his junior hold the most powerful man in Europe in an exclusive sexual relationship that lasted from 1932 until their joint suicide Were they really

lovers and what were the background influences and psychological tensions of the middle class Catholic girl from Munich who shared his intimate life How can her ordinariness and apparent decency be reconciled with an unshakeable loyalty to the monster she loved She left almost no personal material or documents but her private diary and photograph albums show that her life with Hitler far from being a luxurious sinecure caused her emotional torture His chauffeur called her the unhappiest woman in Germany The Führer humiliated her in public while the top Nazis wives living in his privileged enclave on a Bavarian mountainside despised her Yet Albert Speer said She has been much maligned She was very shy modest A man's woman gay gentle and kind incredibly undemanding a restful sort of girl And her love for Hitler as she proved in the end was beyond question Eva loved the Führer not for his power nor because thanks to him she lived in luxury His material gifts were nothing compared with the one thing she really wanted his child She remained invisible and unknown a nonperson They were never seen in public together and she never saw him alone except in the bedroom yet their long relationship was a sort of marriage Angela Lambert reveals a woman the world never knew until the last twenty four hours of her life In the small hours of April 29 1945 as Allied troops raced to capture Berlin and the bunker below the Reichskanzlei where the defeated Nazi leaders were hiding Eva Braun finally achieved her life's ambition by becoming Hitler's wife Next day they both swallowed cyanide and died instantly She was young healthy and thirty three years old Based on detailed new research this is an authoritative biography only the second life of Eva written in English

Unlikely Warrior Lee Mandel, 2014-12-05 A brilliant student orator and debater Rabbi Roland Gittelsohn was an outspoken social activist and frequent lecturer on political topics during the 1930s Despite his passionate support of pacifism Gittelsohn voluntarily joined the navy when the United States entered World War II becoming the first Jewish chaplain assigned to the United States Marine Corps Gittelsohn's remarkable story told here from his surviving notes chronicles the evolution of his crisis of conscience and gives an insider's view into the Battle of Iwo Jima Author Lee Mandel's research provides an unprecedented look at how the US Navy took clergymen of all religions and molded them into a highly effective support force for America's fighting forces Mandel traces the Gittelsohn family from their emigration from Russia through Roland's ordination and his excursions into the political and Zionist movements that shaped the 1930s Delving into Gittelsohn's pivotal decision to join the armed forces as a chaplain and his experiences in battle Mandel details the behind the scenes anti-Semitic power struggles that almost prevented what was to become one of the most famous oratories in military history At the dedication of the Fifth Marine Division Cemetery Gittelsohn delivered a eulogy known as The Purest Democracy and often referred to as the Gettysburg Address of WWII In this dramatic narrative Mandel draws from many historical sources including Gittelsohn's 1988 autobiography extensive personal papers and the rabbi's unpublished war memoir including his analysis of why pacifism failed to present a complete picture of this unusual man

The White Crow Frank Durham, 2011-06-29 April 22 1945 Hitler sits in his bunker deep beneath the doomed city of Berlin He knows death is near He has soared to glory since he was

that strange eccentric corporal the White Crow of the First World War trenches Soon he and his Third Reich will be nothing but dust and ashes But the fallen Fuhrer is nursing a great secret He has ensured the Blood of the Fuhrer will live on One day the terror of jack boots will once again ring down the streets of Europe All it will need to spark the birth of the Fourth Reich will be to find a man with the same vivid blue eyes as the Fuhrer eyes that alone can open a magical metal box

September 5 2000 A man with vividly blue eyes is unwittingly on his way to a rendezvous with the Fuhrer s box **Hitler's Commanders** Samuel W. Mitcham, Gene Mueller, 2014-01-22 As absolute as Hitler s control over the German war machine was it depended on the ability judgment and unquestioning loyalty of the senior officers charged with putting his ideas however difficult into effect Top military historian James Lucas examines the stories of fourteen of these men all of different rank from varied backgrounds and highly awarded they exemplify German military prowess at its most dangerous Among his subjects are Eduard Dietl the commander of German forces in Norway and Eastern Europe Werner Kampf one of the most successful Panzer commanders of the war and Kurt Meyer commander of the Hitler Youth Division and one of Germany s youngest general officers The author one of the leading experts on all aspects of German military conduct of the Second World War offers the reader a rare look into the nature of the German Army a curious mix of individual strength petty officialdom and pragmatic action *Hitler's Miracle Weapons: the Secret History of the Rockets and Flying Crafts of the Third Reich* Friedrich Georg, 2003 Following on from the success of volume 1 Friedrich Georg s second book in the series covers unconventional short and medium range weapons In particular this volume includes a wealth of information about the V rocket programme not just the more familiar V 1 and V 2 but special variants of these two rockets as well as later experimental craft and weaponry Following a fascinating examination of pre war efforts to build flying bombs the author examines the V 1 and V 2 projects in great detail Particular attention is paid to special variants that have previously received little coverage These include the V 2 A 4 America Rocket and V 2s designed to carry nuclear and radiological warheads The capability of the Germans to deploy such weapons is also discussed A large number of weird and wonderful projects that never left the drawing board are examined including the FR 35 V 6 V 101 Waterfall and Naval EMW A 7 rockets The fascinating final section examines German plans to utilise such rocketry against London and Paris in 1945 as well as recounting the activities of V weapons on other fronts including Italy Yugoslavia and the Eastern Front The text is supported by b w photographs and 16 superb pages of colour artwork including profiles computer generated images of designs that never flew and pictures of the author s own models Hitler's American Friends Bradley W. Hart, 2018-10-02 A book examining the strange terrain of Nazi sympathizers nonintervention campaigners and other voices in America who advocated on behalf of Nazi Germany in the years before World War II Americans who remember World War II reminisce about how it brought the country together The less popular truth behind this warm nostalgia until the attack on Pearl Harbor America was deeply dangerously divided Bradley W Hart s *Hitler s American Friends* exposes the homegrown antagonists who sought to

protect and promote Hitler leave Europeans and especially European Jews to fend for themselves and elevate the Nazi regime Some of these friends were Americans of German heritage who joined the Bund whose leadership dreamed of installing a stateside Führer Some were as bizarre and hair raising as the Silver Shirt Legion run by an eccentric who claimed that Hitler fulfilled a religious prophecy Some were Midwestern Catholics like Father Charles Coughlin an early right wing radio star who broadcast anti Semitic tirades They were even members of Congress who used their franking privilege sending mail at cost to American taxpayers to distribute German propaganda And celebrity pilot Charles Lindbergh ended up speaking for them all at the America First Committee We try to tell ourselves it couldn't happen here but Americans are not immune to the lure of fascism Hitler's American Friends is a powerful look at how the forces of evil manipulate ordinary people how we stepped back from the ledge and the disturbing ease with which we could return to it
