## **Elder Care And The Work Force Blueprint For Action:**

Elder Care and the Work Force Andrew E. Scharlach, Beverly F. Lowe, Edward L. Schneider, 1991      Elder Care and the Work Force Andrew E. Scharlach, Beverly F. Lowe, Edward L. Schneider, 1991      The Eldercare Handbook Stella Henry, Ann Convery, 2006-05-09 In this comprehensive and accessible guide long term care expert Stella Henry helps readers navigate the daunting logistics and powerful emotions of making care decisions for an elderly parent or loved one Drawing from her 36 years as a registered nurse and a nursing home administrator as well as her experience caring for both her parents both of whom suffered the ravages of Alzheimer s disease Henry tackles all the tough issues spotting the warning signs of dementia redefining sibling roles doing a walk through at an assisted living facility or nursing home making the move and coping with take me home demands She also explains the medical legal and insurance maze In a time when almost 10 million Americans currently need long term care The Eldercare Handbook is an essential read      *Handbook on Women Workers* United States. Women's Bureau, 1993      **1993 Handbook on Women Workers** , 1994      *Balancing Work and Caregiving for Children, Adults, and Elders* Margaret B. Neal, 1993-02 Exploring how caregivers juggle their responsibilities of work and family the authors of this volume suggest that dependant care needs to be addressed as a corporate family and community concern Drawing from literature as well as from their own extensive research they present a thorough investigation of the stress factors experienced by workers caught between the frequently conflicting demands of these two roles Policies benefits and services reviewed range from approaches that intervene in the caregiving process to those that change the world of work with such alternatives as flexible working hours child care facilities and tax credits for dependant care      **Women Workers** DIANE Publishing Company, 1997-03 Offers a comprehensive view of the labor force activity of women occupations of WW women s earnings minority WW women business owners changing family structures shifting patterns in education the changing face of industry the aging population occupational safety legal rights of WW projections of interest to WW more      Families and Work Karen I. Fredriksen-Goldsen, Andrew E. Scharlach, 2001 This book is intended for for use in upper level undergraduate and graduate courses in social work with the family social work with the elderly and social work with children      *Feminist Perspectives on Family Care* Nancy R. Hooyman, Judith Gonyea, 1995-08-29 Today women find themselves playing an ever increasing role in caring for older family members who are frail developmentally disabled or suffering from serious mental illness While this has role of women as caregivers has been documented the actual impact on the lives of women has remained largely unstudied In this volume the authors examine caregiving as a central feminist issue looking at its impact on women socially personally and economically The authors review how changing family structures the changing economy and workforce and the changing health care demands of needy adults have impacted on women s lives They critique existing public and private policies demonstrating a need for fundamental structural changes in social institutions and attitudes to improve the lives of women Finally they propose a social model of care that is oriented toward

gender justice recognition of the work of caring and its impact upon women socially personally and economically For students scholars and practitioners in the field of gerontology gender studies and social work this book is a must Working Couples Caring for Children and Aging Parents Margaret B. Neal, Leslie B. Hammer, 2017-09-25 As the baby boomer generation approaches midlife many dual earner couples are struggling with issues of simultaneously caring for children while tending to aging parents This timely book uncovers the circumstances faced by these workers known as the sandwiched generation and identifies what they need in order to fulfill their work and family responsibilities Authors Margaret B Neal and Leslie B Hammer suggest the workplace as an arena for change proposing that it adapt to the situations of today s workers by providing flexibility and understanding the needs and priorities of families Based on a four year national study funded by the Alfred P Sloan Foundation Working Couples Caring for Children and Aging Parents examines employer and governmental initiatives affecting work and family life in the United States supports provided to working caregivers in countries other than the United States the effects of being sandwiched on work family fit well being and work and changes in work and family roles and outcomes over time This book will interest a broad audience including students policymakers family care practitioners IO psychologists work life professionals gerontologists sociologists human resource managers and occupational health psychologists **National Library of Medicine Current Catalog** National Library of Medicine (U.S.), 1991 **Health and Health Care Utilization in Later Life** Jon Hendricks, 2019-04-04 The debate over national health insurance has renewed attention on the health and health care utilization of the elderly Few questions have been more poignant than the health of the United States elderly As a broad ranging critical look Health and Health Care Utilization in Later Life brings the central questions facing the elderly into bold relief It spans the range of health concerns the elderly face daily The debates over health care rage often without having the relevant facts Health and Health Care Utilization in Later Life brings the facts to the fore but just as importantly it brings a sensitive feeling for the realities of health as a driving force in the daily lives of old people Work in America Carl E. Van Horn, Herbert A.
