Church of Scotland John Gordon Lorimer, 1842 *Gospel Eldership* Robert H. Thune, 2016-03-16 Biblical church leadership requires more than good management principles or theological knowledge it calls for deep personal roots in the gospel Gospel Eldership is a ten lesson workbook to help pastors develop elders who are strong in the gospel and able to apply it to the real time needs of the church **The Encyclopedia of the Stone-Campbell Movement** Douglas A.

Calling as an Elder Gary Straub, 2003-10-01 New elders and veteran leaders alike will find wisdom biblical guidance and useful suggestions in Gary Straub s examination of the crucial role of elders in Christian Church Disciples of Christ congregations This simple and easy to read overview of Disciples eldership examines the nature of the office and describes its responsibilities and challenges It emphasizes the importance of spirituality in the lives of elders Straub beckons elders to embark on their leadership adventure together fortifying their leadership through prayer learning discussion mutual accountability and other paths to spiritual growth and encouragement Their faithful eldership is a beacon for faithful congregations as elders prayers become spiritual channels through which graces unfold in congregational life That exciting prospect lies at the heart of eldership and of Straub s inspiring insights [Elders in Congregational Life \(Newton\)](#) Phil A.

[Eldership in the Church of Christ](#) Charles Crawford, 1948 **Lessons on the Eldership, Vol. 01** Witness Lee, 2023-01-09

This two volume publication Lessons on the Eldership is composed of outlines and excerpts compiled from the ministry of Witness Lee and Watchman Nee They are intended to be used by mature workers for the training of the elders and responsible brothers among the churches in the hope that these brothers will be perfected to labor fruitfully in the carrying out of God s economy for the fulfillment of His purpose through the churches **The Eldership and the God-Ordained Way** Witness Lee,1985-12 Eldership at the Lord's Table Lara Blackwood Pickrel,2009-07-01 Eldership at the Lord s Table was written to meet the needs of Christian Church Disciples of Christ elders in the 21st century Elders in particular congregations may minister in a variety of ways but the one common ministry setting for elders throughout the denomination is weekly ministry at the Lord s Table This resource is designed to give elders the instruction and assistance they need for their Table Ministry without expecting them to read a lengthy volume on history and theology It provides the reader with a concise history of Table eldership with the Christian Church Disciples of Christ a brief treatment of common Disciples theology of the Lord s Supper helpful hints on how to craft meaningful and brief communion prayers for both bread and cup examples of communion prayers and annotated lists of resources that can be consulted by elders if they would like to study further or seek assistance in other areas **Shelby County, Memphis** Tennessee Historical Records Survey,1940 **The Writings of Robert Harrison and Robert Browne** Albert Peel,Leland Carlson,2004-06-01 Robert Harrison and Robert Browne were the initiators of the principles of English Separatism and Congregationalism Unlike the Presbytero Puritans these nonconformists sought to establish local churches that were independent of the state Although they encountered fierce opposition from the clergy state officials and Anglican bishops they persisted in their practices As a result the ideas of these two men profoundly influenced the Puritan movement both of England and America In this volume scarce and little known works as well as new material derived from manuscripts and tracts are collected into one volume Satan's Strategy to Curse Christ's Congregation Keith A. Sherlin,2010-09 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a

clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem
