Expectations Sally Banes,1998 The rise of performance art as chronicled by renowned critic Sally Banes Her approach to the complex matrix of art community and culture draws on histories and theories of painting photography dance theater and folklore Her vivid descriptions and provocative interpretations fill a gap in the history of contemporary performance where the avant garde met the mainstream Performance Artists Talking in the Eighties Linda M. Montano,2023-09-01

Performance artist Linda Montano curious about the influence childhood experience has on adult work invited other performance artists to consider how early events associated with sex food money fame or death ritual resurfaced in their later work The result is an original and compelling talking performance that documents the production of art in an important and often misunderstood community Among the more than 100 artists Montano interviewed from 1979 to 1989 were John Cage Suzanne Lacy Faith Ringgold Dick Higgins Annie Sprinkle Allan Kaprow Meredith Monk Eric Bogosian Adrian Piper Karen Finley and Kim Jones Her discussions with them focused on the relationship between art and life history and memory the individual and society and the potential for individual and social change The interviews highlight complex issues in performance art including the role of identity in performer audience relationships and art as an exploration of everyday conventions rather than a demonstration of virtuosity Performance artist Linda Montano curious about the influence childhood experience has on adult work invited other performance artists to consider how early events associated with sex food money fame or death ritual resurfaced in their later work The

Performing the Body/Performing the Text Amelia

Jones,Andrew Stephenson Nfa,Andrew Stephenson,2005-08-12 This book explores the new performativity in art theory and practice examining ways of rethinking interpretive processes in visual culture Since the 1960s visual art practices from body art to minimalism have taken contemporary art outside the museum and gallery by embracing theatricality and performance and exploding the boundaries set by traditional art criticism The contributors argue that interpretation needs to be recognised as much more dynamic and contingent Offering its own performance script and embracing both canonical fine artists such as Manet De Kooning and Jasper Johns and performance artists such as Vito Acconci and Gunter Brus this book offers radical re readings of art works and points confidently towards new models for understanding art

Carr,2012-04-09 Through her engaged and articulate essays in the Village Voice C Carr has emerged as the cultural historian of the New York underground and the foremost critic of performance art On Edge brings together her writings to offer a detailed and insightful history of this vibrant brand of theatre from the late 70s to today It represents both Carr s analysis as a critic and her testament as a witness to performances which by their very nature can never be repeated Carr has organized this collection both chronologically and thematically ranging from the emphasis on bodily manipulation endurance in the 70s to the underground club scene in New York to an insider s analysis of the Tompkins Square Riot as a manifestation of the cultural and social conflicts that underlie much of performance art She examines the transgressive and taboo shattering work of Ethyl Eichelberger Karen Finley and Holly Hughes documents specific performances by Annie Sprinkle and Lydia Lunch and maps the development of such artists as Robbie McCauley Blue Man Group and John Jesurun She also describes the cross over phenomenon of the mid 80s and considers the far right backlash against this mainstreaming as cultural reactionaries sought to curb the influence of these new artists

Red Eye

of Love Arnold Weinstein,1997 The tale of a bizarre yet familiar triangle involving a moneyed butcher who writes poetry a poor but idealistic inventor who is interested in security and securities and a girl forced to decide between love and money the play is easily recognized as a good humored allegory on the last several decades of American life presented in the rollicking style of music hall comedy

Attack of the Difficult Poems Charles Bernstein,2011-04-15

Charles Bernstein is our postmodern jester of American poesy equal part surveyor of democratic vistas and scholar of avant garde sensibilities In a career spanning thirty five years and forty books he has challenged and provoked us with writing that is decidedly unafraid of the tensions between ordinary and poetic language and between everyday life and its adversaries Attack of the Difficult Poems his latest collection of essays gathers some of his most memorably irreverent work while addressing seriously and comprehensively the state of contemporary humanities the teaching of unconventional forms fresh approaches to translation the history of language media and the connections between poetry and visual art Applying an array of essayistic styles Attack of the Difficult Poems ardently engages with the promise of its title Bernstein introduces his key theme of the difficulty of poems and defends often in comedic ways not just difficult poetry but poetry itself Bernstein never loses his ingenious ability to argue or his consummate attention to detail Along the way he offers a wide ranging critique of literature s place in the academy taking on the vexed role of innovation and approaching it from the perspective of both teacher and practitioner From blues artists to Tin Pan Alley song lyricists to Second Wave modernist poets The Attack of the Difficult Poems sounds both a battle cry and a lament for the task of the language maker and the fate of invention

The Art of Confession

Christopher Grobe,2017-11-07 The story of a new style of art and a new way of life in postwar America confessionalism What do midcentury confessional poets have in common with today s reality TV stars They share an inexplicable urge to make their lives an open book and also a sense that this book can never be finished Christopher Grobe argues that in postwar America artists like these forged a new way of being in the world Identity became a kind of work always ongoing never complete to be performed on the public stage The Art of Confession tells the history of this cultural shift and of the movement it created in American art confessionalism Like realism or romanticism confessionalism began in one art form but soon pervaded them all poetry and comedy in the 1950s and 60s performance art in the 70s theater in the 80s television in the 90s and online video and social media in the 2000s Everywhere confessionalism went it stood against autobiography the art of the closed book Instead of just publishing these artists performed with around and against the text of their lives A blend of cultural history literary criticism and performance theory The Art of Confession explores iconic works of art and draws surprising

connections among artists who may seem far apart but who were influenced directly by one another Studying extraordinary art alongside ordinary experiences of self betrayal and revelation Christopher Grobe argues that a tradition of confessional performance unites poets with comedians performance artists with social media users reality TV stars with actors and all of them with us There is art this book shows in our most artless acts A Directory of American Poets and Fiction Writers
Poets & Writers, Incorporated,2001 This reference includes the names contact information and publication credits of over 7 400 contemporary American poets fiction writers and performance writers The main listings are organized by state and country and include such information as the writers willingness to travel and read and languages of fluency A separate index lists writers by categories of self identification such as race political interest home gender and employment The 2000 2001 edition includes more than 500 new listings and an index of literary agents Annotation c Book News Inc Portland OR
