Election And Predestination Keys To A Clearer Understanding:

Election and Predestination Samuel Fisk,2002-04-09 You are not about to read the views of one author alone In this powerful book Samuel Fisk quotes over 100 scholars He presents in one volume a vast array of balanced and scholarly views to help you unravel the vexed questions of election and predestination It is often assumed that one must be either a Calvinist or an Armenian This is not so There is a balanced scriptural line of truth regarding election that will preserve the Bible student from dangerous by path meadows into which far too many have strayed over the years As you read the wise and careful comments of such scholars as W E Vine Sir Robert Anderson C H Spurgeon F B Meyer Handley Moule Harry Ironside R A Torrey G Campbell Morgan Wilber M Smith J C Ryle A T Robinson Christopher Wordsworth and J Sidlow Baxter you will begin to see your way through this particularly tricky theological minefield This could be one of the most important books you will ever read Grace for All Clark H. Pinnock,John D. Wagner,2015-03-31 Did Christ atone for the sins of humanity on

the cross Does God desire all people to be saved and direct his grace toward all people for that purpose There are some Christians following a deterministic paradigm who believe this is not true They believe God has predestined some people for heaven and many or even most for hell The rising tide of Calvinism and its TULIP theology needs to be respectfully answered Grace for All The Arminian Dynamics of Salvation features a distinguished international panel of scholars to examine this controversy These writers address issues such as election free will grace and assurance They make compelling scriptural arguments for the universality of God s grace contending that Christ atoned for the sins of all people and that God sincerely offers forgiveness for all through Christ This book strives to uncover the biblical position on salvation We hope the reader will enjoy this stimulating series of articles on the Arminian perspective and that it will spur further writing and discussion Grace for All The Arminian Dynamics of Salvation is an updated and revised version of Grace Unlimited a 1975 collection of scholarly articles assembled by the late Clark H Pinnock of McMaster Divinity College **The Historical Problem with**

Creeds Kenneth G. Arndt,2018-05-22 This short book deals with the debate among Christians about the timing of the Second Coming of Jesus Christ There are several viewpoints on this topic each with its defenders Is Christ coming again in the future and in what sequence of events will that happen Or did the Second Coming of Christ happen in the past as some scriptures seem to say when it describes the time as quickly The creeds have not really dealt with this issue in any definitive statement other than to say he is coming again All Christians believe that there will be a final coming in judgment to sum up human history The authority for Christians on this issue is the Bible the Word of God The two viewpoints dealt with in this book are preterist in the past and futurist in the future While not an extended support of either position although the author is a preterist by conviction this book speaks out against the futurist writers identifying a preterist as a heretic Often relying on the creeds there is a lack of historical scholarship on just how the creeds were constructed In the view of the author a preterist even if mistaken does not hold to a belief or reading of the scripture that rises to the level of heresy The attacks

against preterists are unwarranted unkind and unworthy of Christian scholarship **To the Jew First** A. Chadwick Thornhill,2013-07-31 Paul s doctrine of election has remained a controversial and enigmatic topic for centuries Few studies however have approached Paul s doctrine through the context of Second Temple Judaism This study examines Paul s view of election through the lens of Second Temple Jewish texts written prior to 70 CE In doing so it is argued that the best framework through which to view Paul s discussion of election is through a primarily corporate model of election While such a model is rooted in Judaism Paul departs from his Jewish contemporaries in arguing that the locus of election is in God s Messiah Jesus *hand in Hand* Randy Alcorn,2014-10-14 A careful guide through Scripture *hand in Hand* shows us why God s sovereignty and meaningful human choice work together in a beautiful way If God is sovereign how can I be free to choose But if God is not sovereign how can he be God Is it possible to reconcile God s sovereignty with human choice This is one of the most perplexing theological questions It s also one of the most personal In *hand in Hand* Randy Alcorn says that the traditional approach to this debate has often diminished our trust in God and his purposes Instead of making a one sided argument from select verses Alcorn examines the question in light of all Scripture By exploring what the whole Bible says about divine sovereignty and human choice *hand in Hand* helps us Carefully and honestly examine the different views on this issue Gain a deeper understanding of God Appreciate God s design in providing us the freedom of meaningful choice See the value in better understanding what we cannot fully understand Learn how to communicate about the issue in clear and compassionate ways More fully experience the unity Christ intends for his Church Includes small group discussion questions

Satan's Big Lie Jos Salins,2013-02-26 For nearly five hundred years the Doctrine of Predestination as propounded by John Calvin has held sway over the western Christian church and its theology Many of the major protestant denominations are predominantly Calvinistic Is the Doctrine of Predestination Scriptural Do the Five Points of Calvinism have sound Scriptural support Author Jos Salins carefully examines the Five Points of Calvinism and exposes the errors in these doctrines and the fact that none of them are supported by Scripture as assumed by Calvinists He brings a new understanding of Romans chapter 9 the chapter which was fundamental to the formulation of the Doctrine of Predestination by John Calvin and before him his mentor St Augustine of Hippo This book is compelling thoroughly Scriptural and scholarly yet written in a style that is readable and understandable by anyone and does not necessarily require of the reader a theological background as a prerequisite Its content will have a tremendous impact on the Calvinistic world and on Calvinism as a whole and will shake it to its very foundations with far reaching implications This is a must read for every thinking Christian **Heinrich**

Bullinger Donald K. McKim,Jim West,2022-02-03 Heinrich Bullinger 1504-75 was an important and influential sixteenth century Protestant Reformer Sadly today many are unaware of his significance This book serves as a gateway into understanding Bullinger s life and theology introducing them in a fresh and accessible way for non specialists After outlining Bullinger s life story the main theological themes in Bullinger s thought are explored through chapters on Holy Scripture God

Descartes and His School Kuno Fischer, 1890 **History of Modern Philosophy** Kuno Fischer, 1887 **The New Republic** Herbert David Croly, 1916 The Weight of Preaching Rick Harrington, 2015-12-03

Does God Love All or Some? Ronnie W. Rogers, 2019-04-19 The term extensivism describes my position regarding the doctrine of salvation Specifically extensivism believes that man was created in the image of God with otherwise choice God's salvation plan involves an all inclusive unconditional offer of salvation to every person reception of which is conditioned upon grace enabled faith rather than Calvinism's exclusive plan of a limited actual offer of salvation to only the unconditionally elected Generally it replaces the term non Calvinism These are the five primary objectives of the book First my considerations would result in a deeper understanding of God Second I will

demonstrate that God salvationally loves every single person Third I intend to offer a precise and respectful critique of Calvinism s internal and biblical inconsistencies these are largely due to its commitment to compatibilism and unconditional election Fourth I will demonstrate that God s free choice to endow man with libertarian freedom is a more biblical perspective Fifth because a significant percentage of people who become Calvinists do not actually understand Calvinism I seek to present Calvinism and extensivism in language that is precisely and consistently reflective of the commitments of each perspective regarding God s sovereignty salvific love foreknowledge and man s freedom this so a person can make an informed choice about Calvinism
