Election Broadcasting In Canada:

Election Broadcasting In Canada Frederick J. Fletcher, 1991-01-01 Election Broadcasting in Canada explores the role of media in Canadian politics David R Spencer David Hogarth Catherine M Bolan and others look at the history legal framework and difficulties in election broadcasting as well as the impact of new broadcasting services **Media And Voters In Canadian Election Campaigns** Frederick J. Fletcher, 1991-01-01 Taken together the five studies provide a useful overview of the effectiveness of various forms of campaign communication in informing voters Much of the material presented here is not readily available elsewhere Interest Groups and Elections in Canada F. Leslie Seidle, 1991-01-01 The two studies in this book explore the nature and influence of special interest groups They consider different aspects of the question In the context of the Canadian Charter of Rights and Freedoms how can the laws intended to secure a fair electoral process be reconciled with freedom of expression *Canada Electoral, Political Parties Laws and Regulations Handbook Volume 1 Elections: Strategic Information, Regulations, Procedures* IBP, Inc., 2016-06-18 Canada Electoral Political Parties Laws and Regulations Handbook Strategic Information Regulations Procedures Media, Elections, And Democracy: Royal Commission on Electoral Reform Frederick J. Fletcher, 1991-01-01 Media Elections and Democracy examines campaign communication in selected industrial democracies Klaus Schoenbach Karen Siune Doris Graber and a host of authors around the world contribute critical overviews of the systems in their countries The studies deal with a wide range of issues in modern communication including the principles and practices of news and public affairs coverage and the impact of new technologies **Elections in Canada** Tamara Small, Royce Koop, 2025-05-06 Elections serve as a reflection not only of voter choices but also of the historical and legal context of a country s governance Emphasizing the significant influence of the electoral process Elections in Canada examines the intricate relationships between voter preferences historical and legal frameworks campaign dynamics political figures and media platforms Organized into five comprehensive sections the book provides a detailed exploration of Canadian electoral processes Beginning with a broad examination of election administration it situates the analysis within a wider democratic and comparative context The book outlines key institutional building blocks and the unique constitutional and legislative settings that have evolved since Confederation It analyses national campaigns constituency campaigns third parties and journalists as well as the pivotal role of political communication debates and polling Reflecting on the diverse landscape of voter participation the book considers the engagement of women Indigenous peoples racialized individuals and LGBTQ2 communities It sheds light on landmark cases discussing five pivotal elections that had long standing impacts on the development of Canadian political history Ultimately Elections in Canada draws on a variety of perspectives to provide politics students and instructors with a comprehensive overview of both contemporary and historical Canadian elections **Canada before Television** Len Kuffert, 2016-11-01 Before screens could be stared at listeners lent their ears to radio and Canadian listeners were as avid as any In Canada before Television Len

Kuffert takes us back to the earliest days of broadcasting paying particular attention to how programs were imagined and made loved and hated regulated and tolerated At a time when democracy stood out as a foundational value in the West Canada's private stations and the CBC often had conflicting ideas about what should or could be broadcast While historians have documented the nationalist and culturally aspirational motives of some broadcasters the story behind the production of programs for both broad and specialized audiences has not been as effectively told By interweaving archival evidence with insights drawn from secondary literature Canada before Television offers perspectives on radio's intimate power the promise and challenge of US programming and British influences the regulation of taste on the air shifting and varied musical appetites and the difficulties of knowing what listeners wanted While this mixed system divided Canadians then and now the presence of more than one vision for the emerging medium made the early years of broadcasting in Canada more culturally democratic for listeners who stood a better chance of getting both what they already liked and what they might come to like Canada before Television offers an insightful look at the place of radio and debates about programming in the development of a cultural democracy

Comparative Issues in Party and Election Finance F. Leslie Seidle, 1991-01-01 This book is one of 23 volumes of research commissioned by the Royal Commission on Electoral Reform and Party Financing and one of five volumes within this series dealing specifically with party and election finance Because the issue of money in elections is as old as democracy the experience of other countries is instructive The studies in this volume offer Canadians information about approaches to funding political parties and elections in the United States and Western Europe The studies by Herbert Alexander and Robert Mutch examine how the United States has approached issues such as contribution limits and the disclosure of election finances The latter study provides explicit comparisons to Canada noting the constitutional role of the Supreme Court in each country Jane Jensen draws on Western European experience to propose and assess reforms for the public funding for party foundations is documented by Michael Pinto Duschinsky The studies approach their material from a historical perspective noting the uniqueness of the constitutions institutions and traditions of the countries reviewed The authors provide background essential to any consideration of whether foreign experience might serve as a model for Canada

Parties, Candidates, and Constituency Campaigns in Canadian Elections Anthony Sayers, 2011-11-01 Political scientists have traditionally examined the democratic process at the macro level With its unique micro level focus Parties Candidates and Constituency Campaigns in Canadian Elections provides the first systematic analysis of the local constituency campaigns that are the basis of elections and democracy in Canada By taking a detailed look at campaigns in seven B C ridings during the 1988 free trade election the last under the old three party system Anthony Sayers develops a typology of candidates and campaigns The dynamics of local associations nominations and campaigns including those of former prime minister Kim Campbell and New Democrat Svend Robinson as well as key strategic events and the role of the media are reconstructed from interviews with candidates campaign managers party strategists volunteers and journalists The 1993 and

1997 elections are then invoked to show that the insights drawn about the nature of constituency politics remain relevant to the new party system This important contribution to the study of Canadian elections forcefully argues that knowledge of the dynamics at the local level is essential to a full understanding of Canadian polity its underlying social basis and the factors that determine successful election campaigns As such Parties Candidates and Constituency Campaigns in Canadian Elections will intrigue not only political scientists and students of Canadian politics but also election candidates and party strategists

Aboriginal Peoples and Electoral Reform in Canada Robert A. Milen,1991-01-01 This volume features differing views of past present and possible future roles for Aboriginal people in the Canadian political and electoral system The studies address the issues facing Aboriginal people and the efforts to increase their involvement in the federal electoral system Robert Milen examines the development of Aboriginal political consciousness since the 1970s with attention to recent constitutional and electoral initiatives and aspirations Augie Fleras study considers the New Zealand system of guaranteed representation for the Maori and suggests how Canada might follow this example Valerie Alia studies how the media deal with Aboriginal issues basing her recommendations on interviews with Aboriginal people who offered her their views Roger Gibbins critiques the idea of guaranteed Aboriginal representation in the House of Commons

The Canadian Federal Election of 2019 Jon H. Pammett,Christopher Dornan,2020-12-17 The Canadian federal election of 2019 is extensively analyzed in this collaborative volume edited by Jon Pammett and Christopher Dornan Bringing together leading political scientists and media scholars the book examines the strategies successes and failures of each of Canada s major political parties with special attention given to the pressing question of climate change In Canadian elections the context of the campaign is vital Here contributors consider in detail the way public opinion polls were reported leading up to the election how traditional media portrayed events why the electorate waited to make up their minds and the means by which social media dealt with fears of a disinformation wave The book uses data to identify the important factors in determining the voting behaviour of Canadians in 2019 and the ways these factors combined to produce a minority Liberal government The Canadian Federal Election of 2019 is the essential resource for every interested political observer wanting to dissect the last election and required reading to prepare for the next one

Political Parties and Elections Anika Gauja,2016-04-22 Political Parties and Elections presents a comparative analysis of the ways in which advanced industrial democracies seek to regulate the activities of political parties in electoral contests Actual political practice suggests that parties are crucial actors in democratic elections yet the nature and extent to which parties are regulated or even recognized as participants in the electoral process varies greatly among nations Author Anika Gauja analyzes the electoral laws of five key common law democracies with similar parliamentary and representative traditions similar levels of economic and political development yet with significantly different electoral provisions the United States the United Kingdom Canada Australia and New Zealand Using the relationship between law and politics as a lens the book focuses specifically on the ways in which these

jurisdictions seek to regulate the behavior of their political parties as the product of a broader normative vision of how representative democracy ought to function In its subject matter comparative scope and interdisciplinary theoretical framework this book examines not only electoral law but also ancillary legislation such as funding regulations associations and corporations law and constitutional provisions It also analyzes the case law that guides the interpretation of this legislation Political Parties and Elections represents an innovative body of research comparing for the first time the electoral legal regimes of a significant number of common law nations

Television Advertising in Canadian Elections Kai Hildebrandt, 2006-01-01 Can the strategy of negative political advertising developed in the United States succeed in Canada or does this kind of advertising do more harm than good The year 1988 saw elections in both the United States and Canada It also saw a turning point in the tenor of television campaign advertising By the early 1990s there was a growing reliance upon negative political images and symbols This book is about that growing reliance While focusing on the use of attack ads Television Advertising in Canadian Elections provides a historical overview of the growth of negative advertising It includes a discussion of advertisers intentions and strategies an analysis of the ads played on both English language and French television and their impact and the ethics of political advertising This is the first book length investigation of negative political advertising in Canada Professional politicians as well as anyone interested in election politics journalism communication studies or advertising will find this an absorbing study

Ethno-Cultural Groups and Visible Minorities in Canadian Politics Kathy Megyery, 1996-08-08 The studies in this volume examine the nature and extent of their participation in Canadian politics in both political parties and the House of Commons While these groups feel marginalized they believe strongly in the objectives of democracy and want to participate in a Canada that realizes those ideals more successfully

Women in Canadian Politics Kathy Megyery, 1991-01-01 Women are the most under represented social group in the elected assemblies of the world Women everywhere constitute more than one half of the population and rarely are more than a handful of the political elite The studies in this volume examine women's involvement in political parties both past and present Empirical studies identify the roles Canadian women play in parties the opportunities and barriers they face and their progress toward greater representation in the political process The questions addressed in this volume include What are the major barriers to women's entry into federal politics Janine Brodie Do large numbers of women remain confined to pink collar work at the expense of executive positions Sylvia Bashevkin What is the impact of the candidate selection process on the election of women to the House of Commons Lynda Erickson How does incumbency affect the number of women elected to federal office Lisa Young What is the influence of media coverage on women in politics Gertrude Robinson and Armande Saint Jean The authors agree that the under representation of women in politics undermines the democratic credibility of our governing institutions Nonetheless they are cautiously optimistic regarding the prospects for the third generation of women entering politics

Youth in Canadian Politics Kathy Megyery, 2013-12-30 The studies in this volume

uncover a wide range of opinion about young people and their involvement in politics *Rebuilding Canadian Party Politics*
R. Kenneth Carty, William Cross, Lisa Young, 2007-11-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor *Rebuilding Canadian Party Politics* discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Québécois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kickoff rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today **The Handbook of Election News Coverage Around the World**
Jesper Strömbäck, Lynda Lee Kaid, 2009-09-10 The Handbook of Election Coverage Around the World focuses on the news coverage of national elections in democracies around the globe It brings together and compares election news coverage within a single framework offering a systematic consideration of various factors Considering the prominence and power of the press in the election process this volume will offer unique breadth in its global consideration of the topic The volume will appeal to scholars in political communication political science mass media and society and others studying elections and media coverage around the world **The Oxford Handbook of Canadian Politics** John Courtney, John Childs
Courtney, David Smith, 2010-04-29 The Oxford Handbook of Canadian Politics provides a comprehensive overview of the transformation that has occurred in Canadian politics since it achieved autonomy nearly a century ago examining the institutions and processes of Canadian government and politics at the local provincial and federal levels It analyzes all aspects of the Canadian political system the courts elections political parties Parliament the constitution fiscal and political federalism the diffusion of policies between regions and various aspects of public policy **Routledge Handbook of Political Advertising** Christina Holtz-Bacha, Marion R. Just, 2017-02-24 This Handbook provides the most comprehensive overview of the role of electoral advertising on television and new forms of advertising in countries from all parts of the world currently available Thematic chapters address advertising effects negative ads the perspective of practitioners and gender role Country chapters summarize research on issues including political and electoral systems history of ads the content of ads reception and effects of ads regulation of political advertising on television and the Internet financing political advertising and prospects for the future The Handbook confirms that candidates spend the major part of their campaign budget on television advertising The US enjoys a special situation with almost no restrictions on electoral advertising

whereas other countries have regulation for the time amount and sometimes even the content of electoral advertising or they do not allow television advertising at all The role that television advertising plays in elections is dependent on the political the electoral and the media context and can generally be regarded as a reflection of the political culture of a country The Internet is relatively unregulated and is the channel of the future for political advertising in many countries
