Election Kenneth D. Johns, 2003-10-28 Election Love Before Time is a book that talks about some of the greatest words in the Bible election foreknowledge and predestination It places them into a context of God's sovereignty and love It endeavors to treat them honestly and cogently without diluting their meaning through human rationalization These words are significant to our faith and spiritual health Man shall not live by bread alone Jesus said but by every word that proceeds from the mouth of God We will live better with these words than without them **The Doctrine of Salvation** Charles

Horne, 2021-03-15 Is anything more important than understanding eternal salvation When it comes down to it all human beings can be divided into two categories the saved and the unsaved Every person longs to find the path to eternal life Many different paths are tried But what does the Word of God have to say about it In The Doctrine of Salvation Charles Horne explains the basics of this important biblical doctrine Why is there a need for salvation What is its basis What are its results How can you be assured of it And how does salvation culminate in eternal life Using clear and precise language Dr Horne lays out the biblical evidence The doctrine of salvation is central to the message of Scripture he writes From Genesis 3 to Revelation 22 we witness the unfolding drama of redemption May this book open your eyes to the greatest story ever told

The Complete Works of John Bunyan John Bunyan,1872

The Mystery of Predestination John Salza,2010-04-09 How can an all loving God choose some people for eternal salvation while permitting others to fall away Doesn t God offer the same amount of saving grace to everyone Isn t predestination a Protestant doctrine In The Mystery of Predestination author and apologist John Salza seeks to answer these questions and others about that most ineffable and confounding of Christian beliefs that God chooses to infallibly direct certain people to salvation but not others Drawing deeply upon Scripture Sacred Tradition and the writings of St Thomas Aquinas Salza says that a proper Catholic understanding of the doctrine of predestination is interconnected with two other central mysteries the ability of mankind to choose freely to accept or reject God s saving grace and the inability of mankind to accept God s grace without first being moved by His grace from within By holding these truths always before us we can see how God may predestine His elect to heaven but never desire that anyone go to hell We can also achieve a new clarity and depth of insight into a profound Christian truth God is the primary mover in salvation It is He who chooses seeks and saves us Meticulously researched and written in a scholarly yet accessible style The Mystery of Predestination is perfect

for the serious Catholic who is confused by Bible verses or Magisterial statements in favor of predestination and never hears about it in Sunday sermons or who wants to defend Catholic truth against Calvinist error and is seeking clear traditional and Thomistic answers Or indeed for any thoughtful Christian who wants to come to terms with what the Bible teaches about the fundamental truths of our salvation *Experimental, doctrinal, and practical* John Bunyan, 1859
