Election Polls News Media Democracy:

Election Polls, the News Media, and Democracy Paul J. Lavrakas, Michael W. Traugott, 2000 This is an introduction to modern polling Focusing primarily on the 1996 US presidential election campaign scholars and media pollsters address such topics as political campaigns elections voting behaviour and public opinion as well as the news media's role in elections and democracy

Opinion Polls and the Media C. Holtz-Bacha, J. Strömbäck, 2012-04-05 Opinion Polls and the Media provides the most comprehensive analysis to date on the relationship between the media opinion polls and public opinion Looking at the extent to which the media through their use of opinion polls both reflect and shape public opinion it brings together a team of leading scholars and analyzes theoretical and methodological approaches to the media and their use of opinion polls The contributors explore how the media use opinion polls in a range of countries across the world and analyze the effects and uses of opinion polls by the public as well as political actors

Presidential Polls And The News Media Paul J. Lavrakas, Michael Traugott, Peter V Miller, 2019-06-26 Most news media are data rich but analysis poor when it comes to election polling Since election polls clearly have the power to influence campaigns and election post mortems it is important that spin not take precedence over significance in the reporting of poll results In this volume experts in the media and in academe challenge the conventional approaches that most news media take in their poll based campaign coverage The book reports new research findings on news coverage of recent presidential elections and provides a myriad of examples of how journalists and news media executives can improve their analysis of poll data thereby better serving our political processes

The Voter's Guide to Election Polls Michael W. Traugott, Paul J. Lavrakas, 2023-11-20 Everything you need to know about election polls can be found in this compact conversational and current volume When it comes to tapping the public's opinion on candidates and issues at the ballot box the stakes are high Acclaimed scholars Michael W Traugott and Paul J Lavrakas who also have regularly conducted polls not just studied them cover the latest technologies used for data collection and data analysis including internet polls as well as how polls are used in campaigns and media organizations In straightforward language and an accessible question and answer format the authors cover issues such as How do political candidates and organizations use poll data How do news organizations collect and report polls Why do pollsters use samples Can internet polls really reflect a representative swath of the population They also examine common problems and complaints about polls such as the increasing use of push polls and whether polls can impact how citizens vote Their decades of experience and insight not only answer the nuts and bolts questions but most importantly why it all matters in American democracy

Polling for Democracy Roderic A. Camp, 1996 Recognizing heightened significance of Mexican public survey research series of essays illuminates the state of Mexican polling and its impact on political liberalization Well integrated volume Handbook of Latin American Studies v 57

The Handbook of Election News Coverage Around the World Jesper Strömbäck, Lynda Lee Kaid, 2009-09-10 The Handbook of Election Coverage Around the World focuses on the news

coverage of national elections in democracies around the globe It brings together and compares election news coverage within a single framework offering a systematic consideration of various factors Considering the prominence and power of the press in the election process this volume will offer unique breadth in its global consideration of the topic The volume will appeal to scholars in political communication political science mass media and society and others studying elections and media coverage around the world
