Electoral College And The American Idea Of Democracy:

Why the Electoral College Is Bad for America George C. Edwards III, 2023-11-23 Shows how the electoral college violates fundamental principles of democracy and has no benefits for the American polity **Why the Electoral College is Bad for America** George C. Edwards, 2005-05-12 A distinguished political scientist critiques arguments in favor of the electoral college and offers a persuasive argument for direct election of the president With excellent descriptions of how the electoral system actually works this is the most cogent and up to date criticism I have read Alexander Keyssar New York Review of Books This crisp handbook outlines the origins of the electoral college and demonstrates the many ways it violates democratic norms New Yorker Timely and relevant Edwards s principal lines of argument deserve extensive debate in both the news media and the Congress Lewis H Lapham Harper s Compelling and meticulous Glenn C Altschuler New York Observer *Leo Strauss, The Straussians, and the Study of the American Regime* Kenneth L. Deutsch, John A. Murley, 1999-09-28 Responding to volatile criticisms frequently leveled at Leo Strauss and those he influenced the prominent contributors to this volume demonstrate the profound influence that Strauss and his students have exerted on American liberal democracy and contemporary political thought By stressing the enduring vitality of classic books and by articulating the theoretical and practical flaws of relativism and historicism the contributors argue that Strauss and the Straussians have identified fundamental crises of modernity and liberal democracy This book emphasizes the broad range of Strauss s influence from literary criticism to constitutional thought and it denies the existence of a monolithic Straussian political orthodoxy Both critics and supporters of Strauss thought are included All political theorists interested in Strauss s extraordinary impact on political thought will want to read this book **The Electoral College and Direct Election** United States. Congress. Senate. Committee on the Judiciary, 1977 **The Electoral College and Direct Election** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1977 **The Electoral College and Direct Election of the President** United States. Congress. Senate. Committee on the Judiciary. Committee on the Judiciary, 1977 **Debating Reform** Richard J. Ellis, Michael Nelson, 2019-12-20 Getting students away from spouting opinions about highly charged partisan issues Debating Reform Fourth Edition looks at key questions about reforming political institutions with contributed pieces written by top scholars specifically for the volume Each pro or con essay considers a concrete proposal for reforming the political system By focusing on institutions rather than liberal or conservative public policies students tend to leave behind ideology and grapple with claims and evidence to draw their own conclusions and build their own arguments Students will explore how institutions work in their American government text but this reader helps them to understand how they can be made to work better Conservative Thought and American Constitutionalism Since the New Deal Johnathan O'Neill, 2022-11-29 In this work of intellectual history the author identifies

four transformations in federal government that followed the New Deal the rise of the administrative state the erosion of federalism the ascendance of the modern presidency and the development of modern judicial review He then considers how schools of conservative thought traditionalists neoconservatives libertarians Straussians responded to each transformation

Congressional Record United States. Congress, 1981 Controversial Issues in Presidential Selection Gary L.

Rose, 1994-01-01 The book is designed to stimulate lively debate and critical thinking about the modern process of presidential selection Eleven issues that impact directly on the selection of the president of the United States are examined in a scholarly and argumentative format Essays pro and con on each issue educate students in the dynamics of presidential selection and help them evaluate competing perspectives on today's pressing issues **We the People** Jill

Lepore, 2025-09-16 NEW YORK TIMES BESTSELLER Lepore's 15th book *We the People* a history of the U S Constitution may be her best yet a capacious work that lands at the right moment like a life buoy as our ship of state takes on water Hamilton Cain Los Angeles Times From the best selling author of *These Truths* comes *We the People* a stunning new history of the U S Constitution for a troubling new era The U S Constitution is among the oldest constitutions in the world but also one of the most difficult to amend Jill Lepore Harvard professor of history and law explains why in *We the People* the most original history of the Constitution in decades and an essential companion to her landmark history of the United States *These Truths* Published on the occasion of the 250th anniversary of the nation's founding the anniversary too of the first state constitutions *We the People* offers a wholly new history of the Constitution One of the Constitution's founding purposes was to prevent change Lepore writes Another was to allow for change without violence Relying on the extraordinary database she has assembled at the Amendments Project Lepore recounts centuries of attempts mostly by ordinary Americans to realize the promise of the Constitution Yet nearly all those efforts have failed Although nearly twelve thousand amendments have been introduced in Congress since 1789 and thousands more have been proposed outside its doors only twenty seven have ever been ratified More troubling the Constitution has not been meaningfully amended since 1971 Without recourse to amendment she argues the risk of political violence rises So does the risk of constitutional change by presidential or judicial fiat Challenging both the Supreme Court's monopoly on constitutional interpretation and the flawed theory of originalism Lepore contends in this gripping and unfamiliar story of our own past that the philosophy of amendment is foundational to American constitutionalism The framers never intended for the Constitution to be preserved like a butterfly under glass Lepore argues but expected that future generations would be forever tinkering with it hoping to mend America by amending its Constitution through an orderly deliberative and democratic process Lepore's remarkable history seeks too to rekindle a sense of constitutional possibility Congressman Jamie Raskin writes that Lepore has thrown us a lifeline a way of seeing the Constitution neither as an authoritarian straitjacket nor a foolproof magic amulet but as the arena of fierce logical passionate and often deadly struggle for a more perfect union At a time when the Constitution's vulnerability is all too evident and the

risk of political violence all too real *We the People* with its shimmering prose and pioneering research hints at the prospects for a better constitutional future an amended America **Master Presidential History in 1 Minute a Day** Dan Roberts,2020-07-07 This crash course in presidential history offers essential facts and fascinating trivia about every US chief executive from Washington to Trump How many US presidents were Founding Brothers Who decided on America s gold standard What was Lincoln s nickname Acclaimed historian Dan Roberts host of radio s A Moment in Time takes readers on a fun and informative romp through more than two hundred years of our presidential past With just one minute a day you can master all the essential facts of America s greatest leaders policies conflicts trivia and more Packed with full color photographs paintings and lively mini essays Master Presidential History in 1 Minute a Day is the perfect armchair companion for history lovers and learners alike **Why States Matter** Gary F.
