## **Electric Railway Pioneer Commuting On The Northwestern Pacific 1903-1941:**

**Electric Railway Pioneer** Harre W. Demoro, 1983      **The Southern Pacific, 1901-1985** Donovan L. Hofsommer, 1986

Don Hofsommer chronicles the twentieth century history of a transportation giant Here is a story of divestiture and merger Sunset Route and Prosperity Special a treasure house of information about the Southern Pacific Company This book is a joy to read Richard C Overton from the Foreword      Pilgrims of the Vertical Joseph E. Taylor, 2010-10-15 Few things suggest rugged individualism as powerfully as the solitary mountaineer testing his or her mettle in the rough country Yet the long history of wilderness sport complicates this image In this surprising story of the premier rock climbing venue in the United States Pilgrims of the Vertical offers insight into the nature of wilderness adventure From the founding era of mountain climbing in Victorian Europe to present day climbing gyms Pilgrims of the Vertical shows how ever changing alignments of nature technology gender sport and consumer culture have shaped climbers relations to nature and to each other Even in Yosemite Valley a premier site for sporting and environmental culture since the 1800s elite athletes cannot be entirely disentangled from the many men and women seeking recreation and camaraderie Following these climbers through time Joseph Taylor uncovers lessons about the relationship of individuals to groups sport to society and nature to culture He also shows how social and historical contexts influenced adventurers choices and experiences and why some became leading environmental activists including John Muir David Brower and Yvon Chouinard In a world in which wild nature is increasingly associated with play and virtuous play with environmental values Pilgrims of the Vertical explains when and how these ideas developed and why they became intimately linked to consumerism      *Electric Interurbans and the American People* H. Roger Grant, 2016-10-31 A well written social history of the shortest lived major US transportation mode from the railway historian and author of *A Mighty Fine Road Choice* One of the most intriguing yet neglected pieces of American transportation history electric interurban railroads were designed to assist shoppers salesmen farmers commuters and pleasure seekers alike with short distance travel At a time when most roads were unpaved and horse and buggy travel were costly and difficult these streetcar like electric cars were essential to economic growth But why did interurban fever strike so suddenly and extensively in the Midwest and other areas Why did thousands of people withdraw their savings to get onto what they believed to be a gravy train How did officials of competing steam railroads respond to these challenges to their operations H Roger Grant explores the rise and fall of this fleeting form of transportation that started in the early 1900s and was defunct just 30 years later Perfect for railfans *Electric Interurbans and the American People* is a comprehensive contribution for those who love the flanged wheel With this book the subject no longer has footnote status In fact Grant s work deserves a place alongside some of the other landmark surveys of the subject Here Grant moves beyond the receiverships the rickety track and all that fascinating rolling stock He shows us why the whole darned thing mattered Railroad History H Roger Grant has produced a fine social history of America s electric interurbans exploring the relationship

between people and those railway enterprises The book fills a void is eminently readable and richly illustrated Don L Hofsommer author of *Off the Main Lines*      **Encyclopedia of North American Railroads** William D Middleton, George M. Smerk, Roberta L. Diehl, 2007-04-06 Lavishly illustrated and a joy to read this authoritative reference work on the North American continent s railroads covers the U S Canadian Mexican Central American and Cuban systems The encyclopedia s over arching theme is the evolution of the railroad industry and the historical impact of its progress on the North American continent This thoroughly researched work examines the various aspects of the industry s development technology operations cultural impact the evolution of public policy regarding the industry and the structural functioning of modern railroads More than 500 alphabetical entries cover a myriad of subjects including numerous entries profiling the principal companies suppliers manufacturers and individuals influencing the history of the rails Extensive appendices provide data regarding weight fuel statistical trends and more as well as a list of 130 vital railroad books Railfans will treasure this indispensable work      *Street and Interurban Railroads* Brent Cassan, 2009      *Railroad History* , 1997      *American Frontier and Western Issues* Roger L. Nichols, 1986-10-08      *National Railway Bulletin* , 1985      **Seventy-five Years of Railroad History** , 1997      **Recent Transportation Literature for Planning and Engineering Librarians** University of California, Berkeley. Institute of Transportation Studies. Library, 1983      **Technology and Culture** , 1986      **Bibliographic Guide to Technology** New York Public Library. Research Libraries, 1978      *Current Geographical Publications* University of Wisconsin--Milwaukee. Library, 1984 Current Geographical Publications CGP is a non profit service to the scholarly community initiated in 1938 by the American Geographical Society of New York Beginning in 2006 the format changed to include the tables of contents of current geographical journals The journal titles listed link to web pages or PDF scans of the current issue s contents      *Railfan & Railroad* , 1983-11      *Public Administration Series--Bibliography* , 1978      *Books in Print Supplement* , 1985      *The Railroad History Index, 1921-1984* , 1985      **America, History and Life** , 1986 Provides historical coverage of the United States and Canada from prehistory to the present Includes information abstracted from over 2 000 journals published worldwide      **Forthcoming Books** Rose Army, 1983
