Everyday English 6:

Everyday English Phrases to Speak Naturally and Connect with Confidence Ranjot Singh Chahal, 2025-06-04
Everyday English Phrases to Speak Naturally and Connect with Confidence is your all in one guide to mastering the real English used in daily life. Designed for learners at any level, this book offers 2 000 carefully selected phrases that make conversations smoother, more natural and more effective, whether you're speaking with colleagues, friends or family. Divided into four practical chapters, it covers common topics like greetings, daily routines, home life and social interactions. Each section includes helpful context, cultural tips and usage examples so you can understand not just the words but also the right way and time to use them. These aren't textbook phrases; they're the ones native speakers actually use. Whether you're aiming to improve your fluency, build stronger relationships or simply feel more confident in everyday conversations, this book is your daily language companion. Speak naturally, connect easily and enjoy the confidence that comes with using real English in real situations.

This is a book introduction for the Everyday English series which is designed for English beginners and serves as an advanced entry level course for children's English learning. The series is divided into seven books: Part 1A and Part 2A, Part 1B and Part 2B, Part 1C and Part 2C and D, with the difficulty level increasing progressively. The first three books (Part 1 A, Part 2 A and Part 1 B) focus on common English syntax used in daily life, while the latter four books (Part 2 B to volume D) cover a range of English grammar topics, offering a comprehensive introduction to English grammar. The series features multiple touch reading learning modes, including reading aloud, interactive practice and recording and playback, which can be used with the AP pen for better learning results. The book comes with an MP3 CD featuring lessons recorded by professional foreign teachers for correct English pronunciation. This book is the second volume of A of the Everyday English series. It covers syntaxes such as asking for numbers and other people's age, singular/plural forms of There is/There are, irregular plural forms of nouns, asking for someone's name or identity of possessive and prepositions commonly used with transportation (by/on/in). The book also includes a section on natural pronunciation structures, introducing special pronunciation and spelling rules.
