Everyday Evangelism Billie Hanks, Billie Hanks Jr., 1986 **Everyday evangelism: evangelism as a way of life** Billie Hanks, 1986 Everyday Evangelism Gareth Crossley, 1987 The church of today can no longer assume the right to speak to the unsaved about the great issues of life and death We have to earn that right Gareth Crossley believes that the approach of the Christian church to the unsaved has often been highly stereotyped and that we need to take a fresh look at the great principles of evangelism outlined in the Scriptures **Evangelism** Rebecca Manley Pippert, Ruth E. Felter, 1998-09 Witnessing takes place when it is least expected in the yard at the grocery store or on the phone Those relationships provide the opportunities to live and share Christ Although relationship evangelism is an ancient concept it is the open door to friends acquaintances and coworkers The thought of witnessing about faith can leave one tongue tied but Evangelism in Everyday Life reassures us that it is a natural outflow of our love for God Living a holy life in daily activities becomes the light that shines on the hill around the office and across the neighborhood Care and compassion is the language that changes hearts Once a person comes to Christ this book

also provides answers for guiding him or her along the journey And the witness continues through discipleship and guidance Rooting a new Christian firmly in the life of the church is the next step in deepening relationships with God and fellow man Down to earth answers to these and many other such questions make this book an invaluable witnessing tool Leader s Guide Paper *Out of the Saltshaker and Into the World* Rebecca Manley Pippert,1999-07-09 Rebecca Manley Pippert s evangelism classic thoroughly revised and expanded contains new chapters on the stages of evangelism new stories of God s work in people s lives and added material on meeting the challenges of new competitors to the Christian faith *Everyday Evangelism* Randy Becton,1997 Everyday Evangelism provides encouragement and practical suggestions on how you can share your faith within your circle of influence Author Randy Becton shares the insights he has gained from years of involvement in mass media evangelism *Evangelism on the Go!* Michael McGuire,2018-05-21 Athletes dont suit up just to sit on the sidelines while others play the game yet week after week Christians suit up at church just to watch others perform Do you find yourself sitting on this proverbial bench off to the side while others share the gospel Do you want to get into the game but think that its better left to professionals or to people with more experience Evangelism on the Go shows you that the greatest discovery you can ever make in your spiritual life is how God wants to use you to reach other people and it will give you insights into how you can become a powerful witness for Christ Author and pastor Michael McGuire provides both spiritual and practical steps you can take to search for opportunities to tell others about Christ and by developing a sensitivity to the Holy Spirits guidance you too can have the joy of seeing others commit their lives to becoming followers of Christ You do not have to become a professional minister before God can use you to share the gospel and seeing others come to Christ is one of the most exciting parts of the Christian life So dont let fear bench you and keep you out of the game If you want to overcome fear and grow in your faith you must give it away *Everyday Evangelism* Laura Yang,2016-02-05 Finally A book that contains simple straightforward suggestions to help you incorporate evangelism into your everyday life No matter where you are in your Christian walk you will discover practical ideas to bolster your confidence and spur you to immediate action Use Everyday Evangelism to unleash the power of the Holy Spirit within you to go and make disciples of all nations Matthew 28 19 Ideas for small group and congregational use included *Everyday Evangelism* Tom Eisenman,1987 Everyday Impact Nate Herbst,2018-12-12 I invite you to let this day by day devotional be a regular part of the time you spend with your Savior every day I guarantee that adding these reflections to your daily times with Jesus will refresh you renew you and change your life Darrell Dobbeltmann President of Dove International Evangelist with Oasis World Ministries Do you want your life to make a difference one that will impact the world and eternity Do you want to make the most of every opportunity for Christ If so Everyday Impact is a great place to start This 31 day devotional will revolutionize your Christian life Each day will begin with a passage from God s Word that is sure to give you a fresh perspective of passion and purpose Any fears insecurities or misconceptions that have limited you in the past will dissipate as the truth shines on

PERRY,2024-10 Inspire and empower yourself and others to reach people for Christ by seeking hearts rather than following a method **Out of the Saltshaker & Into the World** Rebecca Manley Pippert,1999 Rebecca Manley Pippert s evangelism classic thoroughly revised and expanded contains new chapters on the stages of evangelism new stories of God s work in people s lives and added material on meeting the challenges of new competitors to the Christian faith *Transforming Evangelism* Henry H. Knight III,F. Douglas Powe Jr.,2019-02-15 Because of the more aggressive and confrontational tactics we hear about evangelism has developed a bad connotation Doors are shut hurriedly phone calls end abruptly and e mails left unanswered After all isn t this a task better handled by the pastor Perhaps it s time to reexamine John Wesley s model of evangelism as a full natural circle where it s a communal beginning point rather than a solitary end The central motive of authentic evangelism is Having received a message that s made all the difference in our lives we desire to share that message with others in the hope that it will transform their lives as well Wesley models an evangelism that reaches out and welcomes invites and nurtures and speaks to both head and heart Evangelism is about relationship the authors write How we are in relationship to God who is able to transform us into new beings How we are in relationship to our neighbor whom we must love like ourselves As one reviewer says Knight and Powe have given us a relational book They describe the deep connection between John Wesley s thoughts Charles Wesley s hymns scholarly thinking about evangelism and biblical understandings of the gospel all in relation to the needs concerns and hopes of everyday people Learn on your own or as a congregational group from this practical study on living an evangelistic life that demonstrates the transforming power of loving God and neighbor *Like Your Neighbor?* Stephen Sorenson,2005-01-01 Demonstrates that relationships with non Christians can be balanced authentic and mutually beneficial that while evangelism is important so is simply connecting with neighbors and acquaintances regardless of their religion Original *Gospel Centered Evangelism* Joseph Schmidt,2017-06-16 Evangelism Approaching this task has been a challenge for God s people both individually and corporately since as long as we can remember and longer We ve tried to examine evaluate and consider American culture

adapting to reach it attempting to develop fresh and creative methods to get our message to make sense to the lost In doing so we have placed the culture at the front of our consideration We ask What is our culture like and then ask How do we reach it Are we asking the right questions Is this task as complicated as we ve made it This book is an urgent call for the Church in America to repent recover and renew our priorities in evangelism The inspiration for this book came from the author s experience and his benefit from the ministry of Evangelist Ray Comfort and The Way of The Master This book endeavors to discuss something more than a method of sharing our faith while that is included but to truly examine the motives presuppositions and thinking behind how and why we evangelize the way we do This is our most substantial resource on Amazon Questions this book will answer What is Intentional Evangelism What should form our philosophy or theology of Evangelism How has contemporary Evangelism attempted to reach the lost and to what degree are our methods and the language we use biblical and effective Is the gospel still central in our evangelism What does it mean to be effective How do we deal with our fears of sharing our faith What specific counsel does Scripture give us for how to share our faith and what does it teach by example What does Intentional Evangelism look like practically Is street preaching a legitimate means of reaching the lost How do we answer the objections from the lost CHANGES IN THE SECOND EDITION New Cover Design Minor spelling and other corrections Additional footnotes and sources Additional material within body of text expanded paragraphs Formatting and Structure Changes Appendix reviewing Bill Hybels and Mark Mittleberg s book Becoming a Contagious Christian Appendix on Is it Wrong to Have an Agenda With Unbelievers Appendix on Does 2 John v 10 11 prohibit us from witnessing to cults Appendix on Event Based Evangelism Appendix on 7 Reasons to Share Your Faith at Work Appendix on Open Air Springboards About the author Joseph came to know Christ as Savior in 2004 after growing up in a non Christian home and being an atheist for seven years He lived in North Texas most of his life He attended Moody Bible Institute graduating in 2010 with a B A in Biblical Exposition and is currently studying at The Southern Baptist Theological Seminary in Louisville KY He serves as the Pastor of Youth and Family Ministries at Milton Baptist Church in Milton KY He has led evangelism teams in North Texas and Chicago for outreach on the streets in local parks and on college campuses He has facilitated taught and written evangelism curriculum for youth college students and adults He and his wife also served a two year term in a domestic incarnational missionary program designed to reach the lost through building community Joseph simply has a heart to build and stabilize a biblical worldview into the hearts and minds of the church alongside a theology of evangelism that isn t driven by popular culture or sentimentalism but instead intentionally shares the comprehensive gospel message in a loving yet uncompromising way All proceeds go to support my wife and I while we re at seminary

Influencing Your World FOR Christ Matthew Robert Payne, 2017-01-12 The mention of the word evangelism can produce any number of responses from people Many Christians know that they should be sharing Jesus with their friends and family members but fear of rejection stops them Other factors also keep them from sharing One of the most common reasons

that people don't win their friends to Christ is not so much fear as the fact that they don't know how to evangelize people. However, you can influence your world for Christ without overwhelming your friends, without embarrassing yourself, or without even being rejected. One day I sat down and decided to record this book on video so that people could see how I live my life and how I influence those that come in contact with me. This process is not scary, and you won't be rejected if you live out the keys in this book. Instead, the contents will actually free you up to be who you are with everyone that you know. Gone will be the masks that you wear for some people as they get to know the authentic Christian that you are. I am not a theologian and have never had formal training at a school, yet I have shared my personal faith in Jesus with thousands of people, as well as shared personal messages from Jesus with many people through prophetic evangelism. If you want to learn how to influence your world with the message of the Gospel with confidence, take a look inside. Your world and the lives of those around you will be impacted for God's glory and the Kingdom.
