Everyday Life Of Medieval Travellers:

Everyday life of medieval travellers Marjorie Rowling,1971 The Art, Science, and Technology of Medieval Travel
Robert Odell Bork,Andrea Kann,2008 This sixth volume in the AVISTA series considers medieval travel from a variety of interdisciplinary perspectives placing the physical practice of transportation in the larger context of medieval thought about the world and its meaning The papers included cover vehicle design and logistical management the practicalities of how travellers oriented themselves and the symbolism of the landscapes and maps created in the Middle Ages **Daily Life through Trade** James M. Anderson,2013-03-21 Trade has long been and will continue to be a driving force that shapes our world This book documents the tremendous importance of trade throughout history and its influence toward peaceful coexistence among nations From ancient to modern times trade has played an integral role in connecting disparate cultures and places on the earth indeed the existence of commercial trade across human civilization means that globalization is hardly a recent phenomenon or trend **Daily Life through Trade** Buying and Selling in World History documents how the importance of trade has made it the catalyst for migration exploration cultural interchange and unfortunately conflict and war throughout history Author James M Anderson describes the history of trade and traders lives examining how commerce had important consequences in various regions of the world and addressing a wide range of topics such as fair trade the World Trade Organization and the role of trade in sparking world wars The book s coverage ranges from the earliest times to the present day and serves not only as an excellent general reference for history students and general readers but also as valuable supplementary reading for those enrolled in courses in economics and business *Western Travellers to Constantinople* K.N. Ciggaar,2022-04-19 This volume deals with relations between the West and Byzantium from the accession of Otto I the Great in Germany in 962 until the Fourth Crusade when Constantinople was conquered by the Western crusading armies in 1204 The impact which these contacts and confrontations had on both sides is discussed in sections dealing with specific areas such as the North Britain France Germany Italy and Spain as well as in sections dealing with specific aspects of the process the journey the attractions of the East and the idea of authorities and translations of various political and intellectual ideas An extensive index will help readers to find specific topics The book is illustrated with maps and with a number of objects betraying Byzantine influence in the West or Western presence in Byzantium *Images of the Educational Traveller in Early Modern England* Sara Warneke,1995 This book provides valuable new insights into the public debate over educational travel in early modern England and examines the seven major images of the educational traveller and the fears and insecurities within English society that engendered them **The European World, 400-1450** Barbara A. Hanawalt,2005-05-26 The history of the Middle Ages is one of believers and barbarians popes and peasants It is the story of competing empires and unforgettable leaders The Middle Ages laid the groundwork for the growth of early modern Europe From its bustling cities distinguished universities soaring cathedrals and trade routes Europe began to reach

ut to the rest of the world **Silk and Song** Dana Stabenow,2016-11-01 Beijing 1322 Wu Johanna is the granddaughter of the legendary trader Marco Polo In the wake of her father s death Johanna finds that lineage counts for little amid the den of intrigue that is the Great Khan s court Johanna s future if she has one lies with her grandfather in Venice more than a continent away at the very edge of the known world So with a small band of companions she takes to the Silk Road that storied collection of routes that link the silks of Cathay the spices of the Indies and the jewels of the Indus to the markets of the West But the journey will be long and arduous for the road ahead is beset by burning sands and ice fanged mountains thieves and fanatics treachery and betrayal *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office,1974 *On Foot* Joseph Amato,2004-11 In this lively social history Amato author of *Dust* tells the large scale and small scale stories of what was man s first mode of travel walking **Western Travellers to Constantinople** Krijna Nelly Ciggaar,1996 This volume provides a survey of the thousands and thousands of people from the West who travelled to Constantinople between 962 and 1204 and of the influence Byzantium exerted on them and on those who remained home Crusaders were an important group but other social groups played a key role as well in the exchange of ideas

Pilgrimage to Rome in the Middle Ages Debra Julie Birch,1998 Rome was one of the major pilgrim destinations in the middle ages The belief that certain objects and places were a focus of holiness where pilgrims could come closer to God had a long history in Christian tradition in the case of Rome the tradition developed around two of the city s most important martyrs Christ s apostles Peter and Paul So strong were the city s associations with these apostles that pilgrimage to Rome was often referred to as pilgrimage to the threshold of the apostles Debra Birch conveys a vivid picture of the world of the medieval pilgrim to Rome the Romipetae or Rome seekers covering all aspects of their journey and their life in the city itself Back cover Ways of Escape C. Rojek,1993-06-23 Modern life is often described as an iron cage from which there is no escape But popular culture venerates leisure and travel as authentic escape routes from routine and monotony However what kind of escape is tolerated in modern society How is it shaped by historical expectations of leisure and travel And what do we actually experience when we engage in leisure or travel activity This fascinating and accomplished book tries to supply answers to these questions A major scholarly contribution to the sociological analysis of leisure pleasure and travel Dr Rojek s study is a radical challenge to the existing paradigmatic orthodoxy Bryan S Turner University of Essex **Encyclopedia of Monasticism** William M. Johnston,2013-12-04 The two volume Encyclopedia of Monasticism describes the monastic traditions of both Christianity and Buddhism with more than 600 entries on important monastic figures of all periods and places surveys of countries and localities and topical essays covering a wide range of issues e g art behavior economics liturgy politics theology and scholarship Coverage encompasses not only geography and history worldwide but also the contemporary dilemmas of monastic life Recent upheavals in certain countries are highlighted Korea Russia Sri Lanka etc Topical essays subtitled Christian Perspectives and Buddhist Perspectives explore in imaginative fashion comparisons and

contrasts between Christian and Buddhist monasticism Encyclopedia of Monasticism also includes more than 500 color and black and white illustrations covering all aspects of monastic life art and architecture *New Forms of Consumption* Mark Gottdiener, 2000 Consumption as a field of cultural studies overlaps with theories of postmodernism the social construction of self commodification in late capitalism and the role of mass media in daily life New forms of consumption such as those facilitated by cyberspace themed environments the commodification of sex and the increasing role of leisure in society all play new and interesting roles in daily life that combine consumerism with the most contemporary social forms This collection of essays examines the recent ways in which consumerism has been approached by cultural studies with special emphasis given to these and other newly emerging topics The book is divided into three parts The first part provides a theoretical overview of consumption studies dealing with classical and more contemporary approaches in light of the debate between advocates and critics of postmodernism In this section there are papers on McDonaldization tourism and cultural studies and the Theory of Shopping The second part emphasizes empirical studies of the commodification process Papers address the transformation of women's bodies and the mass commodification of milk the creation of the toddler as a subject and the commodification of childhood the commodification of sports and the commodification of rock music The third section of the book explores new forms of consumption on a more detailed and concentrated level Papers in this section include the rise of sex tourism as a global industry the commodification of the sacred and the emergence of new consumer spaces in the city An introduction by the editor delineates the advantages of his approach to new forms of consumption based squarely in the emerging issues of cultural studies debates transcending postmodernism and the society of the spectacle **Wandering Monks, Virgins, and Pilgrims** Maribel Dietz, 2010-11-01 Dietz finds that this period of Christianity witnessed an explosion of travel as men and women took to the roads seeking spiritual meaning in a life of itinerancy This book is essential reading for those who study the history of monasticism for it was a monastic context that religious travel first claimed an essential place within Christianity **Muslim Travellers** Dale F. Eickelman, James Piscatori, 2013-11-05 Pilgrimage travel for learning visits to shrines exile and labour migration shape the religious imagination and in turn are shaped by it Some travel such as pilgrimage explicitly intended for religious purposes has equally important economic and political consequences Other travel not primarily motivated by religious concerns and thus neglected by many scholars nonetheless profoundly influences religious symbols metaphors practices and senses of community These studies encompassing Muslim societies from Malaysia to West Africa also suggest how encounters with Muslim others have been as important in shaping community self definition as encounters with European others This volume brings together historians social scientists and jurists concerned with pilgrimage scholarly travel and migration in both medieval and contemporary Muslim societies and explores basic issues Can Muslim travel be regarded as a distinct form of social action What role does religious doctrine play in motivating travel and how do doctrinal interpretations differ across time and place What are the strengths and limitations of

various approaches to understanding the transnational and local significance of pilgrimage migration and other forms of travel An image of Muslim tradition and change in local communities in relation to travel emerges which competes with the myth of the universality of the Islamic community **The regional travel guide for Kanta-Häme (Finland)** ,2025-09-24

The regional travel guide for Xank?ndi (Azerbaijan) ,2025-09-25 **Crusades** Benjamin Z.
