Everyman Remembers:

Everyman Remembers Ernest Rhys, 1973-01-01 **The Last Minstrels** Ronald Schuchard, 2008-02-28 Recovering a lost literary movement that was the most consuming preoccupation of W B Yeats's literary life and the most integral to his poetry and drama Ronald Schuchard's *The Last Minstrels* provides an historical biographical and critical reconstruction of the poet's lifelong attempt to restore an oral tradition by reviving the bardic arts of chanting and musical speech From the beginning of his career Yeats was determined to return the living voice of the poet from exile to the centre of culture on its platforms stages and streets thereby establishing a spiritual democracy in the arts for the non reading as well as the reading public Schuchard's study enhances our understanding of Yeats's cultural nationalism his aims for the Abbey Theatre and his dynamic place in a complex of interrelated arts in London and Dublin With a wealth of new archival materials the narrative intervenes in literary history to show the attempts of Yeats and Florence Farr to take the new art of chanting to Great Britain America and Europe and it reveals for the first time the influence of their auditory poetics on the visual paradigm of the Imagists The penultimate chapter examines the adjustments Yeats made for his movement during the war including chanting and other adaptations from Noh drama for his dance plays and choruses until the practice of his unfashionable art became dormant in the 1920s before the restless rise of realism The final chapter resurrects his heroic effort in the 1930s to reunite poetry and music and reconstitute his dream of a spiritual democracy through the medium of public broadcasting Thomas Hardy Remembered Martin Ray, 2017-03-02 *Thomas Hardy Remembered* assembles some 150 annotated interviews and recollections of Hardy most of which are being reprinted for the first time They range from close personal reflections by old friends such as Sir George Douglas J M Barrie and Edmund Gosse to fleeting glimpses by strangers who saw Hardy at a London party or at his club Martin Ray has selected items having the greatest literary or biographical significance and annotated them with meticulous accuracy and a keen eye for the telling detail As a result the volume will be an invaluable resource to scholars who are interested not only in what concerned Hardy personally and professionally but also in how he was perceived by others Having these items collected in one volume reveals Hardy's contemporaneous opinions about his own writings and also makes it possible to trace the marked recurrence over time of certain preoccupations ancient families Hardy's hostility to reviewers architecture Roman relics Wessex folklore and dialect animal welfare Napoleon and hangings With regard to his literary career a portrait emerges of Hardy as the scrupulous professional properly aware of his commercial rights while at the same time appearing to some who met him unconscious of his own genius *A Year to Remember* Alec Waugh, 2011-10-28 First published in 1975 this tells of one of the Bright Young Things in that brilliant and stimulating era between the wars Alec Waugh remembers 1931 as being a year of firsts It was the year he attended his first garden party the year he made his first transatlantic phone call the year he became a member of the MCC But it was also a year that marked the end of one epoch and the beginning of another far less frivolous Nostalgic for the best of that time Alec

Waugh recalls the writers he knew and met here and in America Somerset Maugham A J Cronin John O Hara Thurber and Dorothy Parker Here is an insight into the literary and publishing world of the thirties through an account of the author's own experiences We hear of Alec Waugh's life at leisure with stories of his family and brother Evelyn his affairs with Ruth in California with Mary in Villefranche with Elizabeth in London the wild parties the tours round the speakeasies the Atlantic crossings and the fascinating people he met on them

Nineteenth-Century Transatlantic Reprinting and the Embodied Book Jessica DeSpain, 2016-05-06 Until the Chace Act in 1891 no international copyright law existed between Britain and the United States which meant publishers were free to edit text excerpt whole passages add new illustrations and substantially redesign a book's appearance In spite of this ongoing process of transatlantic transformation of texts the metaphor of the book as a physical embodiment of its author persisted Jessica DeSpain's study of this period of textual instability examines how the physical book acted as a major form of cultural exchange between Britain and the United States that called attention to volatile texts and the identities they manifested Focusing on four influential works Charles Dickens's *American Notes for General Circulation* Susan Warner's *The Wide Wide World* Fanny Kemble's *Journal of a Residence on a Georgian Plantation* and Walt Whitman's *Democratic Vistas* DeSpain shows that for authors readers and publishers struggling with the unpredictability of the textual body the physical book and the physical body became interchangeable metaphors of flux At the same time discourses of destabilized bodies inflected issues essential to transatlantic culture including class gender religion and slavery while the practice of reprinting challenged the concepts of individual identity personal property and national identity

People and their Pasts P. Ashton, H. Kean, 2008-12-11 In this innovative and original collection people are seen as active agents in the development of new ways of understanding the past and creating histories for the present Chapters explore forms of public history in which people's experience and understanding of their personal national and local pasts are part of their current lives

Thomas Hardy, O.M. Clive Holland, 1933 *The Cambridge bibliography of English literature. 3. 1800 - 1900* Frederick Wilse Bateson, 1940 *Joseph Conrad* Martin Ray, 2010-09-13

Shaw A M Gibbs, 1990-06-14 **The Jolly Corner and Other Tales, 1903-1910** Henry James, 2017-09-21 The Cambridge Edition of the Complete Fiction of Henry James provides for the first time a scholarly edition of a major writer whose work continues to be read quoted adapted and studied *The Jolly Corner and Other Tales* 1903 1910 includes the final ten stories James wrote Many involve satirical critiques of an increasingly narcissistic acquisitive society from *The Papers* with its attack on celebrity culture to *The Birthplace* offering a sardonic view of the Shakespeare industry and *A Round of Visits* which conducts a horrified tour through selfishness and swindling in early twentieth century New York The title story itself was in James's own view a miraculous masterpiece in the line of the fantastic gruesome the supernatural thrilling the best thing of this sort I've ever done With its extensive textual history and wide ranging notes this volume will interest not only James scholars but all students of early twentieth century Anglo American literature and culture

Ford Madox Ford, 1873-1939 David Dow Harvey, 2015-12-08 The Protean personality and career of Ford Madox Ford as poet novelist editor critic and miscellaneous writer have made him one of the most elusive of modern authors In this bibliography which includes extensive excerpts of writings by and about Ford as well as complete descriptions of the various editions of his book and periodical publications David Dow Harrvey has at last made it possible to form a true estimate of Ford s involvements with other writers and his contributions to modern literature Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Everyman's Land* Charles Norris Williamson, Alice Muriel Williamson, 1918 **Remembered Words**

Alastair Fowler, 2021 A selection of essays written over Alastair Fowler s prestigious career combining celebrated works of literary criticism and previously unpublished pieces that reflect on developments in literary criticism over the last sixty years
