America's premier social scientists recounting the intensely personal story of his tormented youth in a ghetto within a ghetto. It etches the painful details of a boy's overcoming alienation and isolation in a hostile place in an unloving family. In the 1930s a small remnant community of Eastern European Jewish immigrants still resided in predominantly black Harlem. As shopkeepers trying to make out a marginal existence, Harlem's Jews were a minority within a minority. Into this restricted world the author of this book was born. Irving Louis Horowitz's parents had fled Russia; his father, the victim of persecution in the Tsarist army during World War I. The boy's schoolmates were the children of black sharecroppers who had immigrated to the North. Poverty, language, and culture all cut off the Horowitz family from traditional community life, and the stress of a survival existence led to the trauma of a deteriorating family unit. Harlem and its environs, the Apollo and the Alhambra theaters, the Polo Grounds, and Central Park were the stage on which a youngster from this ghetto built a kind of self-reliance at the cost of social graces. The recipient of the National Jewish Book Award for Biography and Autobiography, this new augmented edition contains the author's reflection of the impact of the Great Depression on Harlem family life.

The Marriage Mission Shanae Johnson, Her recipe calls for a pinch of pretend. His dash of desire brings the heat. Jacqui Chou is sugar and spice and at first impression not so nice. But as a former bomb squad expert, I like to play with fire. When she needs a temporary husband to secure ownership of her family restaurant, she goes first to her trifling ex. Thankfully, the idiot rejects her proposal. That's when I step in. I might be a Wounded Warrior, but I still fit the bill. And I've made sure she has no other choice. We need to make it look real, she tells me. It was real for me the first time I laid eyes on her, her curvy figure and her fiery nature. But this independent woman would run if she found out my feelings for her were real. So I'll keep up the facade that I don't like her when the truth is everything she does fascinates me. I'll keep fighting with her and using our fake marriage status to steal kisses that leave us both breathless. I'll even sabotage the furniture so that there's only one working bed in the house that we'll have to share. Because I'm on a mission to make my wife fall in love with me. *The Marriage Mission* is a sizzling sweet romance with no steam. The damsels agree to a marriage of convenience, but the heroes have no intentions of letting them out of the agreement ever.
