Everything Is Going To Be Just Fine The Ramblings Of A Mad Hairdresser:

The Essential Elizabeth Montgomery Herbie J Pilato, 2013-10-07 Bewitched star Elizabeth Montgomery was one of the most prolific and popular actresses of the twentieth century. In her more than five hundred appearances on television, film, and the stage, Elizabeth Montgomery's talent, charisma, and personality have charmed millions for decades. This delightful new book delineates, dissects, and celebrates the diversity and minutia of Montgomery's remarkable career while chronicling just how much her real life spilled into her historic roles on stage and screen. The book is based on Pilato's exclusive interviews with the actress and supplemented with commentary provided by myriad entertainment professionals, journalists, and media and classic TV historians, including the Oscar-nominated actress Juanita Moore, Montgomery's co-star from the historic *White Lie* episode of *TV's 77 Sunset Strip*, and producer/writer/actor Jimmy Lydon, Elizabeth's co-star from the *Wagon Train* episode *The Victorio Bottecelli Story*. Including plot summaries, airdates, release dates, and behind-the-scenes notes and anecdotes of select performances, *The Essential Elizabeth Montgomery* is the ultimate handy, entertaining, and informative reference to the on and off-screen adventures of one of the world's most beloved stars. Based on exclusive interviews, this book includes never-before-published material from those associated with Elizabeth Montgomery's remarkable life before, during, and after *Bewitched*. It also explores her political activism, her advocacy for AIDS research, the peace movement, and her controversial participation as narrator of the feature film documentary *Cover Up Iran*. *Contra* scandal. [Everything is Going to be Just Fine : the Ramblings of a Mad Hairdresser](#) Billy Cliff, 1998 In 1995, beloved television star Elizabeth Montgomery passed away from colon cancer. Surprisingly, to Billy Cliff, her hair and makeup artist and close friend for eleven years, it was the beginning of a profound journey. This journey pushed his limits of perception, opening his awareness to the paranormal. With guidance from shamanic visions and inner-dimensional beings, insights and teachings were revealed. Layer by layer, his reality was torn apart, and all semblance of his former self transformed. This true life story will take you on an incredible tour of Billy's unfoldment, providing the reader an opportunity to penetrate subtler layers of creation and to peer into the worlds beyond the veils. Whether you believe this work as merely imaginative or real, it will alter your perception and change your world forever. [Canadian Books in Print](#) Marian Butler, 2000 **Revolution** TJ
