Oh If You Would Only Listen Laura Feise-Dork., 2011-10-19 Ahh youth what a great time in your life Oh how we change as we grow older Our hopes dreams fears and self confidence begin to form in our minds as we grow older Things change And as they do we learn we grow and we change But when you begin to mature and your self confidence forms in your mind You learn that it is not necessary to always be in such a hurry When we are young we think there is just no time to stop and smell the roses Being older now I do take the time to stop and the roses smell so sweet Now I understand the meaning Bad things will pass with time It is up to us to take care of our mind Marriage is a big change in our life Now you have to give up some of your privacy give more than you take and have a lot more patience Oh what we learn as we grow There are so many things going on in our mind The television used to be entertaining but now it puts all kinds of strange thoughts in your head Be a careful viewer It is up to us to keep our mind in order Our body might shrink as we grow older but our brain continues to grow Feed it with healthy things

Keepsakes Donna Stutts-Piras, 2024-01-22 Keepsakes The Heart Series is a journey from fear into freedom written for women everywhere who struggle with never being good enough to be loved It is my story but it is also the story of so many like me searching for confidence and peace I remember thinking Lord it is so unfair if you return when I am having a bad day or I'm not being as good as I should be or if I didn't score enough points that day to get into heaven Like so many I lived in subtle fear that my life was judged on an invisible scale with each deed being measured against perfection Once I understood when I accepted Christ God's son into my heart I was saved I was going to heaven I could never be good enough on my bad days or my good days to get into heaven but Christ inside me could That's when I stopped focusing on myself and my performance and I started understanding who God was And I now get to lean on depend on talk to and cry with my King every day on my special journey of life He knows my every thought my every motivation my every deed he knows my ugly and he still loves me Not like the love from childhood where I had to be perfect to be accepted but an unconditional never ending love He walks hand in hand with me through every season no scales just a hand holding mine My purpose in writing is simply this that you who believe in God's Son will know beyond the shadow of a doubt that you have eternal life the reality and not the illusion And how bold and free we then become in his presence freely asking according to his will sure that he is listening And if we are confident that he is listening we know that what we have asked for is as good as ours 1 John 5:13-15
