Everything You Always Wanted To Know About God But Were Afraid To Ask:

Everything You Always Wanted to Know About God (but were afraid to ask) Eric Metaxas, 2009-01-21 Who doesn't have questions about God But where in the world can you go to get answers Eric Metaxas has been there so he gets it Which is why he's written this shockingly down to earth book on the big questions everyone asks but not always out loud Totally conversational and sometimes flat out hilarious this book asks How can a good God create a world that has evil and suffering Is God anti sex Doesn't science make God obsolete What's the real story on miracles If God is everywhere why go to church Don't we already have God within us Isn't God too busy running the universe to care about the details of my day These questions and many more get no nonsense answers that don't hide behind dull theological language So get the lowdown and more than a few laughs on what are probably the most important questions anyone has

Everything You Always Wanted to Know about God Eric Metaxas, 2010-10 We all have questions about Jesus but very few of us get the answers we're looking for if the answers even exist Do they Where in heaven's name do you go to find out New York Times bestselling author Eric Metaxas understands how hard it can be to get hard truths and that's why he is writing this hilarious entertaining guide to the most i

Everything Else You Always Wanted to Know About God (But Were Afraid to Ask) Eric Metaxas, 2015-04-15 In his earlier book Eric Metaxas tackled the questions people had always wanted to ask about God His book was well received but Metaxas soon realized there was a long list of questions that still needed to be addressed In *Everything Else You Always Wanted to Know about God* the author answers the rest and some of the very best of the questions that surface when God is the topic of conversation Metaxas's welcoming tone and his skillful use of humor lower readers' defenses He presents biblical truth in the form of engaging answers that can't help but connect whether the reader is an inquisitive skeptic an open minded agnostic or even a new believer looking to get grounded in the basics of the Christian faith No matter who is asking the questions this sequel delivers the goods with disarming candor and biblical authority

Everything You Always Wanted to Know About Lacan (But Were Afraid to Ask Hitchcock) Slavoj Žižek, 2020-05-05 The contributors bring to bear an unrivaled enthusiasm and theoretical sweep on the entire Hitchcock oeuvre analyzing movies such as *Rear Window* and *Psycho* Starting from the premise that everything has meaning the authors examine the films' ostensible narrative content and formal procedures to discover a rich proliferation of hidden ideological and psychic mechanisms But Hitchcock is also a bait to lure the reader into a serious Marxist and Lacanian exploration of the construction of meaning An extraordinary landmark in Hitchcock studies this new edition features a brand new essay by philosopher Slavoj Žižek presenter of Sophie Fiennes's three part documentary *The Pervert's Guide to Cinema*

Everything You Always Wanted to Know about Literature but Were Afraid to Ask Žižek Russell Sbriglia, 2017-02-27 Challenging the widely held assumption that Slavoj Žižek's work is far more germane to film and cultural studies than to literary studies this volume demonstrates the importance of Žižek to literary criticism and theory The contributors show how i

ek's practice of reading theory and literature through one another allows him to critique, complicate and advance the understanding of Lacanian psychoanalysis and German Idealism, thereby urging a rethinking of historicity and universality. His methodology has implications for analyzing literature across historical periods, nationalities and genres and can enrich theoretical frameworks ranging from aesthetics, semiotics and psychoanalysis to feminism, historicism, postcolonialism and ecocriticism. The contributors also offer i-ekian interpretations of a wide variety of texts including Geoffrey Chaucer's *Troilus and Criseyde*, Shakespeare's *The Merchant of Venice*, Samuel Beckett's *Not I* and William Burroughs's *Nova Trilogy*. The collection includes an essay by i-ek on subjectivity in Shakespeare and Beckett. Everything You Always Wanted to Know about Literature but Were Afraid to Ask i-ek affirms i-ek's value to literary studies while offering a rigorous model of i-ekian criticism. Contributors: Shawn Alfrey, Daniel Beaumont, Geoff Boucher, Andrew Hageman, Jamil Khader, Anna Kornbluh, Todd McGowan, Paul Megna, Russell Sbriglia, Louis Paul Willis. Slavoj i-ek *No Pressure, Mr. President! The Power Of True Belief In A Time Of Crisis* Eric Metaxas, 2012-12-24 America's Bonhoeffer moment is here. There is a difference between real faith in God and mere religion. There is a kind of religion that is lifeless and is the bitter enemy of true faith. Think of Dietrich Bonhoeffer's prophetic attempts to awaken the sleeping German church, often unwitting allies of Hitler and the Third Reich. Or of William Wilberforce's heroic efforts to rouse his complacent Christian countrymen to stand against the monstrous evil of the slave trade. Bonhoeffer and Wilberforce stood against the evil of their times, an evil often repackaged in religious-sounding language. Eric Metaxas's electrifying message delivered before the president and dozens of national leaders at the Sixtieth Annual National Prayer Breakfast calls readers to follow in the steps of Wilberforce and Bonhoeffer, men who lived their faith and swam against the mainstream instead of drifting along with it. Metaxas makes it clear that phony religiosity offends God himself and that real prayer is only possible with a living faith in a living God. And that kind of faith can transform the world. No pressure. *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1975

Life, God, and Other Small Topics Eric Metaxas, 2012-09-25 Following the extraordinary success of the New York Times bestseller *Bonhoeffer*, Metaxas's latest book offers inspirational and intellectually rigorous thoughts about the great questions surrounding us all today. *Joshua* Robert L. Hubbard, Jr., 2009 The NIV Application Commentary helps readers with the vital task of bringing the ancient message of the Bible into a contemporary context. It gives preachers and teachers the tools, ideas and insights they need to communicate God's Word with the same powerful impact it had when it was first written. *Apologetics for the Twenty-First Century* Louis Markos, 2010-10-06 The vibrant and persuasive arguments of C. S. Lewis brought about a shift in the discipline of apologetics, moving the conversation from the ivory tower to the public square. The resulting strain of popular apologetics, which weaves through Lewis into twentieth-century writers like Francis Schaeffer and modern apologists like William Lane Craig, Josh McDowell and Lee Strobel, has equipped countless believers to defend their faith against its detractors. *Apologetics for the Twenty-first Century* uses Lewis's work as the starting point for an

absorbing survey of the key apologists and major arguments that inform apologetics today Like apologists before him Markos writes to engage Christians of all denominations as well as seekers and skeptics His narrative man of letters style and short chapters make Apologetics for the Twenty first Century easily accessible for the general reader But an extensive and heavily annotated bibliography detailed timeline list of prominent apologists and glossary of common terms will satisfy the curiosity of the seasoned academic as the book prepares all readers to meet the particular challenges of defending the faith today
